This provocative work challenges traditional accounts of Meriwether Lewis and William Clark’s expedition across the continent and back again. Uncovering deeper meanings in the explorers’ journals and lives, Exploring Lewis and Clark exposes their self-perceptions and deceptions, and how they interacted with those who traveled with them, the people they discovered along the way, the animals they hunted, and the land they walked across. The book discovers new heroes and brings old ones into historical focus. Thomas P. Slaughter interrogates the explorers' dreams, how they wrote and what they aimed to possess, their interactions with animals, Indians, and each other, their sense of themselves as leaders and men, and why they feared that they had failed their nation and President. Slaughter’s Lewis and Clark are more confused, frightened, courageous, and flawed than in previous accounts. They are more human, their expedition more dramatic, and thus their story is more revealing about our own relationships to history and myth.

A riveting account of one of the most remarkable episodes in American history. In his critically acclaimed history Freedom Summer, award- winning author Bruce Watson presents powerful testimony about a crucial episode in the American civil rights movement. During the sweltering summer of 1964, more than seven hundred American college students descended upon segregated, reactionary Mississippi to register black voters and educate black children. On the night of their arrival, the worst fears of a race-torn nation were realized when three young men disappeared, thought to have been murdered by the Ku Klux Klan. Taking readers into the heart of these remarkable months, Freedom Summer shines new light on a critical moment of nascent change in America. "Recreates the texture of that terrible yet rewarding summer with impressive verisimilitude." -Washington Post

At an event honoring Daisy Bates as 1990 ' s Distinguished Citizen then-governor Bill Clinton called her "the most distinguished Arkansas citizen of all time." Her classic account of the 1957 Little Rock School Crisis, The Long Shadow of Little Rock, couldn't be found on most bookstore shelves in 1962 and was banned throughout the South. In 1988, after the University of Arkansas Press reprinted it, it won an American Book Award. On September 3, 1957, Gov. Orval Faubus called out the National Guard to surround all-white Central High School and prevent the

entry of nine black students, challenging the Supreme Court's 1954 order to integrate all public schools. On September 25, Daisy Bates, an official of the NAACP in Arkansas, led the nine children into the school with the help of federal troops sent by President Eisenhower – the first time in eighty-one years that a president had dispatched troops to the South to protect the constitutional rights of black Americans. This new edition of Bates's own story about these historic events is being issued to coincide with the fiftieth anniversary of the Little Rock School crisis in 2007.

" THE MOST IMPORTANT THING WE CAN GIVE OUR CHILDREN IS AN EDUCATION. " —Mae Bertha Carter In 1965, the Carters, an African American sharecropping family with thirteen children, took public officials at their word when they were offered " Freedom of Choice " to send their children to any school they wished, and so began their unforeseen struggle to desegregate the schools of Sunflower County, Mississippi. NATIONAL BESTSELLER • With the same emotional generosity and effortlessly compelling storytelling that made All Over But the Shoutin ' a beloved bestseller, Rick Bragg continues his personal history of the Deep South. This time he ' s writing about his grandfather Charlie Bundrum, a man who died before Bragg was born but left an indelible imprint on the people who loved him. Drawing on their memories, Bragg reconstructs the life of an unlettered roofer who kept food on his family ' s table through the worst of the Great Depression; a moonshiner who drank exactly one pint for every gallon he sold; an unregenerate brawler, who could sit for hours with a baby in the crook of his arm. In telling Charlie ' s story, Bragg conjures up the backwoods hamlets of Georgia and Alabama in the years when the roads were still dirt and real men never cussed in front of ladies. A masterly family chronicle and a human portrait so vivid you can smell the cornbread and whiskey, Ava ' s Man is unforgettable.

In 1957, Melba Beals was one of the nine African American students chosen to integrate Central High School in Little Rock, Arkansas. But her story of overcoming didn't start--or end--there. While her white schoolmates were planning their senior prom, Melba was facing the business end of a double-barreled shotgun, being threatened with lynching by rope-carrying tormentors, and learning how to outrun white supremacists who were ready to kill her rather than sit beside her in a classroom. Only her faith in God sustained her during her darkest days and helped her become a civil rights warrior, an NBC television news reporter, a magazine writer, a professor, a wife, and a mother. In I Will Not Fear, Beals takes readers on an unforgettable journey through terror, oppression, and persecution, highlighting the kind of faith needed to survive in a world full of heartbreak and anger. She shows how the deep faith we develop during our most difficult moments is the kind of faith that can change our families, our communities, and even the world. Encouraging and inspiring, Beals's story offers readers hope that faith is the solution to the pervasive hopelessness of our current culture.
