[One of Seven Parts from Grudem's Systematic Theology](#) Zondervan Academic

Long-Awaited Systematic Theology by Well-Known Pastor, Author, and President of the Master's Seminary Doctrine isn't just for theologians—it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader—with non-technical vocabulary, minimal footnotes, and a helpful bibliography—this volume offers Christians a solid foundation for what they believe and why.

Christian Beliefs: Twenty Basics Every Christian Should Know (Russian) Crossway

In this twelve-session LifeGuide Bible Study, Stephen Eyre introduces what you need to know about God, Christ, the Holy Spirit, human nature, sin, salvation, holiness, the church, mission, revelation and the last things.

5 Ways It Diminishes the Gospel Zondervan

Zondervan Get an A! Study Guides provide trustworthy information and easy access. Six pages packed with critical information provide an ideal study aid for students and a quick, helpful reference for pastors. Information on the sheets comes from Dr. Wayne Grudem's popular Bible Doctrine, a basic introduction with a strong emphasis on the scriptural basis for each doctrine and teaching, clear writing, frequent application to life, and a contemporary approach to subjects of special interest to the church today.

Theistic Evolution Crossway

Twenty Great Truths, originally published as Theological Clarity and Application, is an interactive leadership development workbook based on Wayne Grudem's book, Christian Beliefs: Twenty Basics Every Christian Should Know (Grand Rapids: Zondervan, 2005) with reference to Grudem's Systematic Theology (Grand Rapids: Zondervan, 1994).

An Introduction to Biblical Doctrine Zondervan Academic

"This is Mark Jones at his best. In twenty-seven concise chapters, God Is invites, equips, edifies, comforts, and challenges God's people to know God better and love him more." —Rosaria Butterfield, Former Professor of English, Syracuse University; author, The Secret Thoughts of an Unlikely Convert
God has revealed many things about himself in his Word. But God's manifold attributes shine most clearly in his Son, Jesus Christ, who came to reveal his Father. Through Christ's saving work on the cross, we are able to know and worship God rightly. This book aims to help us study and understand the attributes of God so that we delight in and love him with all our heart, soul, strength, and mind. Each chapter explains one attribute, shows how it is most clearly manifested in Christ, and provides practical application for the Christian life.

20 Life Transforming: Study Guide Crossway

Derived from Wayne Grudem's perennial bestseller, Systematic Theology, this digital short presents in detail the Bible's teaching on sin and atonement. In the wake of debates about the nature and meaning of Christ's death on the Cross, Grudem's clear thinking and communication will help readers to better understand what the Bible says and why it matters for their faith. Both instructional and edifying, Sin and Atonement is an accessible resource on a bedrock element of Christian theology.

[A Zondervan Digital Short](#) Zondervan

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

Bible Doctrine, Second Edition Createspace Independent Publishing Platform

This new edition of Systematic Theology by Wayne Grudem may be the most important resource you can own for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology by Wayne Grudem has been thoroughly revised and expanded (all 57 chapters) for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. Praise for the second edition: "After a quarter century of remarkable usefulness globally... it remains remarkable. I thank God for this precious gift to Christ's people worldwide." —John Piper "Stands out for its clarity and accessibility." —Thomas R. Schreiner "One of those rare works that can challenge the scholar and instruct the beginner... It is simply indispensable." —Jack Deere With nearly 250 pages of new content and revisions that took several years, this new edition now includes the following distinctive features, making it even better: Updated, fuller analysis of several recent controversies within evangelicalism, including the eternal relationship between the Father and the Son in the Trinity, the question of God's atemporal eternity, the role of women in the church, "seeker-sensitive" churches, miraculous gifts of the Holy Spirit, and contemporary worship music New, thoughtful critiques of open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism (with extensive interaction with the Catechism of the Roman Catholic Church),

Protestant liberalism, and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as "only begotten" rather than merely "only" (this is a change from the first edition) A contemporary worship song added at the end of each chapter (while retaining the traditional hymns as well) New discussion on the impassibility of God An extensive discussion on the eternal submission of the Son to the Father, taking into account controversies in recent years Updated section on contemporary worship music A discussion of recent criticisms of the penal substitutionary view of the atonement Numerous other updates and corrections that have been prompted by letters and emails from people around the world and by interaction with the students Wayne has taught over the last 26 years both at Trinity Evangelical Divinity School and at Phoenix Seminary Part of the brilliance of Systematic Theology over the years has been its simplicity and ease of use. Each chapter follows the same structure. First, there is discussion of the doctrine being considered, such as justification or the Trinity or the deity of Christ. An explanation of that doctrine's biblical support and possible objections follow. Personal application and key terms to know for personal growth are then provided. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you are someone who thinks theology is hard to understand or boring, then this new edition of Systematic Theology will likely change your mind.

