Who Has a great intern survival guide? A lot of places have intern survival guides. These are simple, like pocket medicine, but are great for giving direct instructions for common problems. The one at my institution isn't great. A buddy has a fantastic one, but paper form only, no pdf. Anyone got a good one they wouldn't mind sharing?

The Washington Manual of Surgery: 9781975120061: Medicine ...

400 medical references, covering 35 specialties from 30 publishing partners optimized for iPhone, iPad and Android based smartphones and tablets. Unlike eReaders, Skyscape Medical Library App supports interactive calculators and diagnostic flowcharts. Books come to life with audio pronunciation, embedded videos and pinch-zoom images.

Prepared by residents and fellows at Washington University School of Medicine, this pocket-sized survival guide provides all the essential information that every surgery intern needs from Day 1 on the wards—including daily routine, rounds, chart reviews, preoperative and postoperative care, operating room conduct, radiology, critical care, and

interaction with families, colleagues, and allied health professionals.
