Computerworld

'An outstanding resource for anyone handling the financial affairs of a church.'

Simeon May, CPA, Executive Director, National Association of Church Business Administration

The most understandable

, easy-to-follow guide of its kind---explains complex tax concerns in plain language. This annual reference guide continues to be one of the few resources offering tax and financial advice to churches and nonprofit organizations. Issues of financial accountability, receiving and maintaining tax-exempt status, accounting for charitable gifts, and other crucial topics receive careful and full discussion. The 2006 edition

also contains a thorough description of tax laws affecting churches and other nonprofit organizations, including changes made in 2005, ensuring compliance with all regulations. This guide is indispensable to church treasurers and anyone else responsible for the financial operation of a nonprofit organization. This 2006 edition includes:

- *Expert advice on handling charitable gifts
- *Sample policies and procedures
