For Christians, weakness should be a way of life. Yet most of us try desperately to be sufficient on our own, and we resent our limitations and our needs. Renowned theologian and Bible teacher J. I. Packer reflects on his

experience of weakness—having been hit by a truck at a young age and now facing the realities of aging—in order to teach us the importance of embracing our own frailty, and also to help us look to Christ for strength, affirmation, and contentment.

Weakness is looked upon

as being poor in character and to be avoided. Packer explains in *Weakness Is the Way*, that at some point in our life we will become older and weak. We understand growing older, but we fail to see that at every point in our life we are already weak in sin. We are "disabled" in being able to fix ourselves.

frailty—having been hit by a truck at a young age and now facing the realities of aging—Packer teaches the importance of embracing frailty, and looking to Christ for strength, affirmation, and contentment.

J.I. Packer argues that for Christians, weakness should be a way of life. Yet many believers desperately try to be self-sufficient, resenting their needs and limitations. Reflecting on his own life experiences of
