From the National Book Award winning author, an extraordinary, ground-breaking, epic multi-generational novel about a Korean family living under Japanese occupation. In 1930s Japanese-occupied Korea, Lee Woo-cheol was a running prodigy and a contender for the upcoming Tokyo Olympics. But he would have had to run under the Japanese flag. Nearly a century later, his granddaughter is living in Japan and training to run a marathon herself. She summons Korean shamans to hold an intense, transcendent ritual to connect with Lee Woo-cheol. When his ghost appears, alongside those of his brother Lee Woo-Gun, and their young neighbor, who was forced to become a comfort woman to Japanese soldiers stationed in China during World War II, she must uncover their stories to free their souls. What she discovers is at the heart of this sweeping, majestic novel about a family that endured death, love, betrayal, war, political upheaval, and ghosts, both vengeful and wistful. A poetic masterpiece that is a feat of historical fiction, epic family saga, and mind-bending story-telling acrobatics, *The End of August* is a marathon of literature.

Run This Town: The Complete Series Princeton University Press

NEW YORK TIMES BESTSELLER • The disappearance of a beautiful, charismatic mother leaves her family to piece together her secrets in this propulsive novel for fans of Big Little Lies—from the bestselling author of All We Ever Wanted Was Everything and the upcoming Pretty Things. “Watch Me Disappear is just as riveting as Gone Girl.”—San Francisco Chronicle Who you want people to be makes you blind to who they really are. It’s been a year since Billie Flanagan—a Berkeley mom with an enviable life—went on a solo hike in Desolation Wilderness and vanished from the trail. Her body was never found, just a shattered cellphone and a solitary hiking boot. Her husband and teenage daughter have been coping with Billie’s death the best they can: Jonathan drinks as he works on a loving memoir about his marriage; Olive grows remote, from both her father and her friends at the all-girls school she attends. But then Olive starts having strange visions of her mother, still alive. Jonathan worries about Olive’s emotional stability, until he starts unearthing secrets from Billie’s past that bring into question everything he thought he understood about his wife. Who was the woman he knew as Billie Flanagan? Together, Olive and Jonathan embark on a quest for the truth—about Billie, but also about themselves, learning, in the process, about all the ways that love can distort what we choose to see. Janelle Brown’s insights into the dynamics of intimate relationships will make you question the stories you tell yourself about the people you love, while her nervy storytelling will keep you guessing until the very last page. Praise for Watch Me Disappear “Watch Me Disappear is a surprising and compelling read. Like the best novels, it takes the reader somewhere she wouldn’t otherwise allow herself to go. . . . It’s strongest in the places that matter most: in the believability of its characters and the irresistibility of its plot.”—Chicago Tribune “Janelle Brown’s third family drama delivers an incisive and emotional view of how grief and recovery from loss can seep into each aspect of a person’s life. . . . Brown imbues realism in each character, whose complicated emotions fuel the suspenseful story.”—Associated Press “When a Berkeley mother vanishes and is declared dead, her daughter is convinced she’s alive in Janelle Brown’s thriller, calling to mind Big Little Lies and Gone Girl.”—Variety

Now every parent, grandparent, or teacher can explain to a child the difference between appropriate and inappropriate touching in a way that young boys and girls can understand. As a child, there are constantly people trying to pick you up, hug you, or tickle you. Sometimes, though, children fall victims to people who try to touch them inappropriately. But how do you tell someone, most likely an adult, that you don’t want to be touched? Or, if it has already happened, how do you tell an adult you trust about what happened? You’re only a child, and they’re the adults. Why would they believe you? My Body Belongs to Me from My Head to My Toes is an educational tool to help instill confidence in children when it comes to their bodies. The narrative of the story is led by a girl named Clara, who encourages kids to say “no” if they are uncomfortable with physical contact. The narrator gives readers tips about what they can say or do to avoid unwanted physical contact, or how to tell the right people in the event it has already occurred. My Body Belongs to Me from My Head to My Toes is an invaluable resource that gives children a voice in uncomfortable situations.
