Webassign Solutions  
WebAssign system is an integral web-based homework management and delivery system that enhances a student ' s time on task.  
WebAssign - Textbooks  
WebAssign. Worked Solutions.

---

Some questions provide a worked solution that shows how the correct answer is obtained. Depending on how your instructor set up the assignment, the solution might be shown only after the assignment due date is passed, or after you have used all of your submissions. The solution cannot display without the answer key, nor can it display before the answer key, whether or not the answer has been submitted multiple times.

### WebAssign

The proctoring solutions available to you will vary

depending on which Cengage platform and LMS you use. These processes have been tested to work with Cengage products, but Cengage does not have an official partnership with these proctoring solutions.
