Adolescent Literacy and the Teaching of Reading Scholastic Press

Welcome to a future where water is more precious than oil or gold... Hundreds of millions of people have already died, and millions more will soon fall-victims of disease, hunger, and dehydration. It is a time of drought and war. The rivers have dried up, the polar caps have melted, and drinkable water is now in the hands of the powerful few. There are fines for wasting it and prison sentences for exceeding the quotas. But Kai didn't seem to care about any of this. He stood in the open road

drinking water from a plastic cup, then spilled the remaining drops into the dirt. He didn't go to school, and he traveled with armed guards. Kai claimed he knew a secret-something the government is keeping from us... And then he was gone. Vanished in the middle of the night. Was he kidnapped? Did he flee? Is he alive or dead? There are no clues, only questions. And no one can guess the lengths to which they will go to keep him silent. We have to find him-and the truth-before it is too late for all of us.

The Waterfall Corwin Press

Told in short, gripping chapters, this is an unforgettable true story of survival. The author was featured in Steven Spielberg's Survivors of the Shoah Visual History Foundation. At just 15, her mother, and brother were taken from their Romanian town to the Auschwitz-II/Birkenau concentration camp. When they arrived at Auschwitz, a soldier waved Elly to the right; her mother and brother to the left. She never saw her

family alive again. Thanks to a series of miracles, Elly survived the Holocaust. Today she is dedicated to keeping alive the stories of those who did not. Elly appeared on CBS's 60 Minutes for her involvement in bringing an important lawsuit against Volkswagen, whose German factory used her and other Jews as slave laborers. Jacob's Ladder Reading Comprehension Program Sandpiper Deborah Appleman dismantles the traditional divide between secondary teachers of literature and teachers of reading and offers a variety of practical ways to teach reading within the context of literature classrooms. --from publisher description.

Harper Collins  
2011 National Book Award Finalist As a fourteen-year-old who just moved to a new town, with no friends and a louse for an older brother, Doug Swieteck has all the stats stacked against him. So begins a coming-of-age masterwork full of equal parts comedy and tragedy from Newbery Honor winner Gary D. Schmidt. As Doug struggles to be more than the “skinny thug” that his teachers and the police think him to be, he finds an unlikely ally in Lil Spicer—a fiery young lady who “smelled like daisies would smell if they were growing in a big field under a clearing sky after a rain.” In Lil, Doug finds the strength to endure an abusive father, the suspicions of a whole town, and the return of his oldest brother, forever scarred, from Vietnam. Together, they find a safe haven in the local library, inspiration in learning about the plates of John James Audubon’s birds, and a hilarious adventure on a Broadway stage. In this stunning novel, Schmidt expertly weaves multiple themes of loss and recovery in a story teeming with distinctive, unusual characters and invaluable lessons about love, creativity,

and survival.

Gleam and Glow Turtleback Books  
"Readers will be captivated by this beautifully written novel about young people who must use their instincts and grit to survive. Padma infuses her story with hope and bravery that will inspire readers."--Aisha Saeed, author of the New York Times Bestseller *Amal Unbound*  
Four determined homeless children make a life for themselves in Padma Venkatraman's stirring middle-grade debut. Life is harsh on the teeming streets of Chennai, India, so when runaway sisters Viji and Rukku arrive, their prospects look grim. Very

quickly, eleven-year-old Viji discovers how vulnerable they are in this uncaring, dangerous world. Fortunately, the girls find shelter--and friendship--on an abandoned bridge that's also the hideout of Muthi and Arul, two homeless boys, and the four of them soon form a family of sorts. And while making their living scavenging the city's trash heaps is the pits, the kids find plenty to take pride in, too. After all, they are now the bosses of themselves and no longer dependent on untrustworthy adults. But when illness strikes, Viji must decide whether to risk seeking help from strangers or to keep holding on to their fragile, hard-fought freedom.

The War of the Worlds is a science fiction novel by English author H. G. Wells, first serialized in 1897 by Pearson's Magazine in the UK and by Cosmopolitan magazine in the US. The novel's first appearance in hardcover was in 1898 from publisher William Heinemann of London. Written between 1895 and 1897, [2] it is one of the earliest stories to detail a conflict between mankind and an extraterrestrial race.[3] The novel is the first-person narrative of both an unnamed protagonist in Surrey and of his younger

brother in London as southern England is invaded by Martians. The novel is one of the most commented-on works in the science fiction canon

**The World Ends in April** HarperCollins  
Is middle school drama scarier than an asteroid heading for Earth? Find out in this smart and funny novel by the author of *The Miscalculations of Lightning Girl*. Every day in middle school can feel like the end of the world. Eleanor Dross knows a thing or two about the end of the world, thanks to a survivalist grandfather who stockpiles freeze-dried food and supplies--just in case. So when she reads about a Harvard scientist's prediction that an asteroid will strike Earth in April, Eleanor knows her family will be prepared. Her classmates? They're on their own! Eleanor has just one friend she wants to keep safe: Mack. They've been best friends since kindergarten, even though he's more of a smiley emoji and she's more of an eye-roll emoji. They'll survive the end of the world together . . . if Mack doesn't go away to a special school for the blind. But it's hard to keep quiet about a life-destroying asteroid--especially at a crowded lunch

table--and soon Eleanor is the president of the (secret) End of the World Club. It turns out that prepping for TEOTWAWKI (the End of the World as We Know It) is actually kind of fun. But you can't really prepare for everything life drops on you. And one way or another, Eleanor's world is about to change.

*Harry by the Sea* National Council of Teachers The New York Times bestselling debut novel from acclaimed children's author Katherine Hannigan is both very funny and extraordinarily moving. Who is Ida B. Applewood? She is a fourth grader like no other, living a life like no other, with a voice like no other, and her story will resonate long after you have put this book down. How does Ida B cope when outside forces—life, really—attempt to derail her and her family and her future? She enters her Black Period, and it is not pretty. But then, with the help of a patient teacher, a loyal cat and dog, her beloved apple trees, and parents who believe in the same things she does (even if they sometimes act as though they don't), the resilience that is the very essence of Ida B triumph...and Ida B. Applewood takes the hand that is extended and starts to grow up. This modern classic is a great choice for

independent reading.

"I don't realize I'm crying until he glances at me. For a moment, I see the look of anguish in his eyes, then he blinks it away and slips off into the water. I immediately think of the gator. It's still down there somewhere. . . ." A science-class field trip to the Everglades is supposed to be fun, but Sarah's new at Glades Academy, and her fellow freshmen aren't exactly making her feel welcome. When an opportunity for an unauthorized side trip on an

air boat presents itself, it seems like a perfect escape—an afternoon without feeling like a sore thumb. But one simple oversight turns a joyride into a race for survival across the river of grass. Sarah will have to count on her instincts—and a guy she barely knows—if they have any hope of making it back alive.
