A Novel HarperCollins UK
In this “brave and
heartbreaking novel that
digs its claws into you and

doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated

from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to

relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An

honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

[Guarding the Broken](#) *Guarding the Broken* (Nothing Left to Lose, Part 1)

"Swoon worthy! I fell in love with Oliver Perry so fast! This book is feels inducing...I loved every single page!" —Anna Todd, New York Times bestselling author of the *After* series "When I met Oliver Perry, I had no clue he was the lead singer for *The Heartbreakers*. And he had no idea that I was the only girl in the world who hated his music."

Stella will do anything for her sick sister, Cara—even stand in line for an autographed *Heartbreakers* CD...for four hours. She's totally winning best birthday gift this year. At least she met a cute boy with soft brown hair and gorgeous blue eyes while getting her caffeine fix. Too bad she'll never see him again.

Except, Stella's life has suddenly turned into a cheesy love song. Because Starbucks Boy is Oliver Perry lead singer for the *Heartbreakers*. And even after she calls his music crap, Oliver still gives Stella his phone number. And whispers quotes from her favorite Disney movie in her ear. OMG, what is her life? But how can Stella even think about being with Oliver dating and laughing and pulling

pranks with the band when her sister could be dying of cancer? Ali Novak wrote her debut novel *My Life with the Walter Boys* when she was just 15 years old, and has since penned her next book, *The Heartbreakers*. First a hit on the online community Wattpad, her second novel has over 38 million reads and is loved by readers around the world. "When I wasn't reading this book, it was all I wanted to be doing. Adorably romantic and fun! I loved it."

A Fablehaven Adventure
Simon and Schuster
The dragons that have been kept in sanctuaries

want their freedom—and their revenge—and the world's only hope is the reformation of the ancient order of Dragonwatch in this New York Times bestselling first novel of a new sequel series to Fablehaven from author Brandon Mull. In the hidden dragon sanctuary of Wyrmoost, Celebrant the Just, King of the Dragons, plots his revenge. He has long seen the sanctuaries as prisons, and he wants nothing more than to overthrow his captors and return the world to the Age of Dragons, when he and his kind ruled and reigned without borders. The time has come to break free and reclaim his power. No one person is capable of stopping Celebrant and his dragon horde. It will take the ancient order of Dragonwatch to gather again if there is any chance of saving the world from destruction. In ancient times, Dragonwatch was a group of wizards, enchantresses, dragon slayers, and others who originally confined the majority of dragons into sanctuaries. But nearly all of the original Dragonwatch members are gone, and so the wizard Agad reaches out to Grandpa Sorenson for help. As Kendra and Seth confront this new danger, they must draw upon all their skills, talents, and knowledge as only they have the ability to function together as a powerful dragon tamer. Together they must battle against forces with

superior supernatural powers and breathtaking magical abilities. How will the epic dragon showdown end? Will dragons overthrow humans and change the world as we know it? A Novel Harper Collins Kirsty Moseley brings us the sequel to Fighting to be Free. Sometimes in life you have to walk away . . . Leaving Jamie Cole was the hardest thing Ellie Pearce ever had to do. Somehow, she moved on. She made a new life in a new city with a new man. So

when a family tragedy calls Ellie back home, she believes all her old feelings for Jamie-the hunger, the heat, the heartbreak-are safely behind her. But the second she lays eyes on him, the intensity of their connection is as strong as ever. Sometimes you stay and fight . . . Jamie knows pain. He's felt it fighting in the streets, and he felt it fighting to survive in prison. Yet nothing he's experienced has been as painful as the day Ellie left-until the moment she came back. This time Jamie is determined to hold

on to Ellie forever. But as much as she still loves him, she can't ignore the dark world he's now a part of. Jamie has enemies. Dangerous ones. And after seeing Jamie with Ellie, they know exactly how to take him out . . .

Annabelle Spencer's life is every girl's dream. She has wonderful parents, great friends, and of course the perfect boyfriend, Jack Roberts. But her dream life turns into a nightmare when, on the night of her sixteenth

birthday, Jack is murdered right in front of her, and she's kidnapped by his murderer, Carter Thomas, and held for ten months. Three years on and Anna is no longer the happy-go-lucky girl that everyone used to know and love; she's now cold, hard and suffers from night terrors. It appears that, during her time with him, Carter broke not only her body, but her spirit too. Carter is currently serving time for the murder of Jack,

a conviction that Anna helped secure. But his retrial is coming up because some key evidence appears to have been tampered with. Needing to ensure his daughter's safety, Presidential Candidate, Senator Spencer tasks in Ashton Taylor, a newly qualified SWAT agent, to guard the broken girl and keep her safe until the end of the trial. For three years Anna has refused to feel emotion or pain, but can Ashton help her rebuild her life and finally deal

with the grief of losing her childhood sweetheart? Will he be the one to make her see that life is, in fact, worth living and that not all men will hurt her?

