While sailing in the Caribbean, young Alex Hawke witnesses an act of unspeakable horror as modern-day pirates brutally murder his parents. It is a tragedy that will haunt him forever and shape his destiny. As a direct descendant of a legendary English pirate, Lord Alexander Hawke is skilled in the ways of sea combat - and one of Britain's most decorated naval heroes. Now, Hawke returns to the Caribbean on a secret mission for the American government. A highly experimental stealth submarine is missing. She carries forty nuclear warheads, and is believed to be in the hands of an unstable government just ninety miles from the US mainland. In a race against time, Hawke must locate the sub before a strike can be launched against the US - and, after a lifetime of nightmares, finally avenge himself on the man who slaughtered his family . . .

Ages ago, the gods locked away a dangerous, powerful people... but the seal has been broken. The Blood Legacy Chronicles is an mpreg shifter series like you've never seen before. The adventurous journey begins in book one where the portal that separates our realm from that of Fae is broken. Over the course of the series, the legacy pack is slowly brought together and given the monumental task of fixing the rift and saving our world before the Fae come back to beguile, trick, maim and kill. A beguiling mix of fun, fantasy, friendship and family, this series will take your breath away. This bundle contains all seven books in this best selling series--all books are fully re-edited, freshly formatted, and guaranteed to give a serious case of the feels. Four brand-new, never been seen epilogues are included to show you what happened in the years after the ending. Note: this series is a spinoff from The Northern Pines Den from the same author. Included: Alpha's Dream -- Seer Clark and Dreamwalker Kent have always known that they were meant to be mates. From their fumbling first time to seeing their powers unfold, you'll fall in love with this "super duo"... and their trio of superbabies. Omega Found -- A halfling omega and his petite Irish alpha fox will charm you and keep you guessing. Omega's Destiny -- The twins of the super duo from book one, Peter and Parker have been having a secret affair. Little did they know they were jumping the gun on what fate had in store for them. The "spideymen" are entrusted with a precious artifact when visiting the phoenix that will put a temporary fix on the portal. Alpha's Dom -- Efficient Jun is an omega dom who isn't quite sure what to do with the large, african alpha that he's been gifted by the fates. As for Tau, his lion patiently adores his feisty, little red panda. Alpha's Charm -- This is an mmm. Cody, Ansh and Kontar have to try and stop the evil, unseelie prince who has slipped into our realm and has plans of his own to take over the world--with the help of a vampiric monk. Omega's Mark -- May/December. Sweet, shy Dimi finds himself fated to mate the sexy Aussie alpha, Ethan. Together, they have to fix the problem that was unleashed in book five to do their part of the epic quest. Alpha's Seal -- Hippie omega River and Mark, the quiet wolf from Maine have to figure out how to follow the clue and finally repair the rift in the portal--once they learn to trust each other. These books are all intended for 18+ readers only. They contain adults adulting in naughty, knotty ways and enough potty mouth language to make a sailor blush. Keep an eye out for exhibitionist gargoyles, an adorable phoenix and her faithful brown companion, a powerful goddess, two Fae princes, and a few beloved

character appearances from the previous series. This bundle contains the complete series plus bonus epilogues for nearly 200,000 words of fun

In this action-packed thriller, Miami just got a lot more dangerous--especially for one innocent young woman running for her life. The city of Miami is Detective Tom Moon's back yard. He's always kept it local, attending University of Miami on a football scholarship, and, as a Miami PD officer, protecting the city's most vulnerable. Now, as the new leader of an FBI task force called "Operation Guardian," it's his mission to combat international crime. Moon's investigative team discovers that the opportunistic "Blood Brothers"--Russian nationals Roman and Emile Rostoff--have evaded authorities while building a vast, powerful, and deadly crime syndicate throughout Europe and metropolitan Miami. Moon played offense for U of M, but he's on the other side of the field this time. And as the Rostoffs zero in on a target dear to Tom, they're not playing by anyone's rules.

