The emergence of a common security and foreign policy has been one of the most contentious issues accompanying the integration of the European Union. In this book, Michael Smith examines the specific ways foreign policy cooperation has been institutionalized in the EU, the way institutional development affects cooperative outcomes in foreign policy, and how those outcomes lead to new institutional reforms. Smith explains the evolution and performance of the institutional procedures of the EU using a unique analytical framework, supported by extensive empirical evidence drawn from interviews, case studies, official

documents and secondary sources. His perceptive and well-informed analysis covers the entire history of EU foreign policy cooperation, from its origins in the late 1960s up to the start of the 2003 constitutional convention. Demonstrating the importance and extent of EU foreign/security policy, the book will be of interest to scholars, researchers and policy-makers.

In the midst of spiraling ecological devastation, multispecies feminist theorist

Donna J. Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants. She eschews referring to our current epoch as the Anthropocene, preferring to conceptualize it as what she calls the Chthulucene, as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices. The Chthulucene, Haraway explains, requires sym-poiesis, or making-with, rather than auto-poiesis, or self-making. Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures. Theoretically and methodologically driven by the signifier SF—string figures, science fact, science fiction, speculative feminism, speculative fabulation, so far—Staying with the Trouble further cements Haraway's reputation as one of the most daring and original thinkers of our time. *Welcome to Temptation/Bet Me* St. Martin's Press
