“I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life — the true story of my life.” The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your

mind and, therefore, the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in your world, a change in the subjective world that is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to understand the truth, and you will begin this reconditioning, this retooling of your mind — of your thoughts and beliefs — on this subject of my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. — Jesus

'The Way of the Heart' is a collection of Jeshua's teachings, faithfully transcribed from the original channeled audio recordings. It forms the third volume of the five essential 'Way of Mastery' texts. Jeshua shares: "The Way of the Heart... is that pathway that begins with a commitment to healing and awakening, and is founded on the premise that you are perfectly free at all times. And everything that is experienced has been by your choice. And at no time has there been any other cause." His invitation to us is to wake up from every illusion that we have ever been separate from God, and to remember the deepest Truth of who we are: Christ. This is the only authorized version, precisely as it was first given and including the original question and answer sections. Nothing has been added in the transition from audio to text: no chapter titles appear, nor themes given to sub-sections - for He gave none.

Before she died, Theanna (then Sara Lonsdale) developed a means to continue communication with her husband Ellias. Her words from beyond death's doors first appeared in The Book of Theanna, an introduction to the many realms of

consciousness. Now Ellias has gathered and transcribed The Christ Letters, a collection of detailed accounts of Theanna's encounters with the Christ presence, transmitted at Christmas and Easter time over the course of several years. Drawing deeply on the feminine aspect of consciousness and framing her discussion around the astrological qualities of each of the seven classical planets, Theanna reexamines the figure of Christ and his teachings, exploding the myths imposed on Christ by church-based Christianity. What emerges is an unusual and inspirational account of the journey each one of us must take, from the darkest places of consciousness to eventual resurrection into the light of redemption. Not just another account of life after death, nor a channeled book in the usual sense, The Christ Letters enacts a virtually ignored method of spiritual communication. Theanna's principal goal is to make her process available collectively so that from this point on, people will "discover inside their own strength of being a Christ presence, something unexpected and wildly unknown."

Publisher ' s Note: A new, expanded edition has
replaced this book under the new title Visionary:
The Mysterious Origins of Human Consciousness,
ISBN 9781637480069 This definitive edition
includes a new Introduction by Graham Hancock
as well as restored chapters that were omitted from

the original paperback release. Less than fifty
thousand years ago mankind had no art, no
religion, no sophisticated symbolism, no innovative
thinking. Then, in a dramatic and electrifying
change, described by scientists as "the greatest
riddle in human history," all the skills and qualities
that we value most highly in ourselves appeared
already fully formed, as though bestowed on us by
hidden powers. In Supernatural Graham Hancock
sets out to investigate this mysterious
"beforeandafter moment" and to discover the truth
about the influences that gave birth to the modern
human mind. His quest takes him on a detective
journey from the stunningly beautiful painted caves
of prehistoric France, Spain, and Italy to rock
shelters in the mountains of South Africa, where he
finds extraordinary Stone Age art. He uncovers
clues that lead him to the depths of the Amazon
rainforest to drink the powerful hallucinogen
Ayahuasca with shamans, whose paintings contain
images of "supernatural beings" identical to the
animalhuman hybrids depicted in prehistoric caves.
Hallucinogens such as mescaline also produce
visionary encounters with exactly the same beings.
Scientists at the cutting edge of consciousness
research have begun to consider the possibility that
such hallucinations may be real perceptions of
other "dimensions." Could the "supernaturals" first
depicted in the painted caves be the ancient
teachers of mankind? Could it be that human
evolution is not just the "meaningless" process that
Darwin identified, but something more purposive
and intelligent that we have barely begun to

understand?

According to the Pew Research Center, approximately 37 percent of Americans identify themselves as spiritual but not religious. How to Be Spiritual Without Being Religious is a book for that sizable number of folks who seek a rich and authentic interior life but find formal religious affiliation unappealing. It is a clear and nondogmatic guide for finding one's own path of transformation, for embracing a vision of a "practical faith" that enhances a life of happiness and peace. Miller's concise approach arises out of what he calls "the spirituality of ordinary life." It is an approach dedicated to exploring the big questions: "Why am I here?" "Who am I?" "What is the best way to be of use." "A spiritual faith is a more practical way to

deal with everyday life than cynicism, toughness, or defensiveness...it daily increases its usefulness and reliability. Spirituality is the way out of misery, the way in to self-knowledge, and the way toward a more fulfilling and effective life." --From the introduction Praise for The Book of Practical Faith "Succinct and salutary . . . D. Patrick Miller's thoughtful treatment of faith clarifies why this is such an important part of the sacred adventure of life."

--Frederic Brussat, SpiritualityandPractice.com "This book offers a gentle, disciplined approach to growth with subtle insight and compassion. Miller names the habitual obstacles that keep us small and opens up a way to greater love, faith, and freedom." --J. The voice of the Divine is as near to you as your own breath—just ask. That's what

Reverend Deborah L. Johnson did in 1995. In a moment of darkness, there was nothing she could do but surrender: "Take me now, oh Lord." Almost instantly she heard whispers—and they turned into more than 300 letters from Spirit. With *The Sacred Yes*, Rev. Deborah offers 54 of these epistles that provide not only soothing, affirmative wisdom, but words that lift us to our highest place of being. Each letter is a conversation, discrete in its own message, explains Rev. Johnson—whose Omnifaith Inner Light Ministries is the spiritual community of more than 1,500 people. The lessons are universal, addressing the human condition common to us all. They provide solace, insight, and inspiration for our hurts, fears, hopes, hesitations, and aspirations. *The Sacred Yes* speaks to us individually and collectively, providing new paradigms for our interpersonal relationships, societal institutions, and global affairs. The act of unconditional surrender to the unknown—without reservation or hesitation—is what transforms every circumstance into something that benefits us all. And according to Rev. Deborah L. Johnson, it happens with one sacred word ... Yes. NOTE: Also available on CD
