A Practical Guide to Your Financial Success

MobileReference

Book one of the New York Times-bestselling All Souls trilogy—"a

wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight " (People).

Look for the hit TV series

" A Discovery of Witches, " streaming on AMC Plus, Sundance Now and Shudder. Season 2

premieres January 9, 2021!

Deborah Harkness ' s

sparkling debut, A

Discovery of Witches, has brought her into the

spotlight and galvanized

fans around the world. In

this tale of passion and

obsession, Diana Bishop, a

young scholar and a

descendant of witches,

discovers a long-lost and

enchanted alchemical

manuscript, Ashmole 782,

deep in Oxford's Bodleian

Library. Its reappearance

summons a fantastical

underworld, which she

navigates with her leading

man, vampire geneticist

Matthew Clairmont.

Harkness has created a

universe to rival those of

Anne Rice, Diana Gabaldon,

and Elizabeth Kostova, and

she adds a scholar's depth

to this riveting tale of

magic and suspense. The

story continues in book

two, Shadow of Night, and

concludes with The Book of Life.

If any of us learned we were going to move to a foreign country, we'd do everything we could to learn about that place so that we'd be prepared when moving day arrived. As Christians, we know some day we will leave our familiar country and be united with God in heaven. And yet many of us know very little about this place called heaven. In this enlightening

author Dr. Robert Jeffress opens the Scriptures to unpack ten surprising truths about heaven and explain who we will see there and how we can prepare to go there someday.

Perfect for believers or skeptics who are curious about heaven.

Millions of people suffer from

debilitating pain and inflammation each and every day.

Most treatments focus on relieving or managing the pain instead of locating the cause and eliminating it. This book helps the reader understand what pain is, where it comes from, and most importantly, how to get rid of it. There are six things to fix and six protocols to help correct the imbalances that cause pain and dysfunction. Learn

---

how to balance thyroid levels, fix the gut, revive your metabolism, restore energy levels, improve brain function, and anti-aging. Look younger, feel better, and think clearer, while eliminating the causes of pain that create dysfunction in your body. Allow this

book to be your personalized road map to guide you down the road to recovery. The most exciting part is realizing that you may be only a few simple choices away from eliminating chronic debilitating pain and suffering from your life.

Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery, the television channel itself persists. If anything, the television channel landscape has become more complex to navigate as viewers can now choose between broadcast, cable, streaming, and premium services across a host of different platforms and devices. From Networks to Netflix provides an authoritative answer to that navigational need, helping students, instructors, and scholars understand these industrial changes through the lens of the channel. Through examination of emerging services like Hulu and Amazon Prime Video, investigation of YouTube channels and cable outlets like Freeform and Comedy Central, and critiques of broadcast giants like ABC and PBS, this book offers a concrete, tangible means of exploring the foundations of a changing industry.

proliferating cable channels targeting ever more specific niche audiences, and evolving forms of advertising such as product placement and branded entertainment. Many of the conventional practices and even the industry's basic business model are proving unworkable in this new context, resulting in a crisis in norms and practices. Through interviews with those working in the industry, attendance of various industry summits and meetings, surveys of trade publications, and consideration of an extensive array of popular television shows, Lotz takes us behind the screen to explore what is changing, why it's changing, and why