An Introduction to Biblical Moral Reasoning Crossway

Christian Essentials Made Plain and Simple God doesn't call every Christian to go off to seminary, but there are certain matters of doctrine—that is, the church's teaching—that every Christian simply must know. Theology is important because what we believe affects how we live. If you're a relatively new believer in Jesus, or if you're a more mature Christian looking for a quick brush-up on basics of the faith, Christian Beliefs is for you. This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book on systematic theology, prized by pastors and teachers everywhere. He and his son, Elliot, have boiled down the essentials of Christian theology for the average layperson and made them both clear and applicable to life. You will learn about the Bible, the characteristics of God, what it means that we are created in the image of God, what God has done for us in Christ, the purpose of the church, and much more.

Each chapter includes questions for personal review or group discussion. These truly are twenty basic beliefs that every Christian should know. Wayne Grudem is a master teacher with the ability to explain profound truths in simple language. He is a man of deep conviction and theological passion—and those who read this book will be both educated and encouraged in the faith. R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary, Louisville, Kentucky Based on Systematic Theology, this summary will certainly help beginners with Christ to get the hang of their faith. J. I. Packer, Regent College, Vancouver, British Columbia As Wayne Grudem's Systematic Theology contracts into a compact book, I do not lose my enthusiasm for the truth he loves and the clarity of his words. John Piper, Bethlehem Baptist Church, Minneapolis, Minnesota

[Essentials of Christian Theology](#) Zondervan Academic

A variety of perspectives exist within the Christian community when it comes to political issues and political involvement. This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life so Christians should be involved in political issues. In brief, this is an analysis of conservative and liberal plans to do good for the nation, evaluated in light of the Bible and common sense. In this ground-breaking book, recognized evangelical Bible professor Wayne Grudem rejects five mistaken views about Christian influence on politics: (1) "compel religion," (2) "exclude religion," (3) "all government is demonic," (4) "do evangelism, not politics," and (5) "do politics, not evangelism." He proposes a better alternative: (6) "significant Christian influence on government." Then he explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad government. Does the Bible support some form of democracy? Should judges and the courts hold the ultimate power in a nation? With respect to specific political issues, Grudem argues that most people's political views depend on deep-seated assumptions about several basic moral and even theological questions, such as whether God exists, whether absolute moral standards can be known, whether there is good and evil in each person's heart, whether people should be accountable for their good and bad choices, whether property should belong to individuals or to society, and whether the purpose of the earth's resources is to bring benefit to mankind. After addressing these foundational questions, Grudem provides a thoughtful, carefully-reasoned analysis of over fifty specific issues dealing with the protection of life, marriage, the family and children, economic issues and taxation, the environment, national defense, relationships to other nations, freedom of speech and religion, quotas, and special interests. He makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

A Biblical Case Against Theistic Evolution InterVarsity Press

Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison's 50 Core Truths of the Christian Faith. This volume covers foundational doctrines of the nature and works of God, the Bible, God's created beings, Jesus, the Holy Spirit, salvation, the church, and the end times. And each chapter features clear guidance for how to teach and apply the doctrine today. Pastors, Sunday school teachers, and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology.

[Understanding the Big Picture of the Bible](#) Zondervan Academic

How do I get more out of my Bible reading? What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to: See the big-picture storyline of the Bible Understand the theology of the Old and New Testaments Read the different sections of Scripture effectively Know what happened between the testaments In addition to essays on each genre of the Bible, the book addresses the general Greco-Roman world and specific Jewish groups at the time of the New Testament. To

aid in putting Bible passages in context, it also includes timelines of the Old and New Testaments and intertestamental events. Useful as both a general overview of the Bible and as a tool for more specific reference and training, this book will help you grow in your understanding of Scripture and your ability to apply the Bible to life.

