Fitness Training with Weights A&C Black

Provides coaches with data on training and techniques for Olympic weightlifting and powerlifting, anatomy, kinetics, teaching principles, terminology, physical fitness, weight training, and safety

Weight Lifting Rowman & Littlefield

The definitive, unauthorized biography of The Eagles by the New York Times bestselling biographer To the Limit is the unauthorized account of the group from its earliest years through the breakup, solo careers, and reunions. Blending the country and folk music of the late sixties with the melodic seductiveness of Detroit-style roots rock, the

Eagles brought a new sound to a stagnant music scene. Under the brilliant management of David Geffen, the Eagles projected a public image of unshakable camaraderie--embodied by the cerebral, brooding Don Henley and the intuitive, self-destructive Glenn Frey--bolstered by the gorgeous harmonies of their songs. Behind the scenes, however, there was another story. At turns revealing, inspiring, funny, and shocking, To the Limit is the chronicle of a time, a place, and a group that succeeded in changing forever the world of popular music.

Skilful Weight Lifting HarperCollins Publishers

A guide to fitness training with weights, suitable for both the active participant or the passive enthusiast. It features information, photographs and illustrations which explain the core skills, tactics and rules. It includes photographs of top players and modified rules for young and developing players.

Desperados A&C Black

Like that great bestseller Indecent Exposure, this shocking expose is an epic that began with a small incident--an income tax investigation--which exploded to show the pervasive corruption of an entire industry. The investigation grew and expanded to involve the FBI, the Justice Department, extortion, counterfeiting, bribery, even murder. 8 pages of photos.

Stiffed A&C Black
