**State Fishing
Guide** Frank
Amato
Publications
Washington
native Terry
Rudnick knows
the best fishing

spots in the
Evergreen State,
from the marine
waters of the San
Juan Islands—just
a short trip from
Seattle—to the
remote lakes of

Northeastern Washington. Full of detailed descriptions of over 600 fishing locations, Moon Washington Fishing leads anglers to the best lakes, reservoirs, rivers, and coasts that the state has to offer, and it includes pages' worth of Rudnick's knowledgeable fishing tips and advice. Complete with helpful regional maps and thorough directions for each location, Moon Washington Fishing provides all the necessary tools to head outdoors. Flyfisher's Guide to Washington Simon

and Schuster Pacific Northwest locals Terry Rudnick and Craig Schuhmann guide novice and experienced anglers alike to the finest fishing waters in the region, from Conconully Lake in Northeastern Washington to the Oregon Coast's Chetco River. Rudnick and Schuhmann offer thorough coverage of the lakes, reservoirs, rivers, and coasts they know best in this guide, supplying expert fishing tips and advice tailored to each spot, as well as detailed descriptions, maps, and directions so fishermen can

locate even the most hard-to-find places. Complete with helpful "best-of" lists for a wide variety of fishing expeditions—including Best for Steelhead, Best Family Fishing, Best for Fly-Fishing, and Best for Trophy Trout—Moon Pacific Northwest Fishing provides all the necessary tools to head outdoors. Great Places Washington Graphic Arts Books Oregon & Washington By John Shewey With over 40 of the best flyfishing destinations in the Northwest, this book distills a lifetime of exploration and experience into a guide that will help you successfully plan

a trip to the Northwest 's prime waters. Steelhead Guide Forrest Park Pub Steelhead Country is not just a collection of random fishing stories. It is a personal and lovingly crafted account of a life spent immersed in a tradition that stretches back generations. Acclaimed flyfisherman and author Steve Raymond paints a picture of the world of steelhead trout that is " a realm of vast landscapes, of cold mountain

rivers flowing down through silent, shadowed forests . . . , of ragged coastlines honeycombed with hidden harbors and secret bays where bright rivers mingle with the sea. " Raymond traces not just the journey of steelhead along the icy gray rivers of the Pacific Northwest but also his own development as a flyfisherman, recalling following in his father ' s footsteps and joining him on quiet

waterways. Then, steelhead were more a myth than reality—something he only knew from stories. He began to look anywhere he could for information on how to catch this unique, elusive fish, until finally, in a moment of adrenalin-filled excitement, he caught his first steelhead. Steelhead Country tells the story of a life in fishing in the same vein as Roderick Haig-Brown ' s *A River Never Sleeps*. Through the joys and challenges of fly

fishing for steelhead, Raymond describes and pays tribute to his connection with nature and a great fishing tradition. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical

prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. Avalon Travel Pub Colorado's high country is rich with amazing scenery and big, beautiful fish. Unfortunately, many of these highland fisheries are

impractical to access. But thanks to veteran fishing guide and writer Phil Tereyla, over 60 mountain lakes in Colorado that are under three miles to access in all corners of the state are now fully outlined and covered in this wonderful new flyfishing guidebook, the *Flyfisher's Guide to Colorado's Easy Access Mountain Lakes* (Wilderness Adventures Press, 2021). Difficulty to access does not equate to quality fishing; many of Colorado's easy-access alpine gems host fantastic fishing for large trout, including lots of drive-to lakes and reservoirs. Most of these lakes also have the same signature scenery and solitude that has made Colorado so popular for fishing and otherwise. Tereyla

shows us where to catch all three subspecies of native cutthroat trout (greenback, Colorado River, and Rio Grande), arctic grayling, big brown trout, lake trout, rainbow trout, cuttbows, splake, tiger trout, tiger muskie, and more. He also covers tributary streams, inlets and outlets, the right times to pursue these awesome fish, and the flies that work. This book is perfect for families, aging and disabled anglers, and those who would rather spend their day casting to large trout than hiking. It also makes a great gift for the angler who has it all. Don't miss this opportunity to indulge in all that Colorado's alpine lakes have to offer! Pick up your copy today!

