And everything that is experienced has been by your choice. And at no time has there been any other cause." His invitation to us is to wake up from every illusion that we have ever been separate from God, and to remember the deepest Truth of who we are: Christ. This is the only authorized version, precisely it was first given and including

the original question and answer sections. Nothing has been added in the transition from audio to text: no chapter titles appear, nor themes given to sub-sections - for He gave none. As crazy as this will sound to some, Jeshua ben Joseph (the authentic name for Jesus) began communicating a contemporary version of his teachings through numerous channels in the twentieth century. This game changing process is ongoing. No longer do we have to rely on inaccurate ancient documents in attempts to garner the vast wisdom of Jeshua. Just as he did 2,000 years ago, he promotes a message of spirituality and Love versus fear-based dogma. This inspirational and extensive body of information conveys

a 21st century version of his teachings, void of the Christian misinformation that has distorted his message for 2,000 years. It is noteworthy that his teachings mirror 21st century quantum-based, single field principles. Physicists often refer to this as the Unified Field Theory. The scientific underpinnings of Jeshua's message about God, who we are and why we are here are mind boggling. Three of his many channeled books are referred to as The Way of Mastery series; The Way of the Heart, The Way of Transformation and The

Way of Knowing. Jeshua's stated purpose was "to provide a pathway that can carry any soul from its first stirrings to awaken, all the way to a mature manifestation of the Christ energy..".also known as enlightenment, ascension, Oneness Consciousness and/or Christ Consciousness.For lack of a better description, The Way of Mastery series is Jeshua's contemporary correspondence course. As only Jeshua can do, he communicates a step by step approach to understand and then transcend the challenges of the third	dimension of Earth. Jeshua's course instructions include taking notes on what each student perceives as his most important teachings. This element of his instructions were expanded, and major portions of his texts were converted into a first person, positive affirmation format. You will be amazed at the positive effects of a few deep calming breaths combined with just a page of Jeshua's affirmations. This practice will assist anyone in making the shift to their natural enlightened state. Anyone can use this personalization of Jeshua's path to	Jeshua's enlightenment as a tool to retrain your mind, engraining his wisdom into your consciousness, and thereby assist you in owning and living the energy of his wisdom.This book (Part I) is organized in the same sequence of Lessons found in The Way of the Heart. Two additional books (Part II and III), in the same affirmation format, will be produced for the second and third books of The Way of Mastery course. References to many of Jeshua's exercises, the importance of which cannot be overstated, are also present.

<u>Faith, Facts, and</u> <u>Fiction</u> Sounds True "I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life – the true story of my life." The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and, therefore, the transformation of	your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you	must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in your world, a change in the subjective world that

is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to

understand the truth, and you will begin this reconditioning, this retooling of your mind – of your thoughts and beliefs – on this subject of my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. – Jesus

Before she died, Theanna (then Sara Lonsdale) developed a means to continue communication with her husband Ellias. Her words from beyond death's doors first appeared in The Book of Theanna, an introduction to the many realms of consciousness. Now Ellias has gathered and transcribed The Christ Letters, a collection of detailed accounts of Theanna's encounters with the Christ presence, transmitted at Christmas and Easter time over the course of several years. Drawing deeply on the feminine aspect of consciousness and

framing her discussion around the astrological qualities of each of the seven classical planets, Theanna reexamines the figure of Christ and his teachings, exploding the myths imposed on Christ by church-based Christianity. What emerges is an unusual and inspirational account of the journey each one of us must take, from the darkest places of consciousness to eventual resurrection into the light of redemption. Not just another account of life after death, nor a channeled book in the usual sense, The Christ Letters enacts a virtually ignored method of spiritual communication. Theanna's principal goal is to make her process available

collectively so that from this point on, people will "discover inside their own strength of being a Christ presence, something unexpected and wildly unknown."

The voice of the Divine is as
near to you as your own
breath—just ask. That's what

Reverend Deborah L.

Johnson did in 1995. In a
moment of darkness, there
was nothing she could do but
surrender: "Take me now, oh
Lord." Almost instantly she
heard whispers—and they
turned into more than 300
letters from Spirit. With The
Sacred Yes, Rev. Deborah
offers 54 of these epistles that
provide not only soothing,
affirmative wisdom, but
words that lift us to our
highest place of being. Each

letter is a conversation,
discrete in its own message,
explains Rev.

Johnson—whose Omnifaith
Inner Light Ministries is the
spiritual community of more
than 1,500 people. The
lessons are universal,
addressing the human
condition common to us all.
They provide solace, insight,
and inspiration for our hurts,
fears, hopes, hesitations, and
aspirations. The Sacred Yes
speaks to us individually and
collectively, providing new
paradigms for our
interpersonal relationships,

societal institutions, and global affairs. The act of unconditional surrender to the unknown—without reservation or hesitation—is what transforms every circumstance into something that benefits us all. And according to Rev. Deborah L. Johnson, it happens with one sacred word ... Yes.

Book OneThe Way of the Heart
What if Jeshua (Jesus) appeared
in your living room? In July
1987 He first appeared to
Jayem in a field of Light,
coming closer and closer
"...until his eyes were all I
could see. And then his eyes
seemed to pour right through
me and I felt like I was
dissolving into them, into those
incredibly peaceful eyes." Over
a period of nearly two years
Jeshua appeared many times
and gave ' dictation ', which
Jayem scribbled down as fast as
he could. Eventually He asked
Jayem to publish it as 'The
Jeshua Letters' and this book

emerged. It is the start of an astounding body of work given by Jeshua (called The Way of Mastery) which restore the essential truths of His original teachings, previously 'lost in translation' in their passage from Aramaic to English.

Jeshua's 'Letters' are simple, profound and practical. His voice is certain but always gentle; inviting, never demanding. To read them is know beyond doubt - to know palpably - that Truth is being expressed
