The North American Weber carburetor models 32/36 DGV, 32/36 DGEV, and 38 DGES all have a black choke element - all of the Redline Webers coming from Europe have a White choke element. The hope here is to clear some confusion by different merchants claiming they are selling Genuine Weber carburetors.

Please note that common search terms such as Genesis, Spirit or Summit may yield numerous results. Using exact model names such as "Genesis E-310" or a model number like "6511001" will help you find the product you are looking for.