"A well-crafted page-turner that addresses the most important issue of our time. It will keep you reading well into the night."--Vince Flynn A New York Times reporter has drawn upon his experience covering the occupation in Iraq to write the most gripping and chillingly plausible thriller of the post-9/11 era. Alex Berenson's debut novel of suspense, The Faithful Spy, is a sharp, explosive story that takes readers inside the war on terror as

fiction has never done before. John Wells is the only American CIA agent ever to penetrate al Qaeda. Since before the attacks in 2001, Wells has been hiding in the mountains of Pakistan, biding his time, building his cover. Now, on the orders of Omar Khadri--the malicious mastermind plotting more al Qaeda strikes on America--Wells is coming home. Neither Khadri nor Jennifer Exley, Wells's superior at Langley, knows quite what to expect. For Wells has changed during his years in the mountains. He has become a Muslim. He finds the United States decadent and shallow. Yet he hates al Qaeda and the way it uses Islam to justify its murderous assaults on innocents. He is a man alone, and the CIA--still reeling from its failure to predict 9/11 or find weapons of mass destruction in Iraq--does not know whether to trust him. Among his handlers at Langley, only Exley believes in him, and even she sometimes wonders. And so the agency freezes Wells out, preferring to rely on high-tech means for gathering intelligence. But as that strategy fails and Khadri moves closer to unleashing the most devastating terrorist attack in history, Wells and Exley must somehow find a way to stop him, with or without the government's consent. From secret American military bases where suspects are held and "interrogated" to basement laboratories where al Qaeda's scientists grow the deadliest of biological weapons, The Faithful Spy is a riveting and cautionary tale, as affecting in its personal stories as it is sophisticated in its political details. The first spy thriller to grapple squarely with the complexities and terrors of today's world, this is a uniquely exciting and unnerving novel by an author who truly knows his territory.

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with

more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

Nick of Time is the first young reader's book written by bestselling author Ted Bell - a wondrous tale of time travel, adventure, and riches, in which twelve-year-old Nick McIver sets out to become "the hero of his own life." The setting is England, 1939, on the eve of war. Nick and his younger sister, Kate, live in a lighthouse on the smallest of the Channel Islands. Nick and Kate come to the aid of their father who is engaged in a desperate war of espionage with German U-boat wolf packs that are circling the islands. The information they provide to Winston Churchill is vital as he tries to warn England of the imminent Nazi invasion. One day Nick discovers an old sea chest, left for him by his ancestor, Captain Nicholas McIver of the Royal Navy. Inside, he finds a time machine and a desperate plea for help from the captain. He uses the machine to return to the year 1805. Captain McIver and, indeed, Admiral Nelson's entire fleet are threatened by the treachery of the French and the mutinous Captain Billy Blood. Nick must reach deep inside, using his wits, courage, and daring to rescue the imperiled British sailors. His sister, Kate, meanwhile, has enlisted the aid of two of England's most brilliant "scientific detectives," Lord Hawke and Commander Hobbes, to thwart the invading Nazis. She and Nick must face England's underwater enemies, a challenge made all the more difficult when they discover the existence of Germany's supersecret submarine. In this striking adventure for readers of all ages, Nick must fight ruthless enemies across two different centuries, on land and sea, to help defeat those determined to destroy his home and his family.

James Rollins, the New York Times bestselling master of nail-biting suspense and historical mystery, combines cutting-edge biotechnology with a centuries-old secret in an apocalyptic story that reveals where humankind is truly headed. The *Doomsday Key* At Princeton University, a famed geneticist dies inside a biohazard lab. In Rome, a Vatican archaeologist is found dead in St. Peter's Basilica. In Africa, a U.S. senator's son is slain outside a Red Cross camp. The three murders on three continents bear a horrifying connection: all the victims are marked by a Druidic pagan cross burned into their flesh. The bizarre murders thrust Commander Gray Pierce and Sigma Force into a race against time to solve a riddle going back centuries, to a ghastly crime against humanity hidden within a cryptic medieval codex. The first clue is discovered inside a mummified corpse buried in an English peat bog—a gruesome secret that threatens America and the world. Aided by two women from his past—one his exlover, the other

his new partner—Gray must piece together the horrifying truth. But the revelations come at a high cost, and to save the future, Gray will have to sacrifice one of the women at his side. That alone might not be enough, as the true path to salvation is revealed in a dark prophecy of doom. Sigma Force confronts humankind's greatest threat in an adventure that races from the Roman Coliseum to the icy peaks of Norway, from the ruins of medieval abbeys to the lost tombs of Celtic kings. The ultimate nightmare is locked within a talisman buried by a dead saint—an ancient artifact known as the *Doomsday Key*.
