We Can Build You Vintage

Two countries formerly at war must come together to protect their people in this biting satire on the military industrial complex from the critically acclaimed Philip K. Dick.

Solar Lottery Createspace Independent Publishing Platform

The inspiration for the film Total Recall, starring Colin Farrell and Kate Beckinsale, and directed by Len Wiseman. This ebook-only edition of Philip K. Dick's classic

short story tells the story of Douglas Quail, an unfulfilled bureaucrat who dreams of visiting Mars, but can't afford the trip. Luckily, there is Rekal Incorporated, a company that lets everyday stiffs believe they've been on incredible adventures. The only problem is that when technicians attempt a memory implant of a spy mission to Mars, they find that real memories of just such a trip are already in Quail's brain.

Suddenly, Quail is running for his life from government agents, but his memories might make him more of a liability than he is worth. Originally published as "We Can Remember It For You Wholesale."

Isaac Asimov Presents the Great SF Stories, 25 (1963) Macmillan Mars is a desolate world. Largely forgotten by Earth, the planet

remains helpless in the stranglehold of Arnie Kott, who as boss of the plumber's union has a monopoly over the vital water supply. Arnie Kott is obsessed by the past; the native Bleekmen, poverty-stricken wanderers, can see into the future; while to Manfred, an autistic boy, time apparently stops. When one of the colonists, Norbert Steiner, commits suicide, the repercussions are startling and bizarre.

Novels by Philip K. Dick
HarperCollins

Learn how to code while you write programs that effortlessly perform useful feats of automation! The second edition of this

international fan favorite includes a brand-new chapter on input validation, Gmail and Google Sheets automations, tips for updating CSV files, and more. If you've ever spent hours renaming files or updating spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? Automate the Boring Stuff with Python, 2nd Edition teaches even the technically uninclined how to write programs that do in minutes what would take hours to do by hand—no prior coding experience required! This new, fully revised edition of Al Sweigart's bestselling Pythonic classic, Automate the Boring Stuff with Python, covers all the basics of Python 3 while exploring its rich library of modules for performing specific tasks,

like scraping data off the Web, filling out forms, renaming files, organizing folders, sending email responses, and merging, splitting, or encrypting PDFs. There's also a brand-new chapter on input validation, tutorials on automating Gmail and Google Sheets, tips on automatically updating CSV files, and other recent feats of automations that improve your efficiency. Detailed, step-by-step instructions walk you through each program, allowing you to create useful tools as you build out your programming skills, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Boring tasks no longer have to take to get through—and neither does learning Python!

Dr Bloodmoney Houghton Mifflin Harcourt
A techno-thriller with a biting wit that compares the humanity of man and machine, from the critically acclaimed novelist Philip K. Dick.

Blade Runner Tachyon Publications
In *The Novels of Philip K. Dick*, Kim Stanley Robinson says that "In Milton Lumky Territory . . . is probably the best of Dick's realist novels aside from *Confessions of a Crap Artist*," and calls it a "bitter indictment of the effects of capitalism." Dick, on the other hand, in his forward, says "This is actually a very funny book, and a good one, too." Milton Lumky territory is both an area of the western USA and a psychic terrain: the world and world-view of the traveling salesman. The story takes place in Boise, Idaho, with some extraordinary long-distance driving sequences in which our hero (young Bruce Stevens) drives from Boise to San Francisco, to Reno, to Pocatello, to Seattle, and back to Boise in search of a good deal on some wholesale typewriters. He falls under the spell of an attractive older woman, and of

Milton Lumky, a middle-aged paper salesman whose territory is the Northwest. And then Bruce and the others slowly sink into the whirlpool of Bruce's immature personal obsessions and misperceptions. A compassionate and ironic portrayal of three characters enmeshed in a sticky web of everyday events, who have a basic failure to communicate, *In Milton Lumky Territory* stands out among Dick's early works.

The Philip K. Dick Reader Vintage

The Man Whose Teeth Were All Exactly Alike was written by Philip K. Dick in the winter and spring of 1960, in Point Reyes Station, California. In the sequence of Dick's work, *The Man Whose Teeth* was written immediately after *Confessions of a Crap Artist*; the next book Dick wrote was *The Man in the High Castle*, the Hugo Award-winning science fiction novel that ushered in the next stage of Dick's career. This novel, Dick said, is about Leo Runcible, "a brilliant, civic-minded liberal Jew living in a rural WASP town in Marin County, California." Runcible, a real estate agent involved in a local battle with a neighbor, finds what look like Neanderthal bones and dreams of rising real estate prices because of the publicity. In Milton Lumky Territory Tor Books
This early work by Philip K. Dick was originally published in 1954 and we are now republishing it with a brand new introductory biography. 'Shell Game' is a short story about a group of mental patients shipwrecked on an alien planet. Philip Kindred Dick was born on December 16 1928, in Chicago, Illinois. Dick and his family moved to the Bay Area of San Francisco when he was young, and later on to Washington DC following his parents divorce. Dick attended Elementary school and then a Quaker school before the family moved back to California. It was around this time that Dick began to take an active interest in the science fiction genre, reading his first magazine 'Stirring Science Stories', at age twelve. Dick married five times between 1959 and 1973, and had three children. He sold his first story in 1951 and from that point on he wrote full-time, selling his first novel in 1955. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction

magazines during his lifetime. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. After his death, many of his stories made the transition to the big screen, with blockbuster films such as *Blade Runner*, *Total Recall* and *Minority Report* being based on his works. [*The Man Whose Teeth Were All Exactly Alike*](#) Houghton Mifflin Harcourt A fantastical, fast-paced science fiction novel of mystery and action from award-winning novelist Philip K. Dick. [*The Exegesis of Philip K Dick*](#) HarperCollins
Set in San Francisco in the late 1950s, *Humpty Dumpty* in Oakland is a tragicomedy of misunderstandings among used car dealers and real-estate salesmen: the small-time, struggling individuals for whom Philip K. Dick always reserved his greatest sympathy. Jim Fergesson is an elderly garage owner with a heart condition, who is about to retire; Al Miller is a somewhat feckless mechanic who sublets part of Jim's lot and finds his livelihood threatened by the decision to

sell; Chris Harman is a record-company owner who for years has relied on Fergesson to maintain his cars. When Harman hears of Fergesson's impending retirement he tips him off to what he says is a cast-iron business proposition: a development in nearby Marin County with an opening for a garage. Al Miller is convinced that Harman is a crook, out to fleece Fergesson of his life's savings. As much as he resents Fergesson he can't bear to see it happen and--denying to himself all the time what he is doing--he sets out to thwart Harman. Kafka on the Shore Carroll & Graf Pub
The stranger-than-fiction story of the ingenious creation and loss of an artificially intelligent android of science-fiction writer Philip K. Dick In late January 2006, a young robotocist on the way to Google headquarters lost an overnight bag on a flight somewhere between Dallas and Las Vegas. In it was a fully functional head of the android replica of Philip K. Dick, cult science-fiction writer and counterculture guru. It has never been recovered. In a story that echoes some of the most

paranoid fantasies of a Dick novel, readers get a fascinating inside look at the scientists and technology that made this amazing android possible. The author, who was a fellow researcher at the University of Memphis Institute of Intelligent Systems while the android was being built, introduces readers to the cutting-edge technology in robotics, artificial intelligence, and sculpture that came together in this remarkable machine and captured the imagination of scientists, artists, and science-fiction fans alike. And there are great stories about Dick himself—his inspired yet deeply pessimistic worldview, his bizarre lifestyle, and his enduring creative legacy. In the tradition of popular science classics like *Packing for Mars* and *The Disappearing Spoon*, *How to Build an Android* is entertaining and informative—popular science at its best. *The Game-Players of Titan* Houghton Mifflin Harcourt

Includes the stories that inspired the movies *Total Recall*, *Screamers*, *Minority Report*, *Paycheck*, and *Next* "More than anyone else in the field, Mr. Dick really puts you inside people's minds." --*The Wall Street Journal* *The Philip K. Dick Reader* Many thousands of readers

consider Philip K. Dick the greatest science fiction mind on any planet. Since his untimely death in 1982, interest in Dick's works has continued to mount, and his reputation has been further enhanced by a growing body of critical attention. The Philip K. Dick Award is now given annually to a distinguished work of science fiction, and the Philip K. Dick Society is devoted to the study and promulgation of his works. Dick won the prestigious Hugo Award for the best novel of 1963 for *The Man in the High Castle*. In the last year of his life, the film *Blade Runner* was made from his novel *Do Androids Dream of Electric Sheep?* This collection includes some of Dick's earliest short and medium-length fiction, including *We Can Remember It for You Wholesale* (the story that inspired the motion picture *Total Recall*), *Second Variety* (which inspired the motion picture *Screamers*), *Paycheck*, *The Minority Report*, and twenty more.

The Search for Philip K. Dick Houghton Mifflin Harcourt

The Eyes Have It by Philip K. Dick A smart play on common English idioms, "The Eyes Have It" tells of a narrator who discovers hidden references to an invading alien race between the covers of his paperback book. Philip K. Dick was an American science-fiction novelist, short-story writer and essayist. His first short story, "Beyond Lies the Wub," was published shortly after his high school graduation. Some of his most famous short stories were adapted for film, including "The Minority Report," "Paycheck," "Second Variety" (adapted into the film *Screamers*) and "We Can Remember It For You Wholesale" (adapted into the film *Total Recall*). HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library. We are delighted to publish this classic book as part of our extensive

Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

fiction novelist Philip K. Dick.

The Cosmic Puppets Hachette UK
In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.
I Hope I Shall Arrive Soon Houghton Mifflin Harcourt

Offering an intimate perspective on the life of an important, prolific author, this revealing biography uncovers the inner workings of a cult figure through his tumultuous relationship with his third wife. Brilliant and charismatic, Philip K. Dick was known as a loyal friend, father, and husband, as well as a talented science fiction writer. His six-year marriage to the woman he described as "the love of his life" and his intellectual equal was full of passion—the meeting of soul mates. But behind the façade of an untroubled life was a man struggling with his demons, unable to trust anyone, and reliant upon his charm to navigate his increasingly dark reality and descent into drugs and madness. Exposing

personal details of their married life as well as the ways he continued to haunt her even after their relationship collapsed, Anne Dick provides thorough research combined with personal memories of this mysterious man.
