Beyond Combat investigates how the Vietnam War both reinforced and challenged the gender roles that were key components of American Cold War ideology. Refocusing attention onto women and gender paints a more complex and accurate picture of the war's far-reaching impact beyond the battlefields. Encounters between Americans and Vietnamese were shaped by a cluster of intertwined images used to make sense of and justify American intervention and use of force in Vietnam. These images included the girl next door, a wholesome reminder of why the United States was committed to defeating Communism, and the treacherous and mysterious 'dragon lady', who served as a metaphor for Vietnamese women and South Vietnam. Heather Stur also examines the ways in which ideas about masculinity shaped the American GI experience in Vietnam and, ultimately, how some American men and women returned from Vietnam to challenge homefront gender norms.

### A General's Spiritual Journey Simon and Schuster

Each year, the Commandant of the U.S. Marine Corps selects one book that he believes is both relevant and timeless for reading by all Marines. The Commandant's choice for 1993 is *We Were Soldiers Once . . . and Young*. In November 1965, some 450 men of the 1st Battalion, 7th Cavalry, under the command of Lt. Col. Hal Moore, were dropped by helicopter into a small clearing in the Ia Drang Valley. They were immediately surrounded by 2,000 North Vietnamese soldiers. Three days later, only two and a half miles away, a sister battalion was chopped to pieces. Together, these actions at the landing zones X-Ray and Albany constituted one of the most savage and significant battles of the Vietnam War. How these men persevered--sacrificed themselves for their comrades and never gave up--makes a vivid portrait of war at its most inspiring and devastating. General Moore and Joseph Galloway, the only journalist on the ground throughout the fighting, have interviewed hundreds of men who fought there, including the North Vietnamese commanders. This devastating account rises above the specific ordeal it chronicles to present a picture of men facing the ultimate challenge, dealing with it in ways they would have found unimaginable only a few hours earlier. It reveals to us, as rarely before, man's most heroic and horrendous endeavor.

A remarkable memoir of small-unit leadership and the coming of age of a young soldier in combat in Vietnam.' "Using a lean style and a sense of pacing drawn from the tautest of novels, McDonough has produced a gripping account of his first command, a U.S. platoon taking part in the 'strategic hamlet' program. . . . Rather than present a potpourri of combat yarns. . . McDonough has focused a seasoned storyteller's eye on the details, people, and incidents that best communicate a visceral feel of command under fire. . . . For the author's honesty and literary craftsmanship, Platoon Leader seems destined to be read for a long time by second lieutenants trying to prepare for the future, veterans trying to remember the past, and civilians trying to understand what the profession of arms is all about."—Army Times

In the bestselling tradition of Indianapolis and In Harm's Way comes a "captivating...gripping" (Kirkus Reviews, starred review) account of the USS Plunkett—a US Navy destroyer that sustained the most harrowing attack on any Navy ship by the Germans during World War II, later made famous by John Ford and Herman Wouk. "A reflection on the nature of storytelling itself" (The Wall Street Journal), *Unsinkable* traces the individual journeys of five men on one ship from Casablanca in North Africa, to Sicily and Salerno in Italy and then on to Plunkett's defining moment at Anzio, where a dozen-odd German bombers bore down on the ship in an assault so savage, so prolonged, and so deadly that one Navy commander was hard-pressed to think of another destroyer that had endured what Plunkett had. After a three-month overhaul and with a reputation rising as the "fightin'est ship" in the Navy, Plunkett (DD-431) plunged back into the war at Omaha Beach on D-Day, and again into battle during the invasion of Southern France—perhaps the only Navy ship to participate in every Allied invasion in the European theatre. Featuring five incredibly brave men—the indomitable skipper, who will receive the Navy Cross; the gunnery officer, who bucks the captain every step of the way to Anzio; a first lieutenant, who's desperate to get off the ship and into the Pacific; a seventeen-year-old water tender, who's trying to hold onto his hometown girl against all odds, and another water tender, who mans a 20mm gun when under aerial assault—the dramatic story of each plays out on the decks of the Plunkett as the ship's story escalates on the stage of the Mediterranean. Based on Navy logs, war diaries, action reports, letters, journals, memoirs, and dozens of interviews with the men who were on the ship and their families, *Unsinkable* is a timeless evocation of young men stepping up to the defining experience of their lives. "If you were moved by Norman Maclean's *A River Runs Through It*, by William Kent Krueger's *This Tender Land*...by the values we hold dear, decency, sacrifice, steadfastness, then *Unsinkable* will take you to a place long dead in your soul, and flood it with light" (Doug Stanton, #1 New York Times bestselling author of *Horse Soldiers*).

