We Have Always Lived in the Castle Liveright Publishing

Nina, one of the few descendants of human colony on Mars that was abandoned by Earth, is surprised to discover that she can breathe the toxic atmosphere of the Martian surface. The crew, thinking that their attempts at terraforming and breeding for Martian adaptability have finally payed off, rejoice at the prospect of a brighter future. But Nina's about to unlock the mystery of the disaster that stranded them on Mars... and nothing will ever be the same. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Dark Tales** Putnam Publishing Group

Abandoned by their parents, Catherine and her brother,

Rob, are left to the care of their mysterious grandfather, living in an enclosed and stifling world, where their only solace is their relationship with each other.

The Bird's Nest, Life Among the Savages, Raising Demons, and Eleven Short Stories, including The Lottery Penguin

"To the people on the island, a disappeared thing no longer has any meaning. It can be burned in the garden, thrown in the river or handed over to the Memory Police. Soon enough, the island forgets it ever existed. When a young novelist discovers that her editor is in danger of being taken away by the Memory Police, she desperately wants to save him. For some reason, he doesn't forget, and it's becoming increasingly difficult for him to hide his memories. Who knows what will vanish next?"--

A Spell of Winter Tor Books

A man's obsession with a silent-film star sends him on a journey into a shadow world of lies, illusions, and unexpected love Six months after losing his wife and two young sons in an airplane crash, Vermont professor David Zimmer spends his waking hours mired in a blur of alcoholic grief and self-pity. Then, watching television one night, he

---

stumbles upon a clip from a lost silent film by comedian Hector Mann. Zimmer's interest is piqued, and he soon finds himself embarking on a journey around the world to research a book on this mysterious figure, who vanished from sight in 1929 and has been presumed dead for sixty years. When the book is published the following year, a letter turns up in Zimmer's mailbox bearing a return address from a small town in New Mexico—supposedly written by Hector's wife. "Hector has read your book and would like to meet you. Are you interested in paying us a visit?" Is the letter a hoax, or is Hector Mann still alive? Torn between doubt and belief, Zimmer hesitates, until one night a strange woman appears on his doorstep and makes the decision for him, changing his life forever. This stunning novel plunges the reader into a universe in which the comic and the tragic, the real and the imagined, the violent and the tender dissolve into one another. With *The Book of Illusions*, one of America's most powerful and original writers has written his richest, most emotionally charged work yet.

#### Last of Her Name Macmillan

For the first time in one volume, a collection of Shirley Jackson's scariest stories, with a foreword by PEN/Hemingway Award winner Ottessa Moshfegh. After the publication of her short story "The Lottery" in the *New Yorker* in 1948 received an unprecedented amount of attention, Shirley Jackson was quickly established as a master horror storyteller. This collection of classic and newly reprinted stories provides readers with more of her unsettling, dark tales, including the "The Possibility of Evil" and "The Summer People." In these deliciously dark stories, the daily commute turns into a nightmarish game of hide and seek, the loving

wife hides homicidal thoughts and the concerned citizen might just be an infamous serial killer. In the haunting world of Shirley Jackson, nothing is as it seems and nowhere is safe, from the city streets to the crumbling country pile, and from the small-town apartment to the dark, dark woods. There's something sinister in suburbia. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

(Penguin Classics Deluxe Edition) McFarland

Winner • National Book Critics Circle Award (Biography) Winner • Edgar Award (Critical/Biographical) Winner • Bram Stoker Award (Nonfiction) A New York Times Notable Book A Washington Post Notable Nonfiction Pick of the Year Named one of the Best Books of the Year by Entertainment Weekly, NPR, TIME, Boston Globe, NYLON, San Francisco Chronicle, Seattle Times, Kirkus Reviews, and Booklist In this "thoughtful and persuasive" biography, award-winning biographer Ruth Franklin establishes Shirley Jackson as a "serious and accomplished literary artist" (Charles McGrath, *New York Times Book Review*). Instantly heralded for its "masterful" and "thrilling" portrayal (*Boston Globe*), Shirley Jackson reveals the tumultuous life and inner darkness of the literary genius behind such classics as "The Lottery" and *The Haunting of Hill House*. In this "remarkable act of reclamation" (Neil Gaiman), Ruth Franklin envisions Jackson as "belonging to the great tradition of Hawthorne, Poe and James" (*New York Times Book Review*) and demonstrates how her unique contribution to the canon "so uncannily channeled women's nightmares and contradictions that it is 'nothing less than the secret history of American women of her era'" (*Washington Post*). Franklin investigates the "interplay between the life, the work, and the times with real skill and insight, making this fine book a real contribution not only to

