The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show's* most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure

Compiled from over 300 winning photos from a reader competition in Wanderlust magazine, 'Weird World' documents the more outlandish observations from across the globe. Divided into six sections – people, food, transport, animals, art and just plain odd – it combines photographs and traveller anecdotes with a hilarious dose of roadsigns and menus. THE WEIRD SERIES What ' s weird

around here? That ' s a question Mark Moran and Mark Sceurman have enjoyed asking for years—and their offbeat sense of curiosity led them to create the best-selling phenomenon, Weird N.J. But why should they stop at New Jersey when there ' s so much that ' s peculiar, odd, and utterly nutty across the whole U.S.? So the two Marks—along with several other writers with a taste for the strange—have focused on some key locales, giving each of them the full " New Jersey " treatment. Spanning the breadth of the country, from New York to California, these are travel guides of a sort, but to the kind of places voyagers will never find on their everyday maps. Instead, they ' re chock-full of local legends, crazy characters, cursed roads, and bizarre roadside attractions. So come along and join the fun: Some of what ' s out there is disturbing, some hilarious, but all of it is unforgettably...weird. Praise for WEIRD N.J.: " They are the chroniclers of the creepy, bards of the bizarre...From abandoned asylums to colorful real-life characters past and present, to folk stories of ghosts, monsters, and aliens, Mr. Sceurman and Mr. Moran have created a journal of New Jersey ' s unwritten history. " —The New York Times. " Enough with the head-severing mobsters of Jersey. The state is packed with far more evil than TV could ever invent—from satanic Klan rallies to time-traveling tree farmers. And Weird N.J. has the pictures to prove it. " —Rolling Stone. " Mark Sceurman and Mark Moran see their native state as others do not. For them, it is a demented Disneyland of worldly, and otherworldly, delights. " —The Boston Globe. " If it ' s the offbeat, paranormal or downright weird that you crave...there could be no better place " —USA Today. Praise for Weird U.S. " Weird U.S. is delicious armchair reading. Who can resist an ax-wielding man in a bunny suit, a home shaped like a giant shoe, cannibal albino villages, midget colonies, passages to hell or close relations of Bigfoot and the Loch Ness monster? " —San Francisco Chronicle. " Weird U.S. is a marvelous work of entertainment

and the basis for a truly unique vacation. " —Library Journal. " Kudos to Mark Moran and Mark Sceurman...This is the book by which future explorers will chart their road trips in pursuit of the meaning of this nation. " —New York Press.
