**Warhammer Fantasy  
Rulebook 8th Eight  
Edition: Amazon.com  
...**

The magic lures in 8th  
edition were  
absolutely out of  
control, and IMO one  
of the worst aspects  
of the edition. In 6th  
and 7th, magic was  
much more muted and  
acted in a support  
role for most armies.  
Obviously you can  
house rule things  
however you'd like,

but 6th is meant to be  
played with muted magic  
and it's a better game  
for it I think.
