**South-Western Pub**  
Prepared by Dale Klooster and Warren Allen, this best-selling, educational, general ledger package introduces students to the world of computerized accounting through a more intuitive, user-friendly system than the commercial software they'll use in the future. In addition, students have access to general ledger files with information based on problems from the textbook and practice sets. This context

---

allows them to see the difference between manual and computerized accounting systems firsthand and includes a problem checker. Problems that can be used with Klooster/Allen are highlighted by an icon.