---

biography, but to mid-20th-century women ' s history ” (Chicago Tribune).

“ Wisely rescu[ing] Shirley Jackson from any semblance of obscurity ” (Lena Dunham), Franklin ' s invigorating portrait stands as the definitive biography of a generational avatar and an American literary genius.

The Shirley Jackson Collection Farrar, Straus and Giroux (BYR)

The Land of Stories meets Dominican myths and legends come to

life in Pilar Ramirez and the Escape from Zafa, a blockbuster

contemporary middle-grade fantasy duology starter from Julian

Randall. Fans of Tristan Strong and The Storm Runner, here is your

next obsession. "A breathtaking journey . . . readers better hold on

tight." —Kwame Mbalia, New York Times bestselling author of the

Tristan Strong series Twelve-year-old Pilar Violeta “ Purp ”

Ramirez ' s world is changing, and she doesn ' t care for it one bit.

Her Chicago neighborhood is gentrifying and her chores have

doubled since her sister, Lorena, left for college. The only constant is

Abuela and Mami ' s code of silence around her cousin

Natasha—who vanished in the Dominican Republic fifty years ago

during the Trujillo dictatorship. When Pilar hears that Lorena ' s

professor studies such disappearances, she hops on the next train to

dig deeper into her family's mystery. After snooping around the

professor's empty office, she discovers a folder with her cousin ' s

name on it . . . and gets sucked into the blank page within. She lands

on Zafa, an island swarming with coconut-shaped demons, butterfly

shapeshifters, and a sinister magical prison where her cousin is being

held captive. Pilar will have to go toe-to-toe with the fearsome

Dominican boogeyman, El Cuco, if she has any hope of freeing

Natasha and getting back home. "Magic awaits around every corner

in Zafa. Nonstop action and plenty of heart create a story worth

escaping into." —Kirkus Reviews, starred review

Diableries Vintage

Shirley Jackson's chilling second novel, based on her own

experiences and an actual mysterious disappearance Seventeen-year-

old Natalie Waite longs to escape home for college. Her father is a

domineering and egotistical writer who keeps a tight rein on Natalie

and her long-suffering mother. When Natalie finally does get away,

however, college life doesn ' t bring the happiness she expected.

Little by little, Natalie is no longer certain of anything—even where

reality ends and her dark imaginings begin. Chilling and suspenseful,

Hangsaman is loosely based on the real-life disappearance of a

Bennington College sophomore in 1946. For more than seventy

years, Penguin has been the leading publisher of classic literature in

the English-speaking world. With more than 1,700 titles, Penguin

Classics represents a global bookshelf of the best works throughout

history and across genres and disciplines. Readers trust the series to

provide authoritative texts enhanced by introductions and notes by

distinguished scholars and contemporary authors, as well as up-to-

date translations by award-winning translators.

I Guess I Haven't Learned That Yet Farrar, Straus and Giroux

Their friendship compromised by the belief systems of the racially charged

1970s, Dylan Ebdus and Mingus Rude share a series of misadventures based on

their mutual obsession with comic-book heroes. By the author of Motherless

Brooklyn. Reader's Guide available. Reprint. 100,000 first printing.

AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World,

Where Are You is a new novel by Sally Rooney, the bestselling author of

Normal People and Conversations with Friends. Alice, a novelist, meets

Felix, who works in a warehouse, and asks him if he ' d like to travel to

---

Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Private Demons The Creative Company

**NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR •**  
From the renowned author of “The Lottery” and *The Haunting of Hill House*, a spectacular new volume of previously unpublished and uncollected stories, essays, and other writings. Features “Family Treasures,” nominated for the Edgar Award for Best Short Story. Shirley Jackson is one of the most important American writers of the last hundred years. Since her death in 1965, her place in the landscape of twentieth-century fiction has grown only more exalted. As we approach the centenary of her birth comes this astonishing compilation of fifty-six pieces—more than forty of which have never been published before. Two of Jackson’s children co-edited this volume, culling through the vast archives of their mother’s papers at the Library of Congress, selecting only the very best for inclusion. *Let Me Tell You* brings together the deliciously eerie short stories Jackson is best known for, along with frank, inspiring lectures on writing; comic essays about her large, boisterous family; and whimsical drawings. Jackson’s landscape here is most frequently domestic: dinner parties and bridge, household budgets and homeward-bound commutes, children’s games and neighborly

gossip. But this familiar setting is also her most subversive: She wields humor, terror, and the uncanny to explore the real challenges of marriage, parenting, and community—the pressure of social norms, the veins of distrust in love, the constant lack of time and space. For the first time, this collection showcases Shirley Jackson’s radically different modes of writing side by side. Together they show her to be a magnificent storyteller, a sharp, sly humorist, and a powerful feminist. This volume includes a Foreword by the celebrated literary critic and Jackson biographer Ruth Franklin. Praise for *Let Me Tell You* “Stunning.” —*O: The Oprah Magazine* “Let us now—at last—celebrate dangerous women writers: how cheering to see justice done with [this collection of] Shirley Jackson’s heretofore unpublished works—uniquely unsettling stories and ruthlessly barbed essays on domestic life.” —*Vanity Fair* “Feels like an uncanny dollhouse: Everything perfectly rendered, but something deliciously not quite right.” —NPR “There are . . . times in reading [Jackson’s] accounts of desperate women in their thirties slowly going crazy that she seems an American Jean Rhys, other times when she rivals even Flannery O’Connor in her cool depictions of inhumanity and insidious cruelty, and still others when she matches Philip K. Dick at his most hallucinatory. At her best, though, she’s just incomparable.” —*The Washington Post* “Offers insights into the vagaries of [Jackson’s] mind, which was ruminant and generous, accommodating such diverse figures as Dr. Seuss and Samuel Richardson.” —*The New York Times Book Review* “The best pieces clutch your throat, gently at first, and then with growing strength. . . . The whole collection has a timelessness.” —*The Boston Globe* “[Jackson’s] writing, both fiction and nonfiction, has such

---

enduring power—she brings out the darkness in life, the poltergeists shut into everyone ’ s basement, and offers them up, bringing wit and even joy to the examination. ” —USA Today “ The closest we can get to sitting down and having a conversation with . . . one of the most original voices of her generation. ” —The Huffington Post

Essays on the Literary Legacy Zondervan

We Have Always Lived in the Castle Dramatists Play Service Inc

The Words in My Hands Springer

From the acclaimed author of *Imagine Wanting Only This*—a timely and moving meditation on isolation and longing, both as individuals and as a society *There is a silent epidemic in America: loneliness.*

Shameful to talk about and often misunderstood, loneliness is everywhere, from the most major of metropolises to the smallest of towns. In *Seek You*, Kristen Radtke's wide-ranging exploration of our inner lives and public selves, Radtke digs into the ways in which we attempt to feel closer to one another, and the distance that remains. Through the lenses of gender and violence, technology and art, Radtke ushers us through a history of loneliness and longing, and shares what feels impossible to share. Ranging from the invention of the laugh-track to the rise of Instagram, the bootstrap-pulling cowboy to the brutal experiments of Harry Harlow, Radtke investigates why we engage with each other, and what we risk when we turn away. With her distinctive, emotionally-charged drawings and deeply empathetic prose, Kristen Radtke masterfully shines a light on some of our most vulnerable and sublime moments, and asks how we might keep the spaces between us from splitting entirely.

*The Life of Shirley Jackson* Penguin

A clear-eyed look at what happens when everything we've been clinging to falls apart--what we keep, what we let go, and how we're transformed along the way.

