Breaking through glass ceilings in the workplace is dangerous business. There is now an easier (and safer) way for women to rise and succeed professionally. The Glass Elevator: A Guide to Leadership Presence for Women on the Rise shares the 9 critical skills that will enhance your ability to engage, connect, and influence in the workplace. Have you been holding yourself back by: - Not speaking up at meetings when you have value to add? - Failing to promote yourself to seniors in the workplace? - Shying away from challenges because you lack confidence? - Neglecting your networking inside and outside the company? - Living in a state of overwhelm at home and work? The author - one of New York's leading Executive Coaches - will teach you how to stop retreating and start ascending, employing the same expertise she uses to help her executive clients rise to the top. With Ground Floor Quizzes, Elevator Workouts, and Power Profiles of women leaders, this engaging book helps you master the must-have skills that will propel you upward. Pursue your professional aspirations one floor at a time by riding The Glass Elevator.

*Sex Guide for Women* Harper Collins

From the author of the films *Lake Dead*, (*After Dark Film's 8 Films to Die For*) and *Farmhouse*, Daniel P. Coughlin's *Ted's Score* is a shocking, suspenseful tale of a depraved, ax-wielding serial killer. When beautiful Jules Benton, a seventeen year old senior, goes missing after the spring formal dance in the small town of Watertown, Wisconsin, her father, Richard Benton, becomes suspicious of Jules' boyfriend, David Miller and his involvement with her disappearance. When Richard confirms his suspicions, the brutality of his capability consumes him and soon David will find out what that means. Unbeknownst to David or Richard, a serial killer by the name of Ted Olson has more to do with Jules' disappearance than anyone might suspect. As Jules' whereabouts unfold, the truth begins to bleed from a dark place. And the authorities have begun to smell the criminal acts committed. Murder and mayhem catch up with the slow pace of this ordinary Middle American town when evil, perversion, and death mislead these simple folks into a disastrous wave of crime that spirals out of control. All the while, Ted collects his score.

*The Fifth Shadow* HarperCollins

\* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn to better understand female desire. You will also learn : why female desire and pleasure have never been the subject of serious research until recently; that they are the subject of many unfounded preconceived ideas; that monogamy is not so natural for women; that even women are often unaware of their own contradictions; how to improve one's relationship. If male desire is rather well defined and known, this is not the case for female desire. It is still surrounded by mystery, incomprehension, and even suspicion and rejection. Women have to bear the weight of many historical and social prejudices. However, these stereotypes are gradually disappearing. The neuropsychological discoveries made in recent years open the door to many unsuspected findings. For example, women's desire is as developed as that of men, and, left free, women are as enterprising as men, if not more so. Definitely change your view of female sexuality by finally understanding what women want! \*Buy now the summary of this book for the modest price of a cup of coffee!

*The Flying Woman* Shortcut Edition

Over the past decade of creating epic personal development retreats, Daniel Eisenman has traveled around the world experiencing beautiful, exotic settings and amazing people. His one big observation is that so many people keep the lid on their growth and opportunities to thrive. This is a self-imposed limitation ... nobody tells us to do this! Daniel blows the lid off and gives you a retreat experience in a book. What's inside *Breaking Normal: ReWild Your Inner Child and Set the Truth Free?* \*You'll get to feel what it means to be raw and vulnerable, excited and glowing with a sacred knowledge about your future. \*You'll learn to communicate with others in a way that cuts through the limitations we used to let entangle us. \*You'll have tools and insight for building your own tribe, be it your family or community or the world at large.

*Muffin Top* Little, Brown

This autobiography follows the life of Anna Shaw (1847-1919) from her birth in Newcastle-on-Tyne, England through her presidency of the National American Woman Suffrage Association. Shaw immigrated with her genteel but financially pressed family to America in 1851. They settled first in New Bedford and then in Lawrence, Massachusetts, finally migrating in 1859 to a pioneer farmstead in northern Michigan, where Anna performed much of the subsistence labor during her father's long absences. The first part of her narrative emphasizes her efforts to gain an education and take up a ministerial career. After two years at Albion College, she attended Boston Theological School (1876-1878) and accepted a pastorate in East Dennis, Cape Cod, after graduation; later she also took temporary charge of the Congregational Church in Dennis. After her ordination had been blocked by members of the New England Conference of the Methodist Episcopal Church opposed to ordaining women, Shaw was ordained by the 1880 Conference of the Methodist Protestant Church in Tarrytown, N.Y.

Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel? You the reader are now at the threshold of not only a complete teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneously from any television around the world. Let not this study of the Book of Daniel be entered into with fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin W. Oliver PhD, BCPC

*Sing for Your Life* Bantam

A new epic fantasy series begins. Song of Dragons tells a story of blood, steel, and dragonfire. BOOK ONE: BLOOD OF REQUIEM Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests, and shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once more become dragons and fly to war?

September The New York Times bestseller about a young black man's journey from violence and despair to the threshold of stardom. "A beautiful tribute to the power of good teachers."--Terry Gross, Fresh Air "One of the most inspiring stories I've come across in a long time."--Pamela Paul, New York Times Book Review Ryan Speedo Green had a tough upbringing in southeastern Virginia: his family lived in a trailer park and later a bullet-riddled house across the street from drug dealers. His father was absent; his mother was volatile and abusive. At the age of twelve, Ryan was sent to Virginia's juvenile facility of last resort. He was placed in solitary confinement. He was uncontrollable, uncontainable, with little hope for the future. In 2011, at the age of twenty-four, Ryan won a nationwide competition hosted by New York's Metropolitan Opera, beating out 1,200 other talented singers. Today, he is a rising star performing major roles at the Met and Europe's most prestigious opera houses. SING FOR YOUR LIFE chronicles Ryan's suspenseful, racially charged and artistically intricate journey from solitary confinement to stardom. Daniel Bergner takes readers on Ryan's path toward redemption, introducing us to a cast of memorable characters--including the two teachers from his childhood who redirect his rage into music, and his long-lost father who finally reappears to hear Ryan sing. Bergner illuminates all that it takes--technically, creatively--to find and foster the beauty of the human voice. And Sing for Your Life sheds unique light on the enduring and complex realities of race in America.

"When it comes to dating, I seem to be going around in a circle. The ones I want don't want me, and the ones who want me, I don't want." -Amelia "I don't know, I just think there's too much miscommunication between guys and girls. I mean, no one knows what the fuck is going on. We need to have the discussion. We need to vent it and get it out in the open," I said, grabbing my drink from the bedside table. \_\_\_\_\_ sat on the edge of the bed and put his shirt back on. "What do you want to know?" "I just want to know what guys are thinking. I mean we have sex and stuff and nothing lasting ever comes of it," I said, taking a cigarette out and lighting it. I knew I shouldn't be smoking in the room, but I was too drunk to care. "I don't think I should say. We don't know everything girls are thinking. I think some things are better left unsaid." "I want to know. I'd prefer shit to be clearer, because I'm always confused," I replied. I could tell he was still a bit sexually frustrated, but he seemed okay to chat. "Go ahead then, ask what you want. I'll try give it to you as straight as I can. But don't hate the messenger," \_\_\_\_\_ responded, taking the champagne from my hand and having some. "I won't, promise. So why do guys act so

interested and then not get in touch at all? ?" I asked. Excerpt taken from The Modern Break-Up.

The Other Side of Desire Createspace Independent Publishing Platform  
What Do Women Want? ...in 30 Minutes is the essential guide to understanding the hotly-contested research on female arousal and desire outlined in Daniel Bergner's best-selling book, What Do Women Want?: Adventures in the Science of Female Desire. In What Do Women Want? acclaimed journalist Daniel Bergner uses new scientific research to offer a revolutionary perspective on human sexuality and a controversial vision of the future. According to the latest reports from behavioral scientists, psychologists, and women themselves, women are perhaps more lustful, less monogamous, and more sexually aggressive than previously believed. Bergner smashes through our modern gender stereotypes to reveal the complicated spectrum of women's arousal and desire, and turns much of we know about women's sexuality inside out. Use this guide to understand the key ideas of What Do Women Want? in a fraction of the time, using tools such as: Concise synopsis examining the principles of What Do Women Want? In-depth analysis of key concepts, including misconceptions about monogamy, narcissism, and the female libido Critical reception to the work, including key arguments by major publications and thought leaders Insightful background on Daniel Bergner and the origins of the book Extensive recommended reading list and bibliography As with all books in the 30 Minute Expert Series, this book is intended to be purchased alongside the reviewed title What Do Women Want?: Adventures in the Science of Female Desire. About the 30 Minute Expert Series The 30 Minute Expert Series is designed for busy individuals interested in acquiring an in-depth understanding of critically acclaimed books. More than just a summary, the 30 Minute Expert Series offers detailed analysis, key ideas and their application, and a contextual understanding of each work, in a straightforward and easily digestible format. Designed as a companion to the original work, the 30 Minute Expert Series enables readers to gain expert knowledge of an important work ...in 30 Minutes. *Backdrop* Createspace Independent Publishing Platform

