So how do we as grandparents cultivate strong, meaningful relationships with the children we adore? Start with The Mindful Grandparent. With twelve grandchildren between them, authors and educators Marilyn McEntyre and Shirley Showalter know deep in their bones that attending to the small ones in our lives has never been more important. Through inspired ideas teamed with simple practices and engaging stories, The Mindful Grandparent covers wide-ranging topics such as cultivating curiosity, giving meaningful gifts, helping children explore difficult topics, building a grandparent team, honoring adult children's boundaries, and managing technology.