Just after her fortieth birthday, New York Times bestselling author Shauna Niequist found herself in a season of chaos, change, and loss unlike anything she'd ever experienced. She discovered that many of the beliefs and practices that had been useful up to that point no longer worked. After trying--and failing--to pull herself back up using the same old tools, she realized she required new ones: courage, curiosity, compassion, and self-compassion. She discovered the way through was more about questions than answers, more about forgiveness than force, more about tenderness than trying hard. *I Guess I Haven't Learned That Yet* is a journey of both unlearning what is no longer helpful, embracing curiosity, and accepting the unknowns of midlife, heartbreak, and chronic pain. Niequist writes with characteristic candor and grace about the challenges and delights of a move from the Midwest to Manhattan, and also the challenges and delights of releasing our expectations for how we thought our lives would look. Follow Niequist on her journey to understand grief, to reshape her faith, to practice courage when all she wanted to do was hide. This is a book about learning how to live in a new city, learning how to get back up, and learning how to trust God's goodness in a deeper way.

Farrar, Straus and Giroux

\*\*\*NPR Books We Love 2021 selection\*\*\* “ If you ’ re only going to read one Everest book this decade, make it *The Third Pole*. . . . A riveting adventure. ” —*Outside* Shivering, exhausted, gasping for oxygen, beyond doubt . . . A hundred-year mystery lured veteran climber Mark Synnott into an unlikely expedition up Mount Everest during the spring 2019 season that came to be known as “ the Year Everest Broke. ” What he found was a gripping human story of impassioned characters from around the globe and a mountain that will consume your soul—and your life—if you let it. The mystery? On June 8, 1924, George Mallory and Sandy Irvine set out to stand on the roof of the world, where no one had stood before. They were last seen eight hundred feet shy of Everest ’ s summit still “ going strong ” for the top. Could they have succeeded decades before Sir Edmund Hillary and Tenzing Norgay? Irvine is believed to have carried a Kodak camera with him to record their attempt, but it, along with his body, had never been found. Did the frozen film in that camera have a photograph of Mallory and Irvine on the summit before they disappeared

---

into the clouds, never to be seen again? Kodak says the film might still be viable. . . Mark Synnott made his own ascent up the infamous North Face along with his friend Renan Ozturk, a filmmaker using drones higher than any had previously flown. Readers witness first-hand how Synnott ' s quest led him from oxygen-deprivation training to archives and museums in England, to Kathmandu, the Tibetan high plateau, and up the North Face into a massive storm. The infamous traffic jams of climbers at the very summit immediately resulted in tragic deaths. Sherpas revolted. Chinese officials turned on Synnott ' s team. An Indian woman miraculously crawled her way to frostbitten survival. Synnott himself went off the safety rope—one slip and no one would have been able to save him—committed to solving the mystery. Eleven climbers died on Everest that season, all of them mesmerized by an irresistible magic. The Third Pole is a rapidly accelerating ride to the limitless joy and horror of human obsession.

#### The Lost Dreamer Macmillan

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “ normal, ” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a com-munity, and believing in something better. Published to rave reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, The Words in My Hands is very much a novel for our turbulent times.

The Memory Police Oxford University Press

This rich and varied collection of essays makes a timely contribution to critical debates about the Female Gothic, a popular but contested area of literary studies. The contributors revisit key Gothic themes - gender, race, the body, monstrosity, metaphor, motherhood and nationality - to open up new critical directions.

#### The Missing Girl Random House

From Jessica Khoury, author of the Corpus Trilogy, comes a gripping story of royalty and rebellion, coursing across a far-away star system like a trail of jewels.

#### The Fortress of Solitude Penguin

Before there was Hill House, there was the Halloran mansion of Jackson ' s stunningly creepy fourth novel, The Sundial When the Halloran clan gathers at the family home for a funeral, no one is surprised when the somewhat peculiar Aunt Fanny wanders off into the secret garden. But then she returns to report an astonishing vision of an apocalypse from which only the Hallorans and their hangers-on will be spared, and the family finds itself engulfed in growing madness, fear, and violence as they prepare for a terrible new world. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