What's love got to do with it? Celia Lynton had been told her entire life that she couldn't marry for love, marriage should be a business agreement, poor men were only after the family fortune, blah, blah, blah. But now, there is no fortune. There's only debt, and an urgency to find a way to pay her younger brother's tuition at a school

that can tend to his special needs. So yeah, there's going to be a marriage. One of convenience. Just like her parents wanted. She'll marry a future Scottish earl—a very rich future earl—and her brother will get to attend school. There's just one problem: Celia is in love with another man. You can't always get what you want. romantic comedy about a young married couple whose rocky relationship needs a serious renovation... Rosie and Dominic Vega are the perfect couple: high school sweethearts, best friends, madly in love. Well, they used to be anyway. Now Rosie's lucky to get a caveman grunt from the ex-soldier every time

she walks in the door. Dom is faithful and a great provider, but the man she fell in love with ten years ago is nowhere to be found. When her girlfriends encourage Rosie to demand more out of life and pursue her dream of opening a restaurant, she decides to demand more out of love, too. Three words: marriage boot camp.

Never in a million years did Rosie believe her stoic, too-manly-to-emote husband would actually agree to relationship rehab with a weed-smoking hippie. Dom talking about feelings? Sitting on pillows? Communing with nature? Learning love languages? Nope. But to her surprise, he's all in, and it forces her to admit her

own role in their cracked foundation. As they complete one ridiculous-yet surprisingly helpful-assignment after another, their remodeled relationship gets stronger than ever. Except just as they're getting back on track, Rosie discovers Dom has a secret... and it could demolish everything. "Her voice feels as

fresh and contemporary as a Netflix rom-com." —Entertainment Weekly Beautiful Disaster Signed Limited Edition Forever Maybe the Moon, Armistead Maupin's first novel since ending his bestselling Tales of the City series, is the audaciously original chronicle of Cadence Roth -- Hollywood actress, singer, iconoclast

and former Guinness Book record holder as the world's shortest woman. All of 31 inches tall, Cady is a true survivor in a town where -- as she says -- "you can die of encouragement." Her early starring role as a lovable elf in an immensely popular American film proved a major disappointment, since moviegoers never saw the face behind the stifling rubber suit she was required to

wear. Now, after a decade of hollow promises from the Industry, she is reduced to performing at birthday parties and bat mitzvahs as she waits for the miracle that will finally make her a star. In a series of mordantly funny journal entries, Maupin tracks his spunky heroine across the saffron-hazed wasteland of Los Angeles -- from her all-too-infrequent meetings with agents and studio moguls to her regular harrowing encounters with small children, large dogs and human ignorance. Then one day a lanky piano player saunters into Cady's life, unleashing heady new emotions, and she finds herself going for broke, shooting the moon with a scheme so harebrained and daring that it just might succeed. Her accomplice in the venture is her best friend, Jeff, a gay waiter who sees Cady's struggle for visibility as a natural extension of his own war against the Hollywood Closet. As clear-eyed as it is charming, *Maybe the Moon* is a modern parable about the mythology of the movies and the toll it exacts from its participants on both sides of the screen. It is a work that speaks to the resilience of the

human spirit from a perspective rarely found in literature. A Parody Simon and Schuster
INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of It Ends with Us—whose writing is “emotionally wrenching and utterly original” (Sara Shepard, New York Times bestselling author of the Pretty Little Liars series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise

that might be able to save it. Quinn and Graham’s perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. All Your Perfects is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a

heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people? A Novel Blvnp Incorporated
From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she

doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly. Experience the internet's most talked-about book for yourself from the writer Cosmopolitan called "the biggest literary phenomenon of her generation." Tessa and Hardin's love was complicated before. Now it's more confusing

than ever. AFTER WE FELLL...Life will never be the same. #HESSA Just as Tessa makes the biggest decision of her life, everything changes. Revelations about first her family, and then Hardin's, throw everything they knew before in doubt and makes their hard-won future together more difficult to claim. Tessa's life begins to come unglued. Nothing is what she thought it was. Not her friends. Not her family. The one person she should be able to rely on, Hardin, is furious when he discovers the massive secret she's been keeping. And rather than being understanding, he turns to sabotage. Tessa knows Hardin loves her and will do anything to protect her, but there's a difference between loving someone and being able to have them in your life. This cycle of jealousy, unpredictable anger, and forgiveness is exhausting. She's never felt so intensely for anyone, so exhilarated by someone's kiss—but is the irrepressible heat between her and Hardin worth all the drama? Love used to be enough to hold them together. But if Tessa follows her heart now, will it be...the end?

NATIONAL BESTSELLER • Revelations about a seemingly ordinary mother force her adult children to reexamine their lives in this "absorbing novel about family secrets" (The Dallas Morning News). Laura

Bartone anticipates her annual family reunion in Minnesota with a mixture of excitement and wariness. Yet this year's gathering will prove to be much more trying than either she or her siblings imagined. As soon as she arrives, Laura realizes that something is not right with her sister. Forever wrapped up in events of long ago, Caroline is the family's restless black sheep. When Caroline confronts Laura and their brother, Steve, with devastating allegations about their mother, the three have a difficult time reconciling their varying experiences in the same house. But a sudden misfortune will lead them all to face the past, their own culpability, and their common need for love and forgiveness. Readers have come to love Elizabeth Berg for the "lucent beauty of [her] prose, the verity of her insights, and the tenderness of her regard for her fellow human" (Booklist).