Systematic Theology Zondervan Academic

Scripture is the foundation for all of Christian life and ministry, but in our current age it is being challenged, doubted, and, in many cases, simply ignored. Wayne Grudem, one of evangelicalism's best-known theologians and authors, has worked tirelessly throughout his life to demonstrate the necessity, sufficiency, and centrality of Scripture. In his honor, Grudem's friends and colleagues, including John Piper, Thomas R. Schreiner, Sam Storms, Vern S. Poythress, John M. Frame, Gregg R. Allison, Erik Thoennes, and John DelHousaye, have compiled a series of essays on various topics central to Grudem's life and teaching. Exploring topics such as the nature of Scripture, the relationship between Scripture and doctrine, and the role of Scripture in life and ministry, this volume stands as a testimony to the enduring worth of God's Word.

A Personal Encounter Crossway

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

Christian Beliefs Zondervan

This splendid introductory textbook for Christian theology presents two essays by leading scholars on each of the major theological questions. William Placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts.

Bible Doctrine Crossway

By critically examining the writings of egalitarians, Grudem shows that, while egalitarian leaders claim to be subject to Scripture in their thinking, what is increasingly evident in their actual scholarship and practice is an effective rejection of the authority of Scripture. Egalitarianism is heading toward an Adam who is neither male nor female, a Jesus whose manhood is not important, and a God who is both Father and Mother, and then maybe only Mother. The common denominator in all of this is a persistent undermining of the authority of Scripture in our lives. Grudem's conclusion is that we must choose either evangelical feminism or biblical truth. We can't have it both ways!

A Scientific, Philosophical, and Theological Critique Zondervan

In *Knowing God by Name: A Personal Encounter*, author Mary Kassian focuses on 35 Hebrew names of God that describe His character, His relationships, and His purpose.

Study Questions and Practical Exercises for Learning the Essential Teachings of the Christian Faith Zondervan Academic

Must the gospel message include a call for people to repent of their sins? "No," say Free Grace advocates. Is evidence of a changed life an important indication of whether a person is truly born again? "No, again," these advocates say. But in this book, Wayne Grudem shows how the Bible answers "Yes" to both of these questions, arguing that the Free Grace movement contradicts both historic Protestant teaching and the New Testament itself. This important book explains the true nature of the Christian gospel and answers the question asked by so many people: "How can I know that I'm saved?"

Twenty Great Truths Crossway

This STUDY GUIDE is a companion resource to Wayne Grudem's *Christian Beliefs*, revised edition. Not every Christian needs to go to seminary, but there are certain teachings of the Bible that every Christian should know. Whether you're a relatively new believer in Jesus or a mature Christian looking for a better understanding of basics of the faith, the *Christian Beliefs Study Guide* can help you reflect on and deeply internalize the core teachings of Christianity, when used in conjunction with *Christian Beliefs*, revised edition (sold separately). This STUDY GUIDE will help you think through important topics like: The Bible and its authority for our lives The characteristics of God The importance of prayer Angels and the reality of spiritual warfare What it means that we are created in the image of God What God has done for us in Christ The purpose of the church What happens when Christ returns The biblical understanding of heaven And much more Chapter by chapter, this STUDY GUIDE will lead you to examine and reflect on *Christian Beliefs*, revised edition (sold separately), by providing: Summary: A short summary of the chapter to help remind readers what they read. Key terms: Definitions of important terminology introduced in the chapter. Key quotes: Selection of one or two key quotes from the chapter. Central Scripture Passage: An important biblical passage related to the chapter for reflection or memorization. Content Questions: Questions that reflect on the theological content of the chapter. Practical Application Questions: Questions that help tie the theological content of the chapter to real-life situations. For Further Reading: Lists where to find more information on theological topics in *Systematic Theology*, second edition, by Wayne Grudem so readers know where to go for a deeper dive into specific subjects they want to know more about. The *Christian Beliefs Study Guide* is the ideal resource for every Christian who wants a solid foundation for understanding the most basic and essential teachings of the Bible.

A Response to Evangelical Feminism Crossway

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.