### A Bright Shining Lie Simon and Schuster

The definitive biography of Harold G. Moore, hero of the Vietnam War and author of the bestselling memoir of the battle at Ia Drang. Hal Moore, one of the most admired

American combat leaders of the last fifty years, has until now been best known to the public for being portrayed by Mel Gibson in the movie *We Were Soldiers*. In this first-ever, fully illustrated biography, we finally learn the full story of one of America's true military heroes. A 1945 graduate of West Point, Moore's first combats occurred during the Korean War, where he fought in the battles of Old Baldy, T-Bone, and Pork Chop Hill. At the beginning of the Vietnam War, Moore commanded the 1st Battalion of the 7th Cavalry in the first full-fledged battle between US and North Vietnamese regulars. Drastically outnumbered and nearly overrun, Moore led from the front, and though losing seventy-nine soldiers, accounted for 1,200 of the enemy before the Communists withdrew. This Battle of Ia Drang pioneered the use of "air mobile infantry"—delivering troops into battle via helicopter—which became the staple of US operations for the remainder of the war. He later wrote of his experiences in the bestselling book *We Were Soldiers Once . . . and Young*. Following his tour in Vietnam, he assumed command of the 7th Infantry Division, forward-stationed in South Korea, and in 1971, he took command of the Army Training Center at Fort Ord, California. In this capacity, he oversaw the US Army's transition from a conscript-based to an all-volunteer force. He retired as a lieutenant general in 1977. Hal Moore graciously allowed the author interviews and granted full access to his files and collection of letters, documents, and never-before-published photographs.

One of the most acclaimed books of our time—the definitive Vietnam War exposé and the winner of the Pulitzer Prize and the National Book Award. When he came to Vietnam in 1962, Lieutenant Colonel John Paul Vann was the one clear-sighted participant in an enterprise riddled with arrogance and self-deception, a charismatic soldier who put his life and career on the line in an attempt to convince his superiors that the war should be fought another way. By the time he died in 1972, Vann had embraced the follies he once decried. He died believing that the war had been won. In this magisterial book, a monument of history and biography that was awarded the National Book Award and the Pulitzer Prize for Nonfiction, a renowned journalist tells the story of John Vann—"the one irreplaceable American in Vietnam"—and of the tragedy that destroyed a country and squandered so much of America's young manhood and resources.

#1 NEW YORK TIMES BESTSELLER • "A great American success story . . . an endearing and well-written book."—The New York Times Book Review Colin Powell is the embodiment of the American dream. He was born in Harlem to immigrant parents from Jamaica. He knew the rough life of the streets. He overcame a barely average start at school. Then he joined the Army. The rest is history—Vietnam, the Pentagon, Panama, Desert Storm—but a history that until now has been known only on the surface. Here, for the first time, Colin Powell himself tells us how it happened, in a memoir distinguished by a heartfelt love of country and family, warm good humor, and a soldier's directness. *My American Journey* is the powerful story of a life well lived and well told. It is also a view from the mountaintop of the political landscape of America. At a time when Americans feel disenchanting with their leaders, General Powell's passionate views on family, personal responsibility, and, in his own words, "the greatness of America and the opportunities it offers" inspire hope and present a blueprint for the future. An utterly absorbing account, it is history with a vision.

In 1983, when Evans came up with the vision for the first-ever memorial on the National Mall to honor women who'd worn a military uniform, she wouldn't be deterred. She remembered not only her sister veterans, but also the hundreds of young wounded men she had cared for, as she expressed during a Congressional hearing in Washington, D.C.: "Women didn't have to enter military service, but we stepped up to serve believing we belonged with our brothers-in-arms and now we belong with them at the Vietnam Veterans Memorial. If they belong there, we belong there. We were there for them then. We mattered." In the end, those wounded soldiers who had survived proved to be there for their sisters-in-arms, joining their fight for honor in Evans' journey of combating unforeseen bureaucratic obstacles and facing mean-spirited opposition. Her impassioned story of serving in Vietnam is a crucial backstory to her fight to honor the women she served beside. She details the gritty and high-intensity experience of being a nurse in the midst of combat and becomes an unlikely hero who ultimately serves her country again as a formidable force in her daunting quest for honor and justice.

An astonishing memoir of military courage at a remote outpost during the Vietnam War "A riveting, dead-true account in the tradition of *Black Hawk Down* and *We Were Soldiers Once...and Young*."—Steven Pressfield, national bestselling author of *The Lion's Gate* In October 1969, William Albracht, the youngest Green Beret captain in Vietnam, took command of a remote hilltop outpost called Firebase Kate held by only 27 American soldiers and 156 Montagnard militiamen. At dawn the next morning, three North Vietnamese Army regiments—some six thousand men—crossed the Cambodian border and attacked. Outnumbered three dozen to one, Albracht's men held off the assault but, after five days, Kate's defenders were out of ammo and water. Refusing to die or surrender, Albracht led his troops off the hill and on a daring night march through enemy lines. *Abandoned in Hell* is an astonishing memoir of leadership, sacrifice, and brutal violence, a riveting journey into Vietnam's heart of darkness, and a compelling reminder of the transformational power of individual heroism. Not since *Lone Survivor* and *We Were Soldiers Once...and Young* has there been such a gripping and authentic account of battlefield courage. INCLUDES PHOTOS