satisfying.) In addition to numerous hiking options—including some never-before-published trails—Greg covers every state park along the coast, other public parks, campgrounds, fishing and clamming spots, paddling options, and the best beachcombing destinations. In addition to describing the abundant outdoor recreation opportunities, Johnston also delves into the rich cultural and natural history of the coast, as well as practical details such as tsunami preparedness, Leave No Trace practices, weather and ocean

beach precautions, and more. Flyfisher's Guide to Idaho Heritage House Publishing Co Other fishing guides offer scant information on a large number of lakes, most of which their authors have never even been near. This book provides detailed information on the lake and surrounding area, as well as directions and fishing tips. All lakes included in this book have been personally visited, fished and photographed by the author. While the emphasis is on the fisherman's perspective, the detailed trail and

camping information is equally applicable to those who only wish to hike and camp. The lakes selected for inclusion in this book are from Skagit, Snohomish and Whatcom counties of northwest Washington. All but two lie at elevations above 2,500 feet, the definition of a high lake for western Washington. A few can be driven to, but most require some hiking. The lakes are found both in national forests and on private timberlands. Many are in wilderness areas. The author is a ten-time Washington State record holder, with certified weight records for five different species of

fish. Catch data for several hundred lakes, dating back to 1981, has been provided to Washington State fish biologists. Born and raised in northwest Washington and part of a very outdoor oriented family, the author has spent his entire life exploring new places and looking for new waters to fish. Salmon and Tuna: Washington, Oregon, California Wilderness Adventures Press Spectacular photography and in-depth local knowledge highlight these useful fly-fishing guides; many fly-fishers are enjoying the

enormously popular "Blue-Ribbon Fly Fishing Guide" series. Each full-color book is filled with information on the fly-fishing in a particular state, including: successful techniques; productive flies and their patterns; hatch information; reading water; fish species; conservation issues; fly plates; local resources; map; and so much more. Useful and attractive, these guides are perfect for both visiting and local anglers. Fishing Maryland, Delaware, and Washington, D. C. Wilderness Adventures Press Anglers in the Evergreen State have

no shortage of options when it comes to finding a place to fish, and plenty of choices about what to catch. Washington's lakes, reservoirs, rivers, creeks, and marine waters offer a wide range of possibilities. This book covers them all. Armed with rod, reel, and plenty of wit, Terry Rudnick tackles more than 1,000 top fishing spots in this updated edition, from the smallmouth bass haunts of Lake Sammamish to the halibut-filled waters of Neah Bay to the Grande Ronde River, teeming with steelhead. The author includes tips on everything from the best baits and lures to

techniques for mooching, trolling, vertical jigging, and more. Easy-to-use maps help locate even the most obscure destinations. Specifics on fishing supplies, groceries, gas, and lodging in each locale let the angler spend less time planning and more time casting. Steelhead Fly Fishing Wilderness
Adventures Press
This valuable fishing information was compiled year-after-year from the best sources by the writers, photographers, and map makers of "Fishing & Hunting News" - for nearly 50 years the major source of fishing and hunting news in the state of Washington.
Conveniently

collected in one book, this incredible storehouse of fishing information will help you and your fishing friends become more knowledgeable and successful anglers. Use "Washington's Top Fishing Maps" to plan your fishing adventures for salmon, trout, steelhead, bass, walleye, halibut, perch, etc. Discover new fishing thrills in places you've always heard about but never visited! Read about a stream, lake, or saltwater, study the map, make a few phone calls or web inquiries, and then put on your discovery waders!
[A Fisherman's Guide to Selected High Lakes of Northwest Washington Wilderness](#)

Adventures Press
The internationally bestselling author says if we can save the salmon, we can save the world
Moon Washington Fishing Frank Amato Publications
From kyped brown trout, lake-dwelling rainbow and brook trout and crazy numbers of smallmouth bass and native sea-run and inland cutthroat to spawning-bound salmon and the hallowed wild and native steelhead, Oregon is the place for great flyfishing. Gary Weber's all-new Flyfisher's Guide to Oregon

details these outstanding fishing opportunities like no other guidebook on the market. Weber covers the hot spots and lesser known fisheries with personal experiences, history, effective techniques for both trout and anadromous species, appropriate gear and flies, access points, nearby fly shops, and much more. His stunning visuals paint the full picture of the fishing in this gorgeous state. From mainstays like the Owyhee, Deschutes, North Umpqua and

Sandy rivers to lesser known jewels like the Malheur and John Day rivers, Weber has put in the river-time so that you can get down to business. Many more tributaries, lakes and reservoirs are covered. Weber is a veteran Oregon writer who has covered the state's flyfishing opportunities for years. This book comes standard with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with

access roads, public land and more. As Lefty once said: "If someone can't find locations from these maps - they need to stay home." Whether you're an Oregon lifer or new to the state, get an edge with this all-new guidebook. [Including West Virginia's Best Fly Fishing Waters](#) Wild River Press This is an updated edition of the best-selling guide book, with additional waters covered. The Complete Guide to Lakes, Streams, and Saltwater Gallopade International Comprehensive guide for the coast of Washington, Oregon, and

California covering trolling tactics, mooching methods, and jigging approaches. Also covers boats, motors, and the vast field of fishing electronics to help get you into the gear you want and need.

Henning's

Washington Fishing Guide Dog Ear

Publishing

Trout Bum is a fresh, contemporary look at fly fishing, and the way of life that grows out of a passion for it.

The people, the places, and the accoutrements that surround the sport make a fishing trip more than a set of tactics and techniques.

John Gierach, a serious fisherman with a wry

sense of humor, shows us just how much more with his fishing stories and a unique look at the fly-fishing lifestyle. Trout Bum is really about why people fish as much as it is about how they fish, and it is ultimately about enduring values and about living in a harmony with our environment. Few books have had the impact on an entire generation that Trout Bum has had on the fly-fishing world. The wit, warmth, and the easy familiarity that John Gierach brings to us in Trout Bum is as fresh and engaging now as it was when it was first published twenty-five years ago.

There's no telling how many anglers

have quit their jobs and headed west after reading the first edition of this classic collection of fly-fishing essays.

Flyfisher's Guide to Steelhead Alley Wilderness

Adventures Press

Complete guide of how, where, when to fly fish using chironomids.

Photos and helpful illustrations to help reader learn how to successful fish chironomids in stillwater.

various stillwater species; Insect hatches and hatch-timing chart; Fly-fishing and conventional tackle techniques; Fishing knots & tackle guide; Important services & accommodations for anglers; and so much more. Washington's Best Fishing Waters A recreational guide to Washington's public lands and historic places for birding, hiking, photography, fishing, hunting, and camping. Flyfisher's Guide to Colorado's Easy Access Mountain Lakes Frank

Amato Publications Everything an angler needs to know about flyfishing Washington is in this comprehensive guide, in more detail than ever before in print. There has never been a thorough statewide guide written specifically for flyfishing in Washington. Much like Oregon, this state combines a high population of flyfishers with a host of prime flyfishing water. With steelhead and salmon runs, trophy trout in lakes and rivers throughout the state, and the

occasional smallmouth and largemouth bass thrown in, Washington has something to offer even the most discriminating angler. This guide will show you maps with access points, river mileage, campsites, and more, for each river system, along with detailed descriptions of rivers, tributaries and lakes, with hatch charts for each. Our format makes calling fly shops for up-to-the minute information or setting up motel reservations in a new area a snap.