"There's a story behind every research study." In *Backdrop*, Gayle Pitman narrates the "story" behind the science of sexual orientation - a science that has been rife with contradictions and controversies. Pitman argues that, when it comes to sexual orientation research, we could potentially glean more powerful insights from the backdrop of politics and personalities behind the research than from the actual studies themselves. Beginning with a focus on the causes of sexual orientation, moving then to the politics of transgender and intersex identities, and culminating in the political controversies of reparative therapy, "don't ask, don't tell," and same-sex marriage, *Backdrop* brings into focus the rich and textured landscape behind the scientific research findings. Filled with plot twists and developments, variegated characters (the scientists as well as the activists and reactionaries), and thorny political, moral, and philosophical questions, *Backdrop* brings the science to life, raising more complex questions while simultaneously providing us with a more nuanced understanding of gender and sexual orientation.

#### **What Do Women Want? Terrific**

Many efforts to address the problem of sexual addiction tend to focus on either more commitment or repression of sexual desires. But these strategies do not work, and they diminish the meaning and beauty of sexuality. In *Grace and Sexuality*, the author emphasizes that sexual desire should neither be indulged nor repressed. Rather, healing comes through grateful integration of sexual desire into our lives. As we learn to accept our sexual desires and channel them with love, gratitude and respect, our passions can be rewired. This attitude of grateful integration can deliver us from needless shame for having a sexual nature and enable us to celebrate our freedom from guilt and enjoy our sexuality and closest relationships.

Do you know what women really expect from you on the First Date? Having sex on the First Date is possible! In this practical guide, you will find out how to do it without deception and without hard attempts to please her. When you have a Date with a woman, you don't know what to do? You feel embarrassed? You can't find a way to kiss

her nor have sex with her? If yes, you've probably made one or more of these 7 mistakes: Trying to create a romantic atmosphere by overdoing it with compliments and gifts Do not give an emotional/sexual direction to the conversation Trying to impress her by showing how rich you are or how cool you are Being afraid to touch it Dating women you don't like Waiting for the last moment to kiss her Expecting to have sex with her just because you took her to an expensive restaurant When a woman goes out with a man, she would like to get excited about the enormous sexual tension, let herself go to safety, feel the chills for the deep emotions she feels. ...guess what?! it's not up to them, it's up to you! On what you decide to do, on your actions. All of this is not physically possible in a situation as static and rigid as a typical dinner at a restaurant. The secret to a Perfect Date is to make her do a lot of different things. This is because she will be transported by a perfect sequence of events, she will be overwhelmed by feelings and emotions so strong that sex will be just one last small step. 4 practical steps to lead her to your bed: what to do what to say where to bring her when to kiss her Unfortunately this method is not for everyone This guide is not for newbies, it is not for men who don't know how to approach women, it is not for men who know few women and don't know how to get a phone number. Dating is the final part of the seduction, you need this guide if you're currently going out with women from time to time but you're struggling to get laid. If you always end up becoming her friend or if you can't get in touch with her anymore, then this guide is perfect for you. What you find inside *Dating for Men: How do you get her phone number if you don't have it yet?* The truth about women's provocative behavior A little trick to increase the chances of her answering your call How to take care of your look and style to intrigue her Best days and times to set the date of the Appointment The 5 things not to do on a first date What makes the Perfect Date work so well (emotions) The meeting place and the first place to take it Concrete examples of a perfect date How to create alternatives in case of unforeseen events Warning: Having fun doesn't mean being funny. Conversation topics Contingency management before kissing or before sex How to make her want a relationship with you How to create sexual complicity by eliminating inhibitions How to prevent her fear of being judged as an "easy girl" How, when and why make a second appointment How to continue the relationship, if and why. The "Dating for Men" method is ready to go. If you're frustrated and unmotivated by your inconclusive dates... play it safe with this practical guide!

#### *Blood of Requiem* Moonclipse

The impossible has become reality! A masked man possesses extraordinary powers, and he's using those fantastic abilities to fight crime and pursue justice. Meanwhile, Miranda Thomas expects to fail at the only thing she ever wanted to do: become a famous star of the stage and screen. One night, Miranda encounters a woman who's more than human. But this powerful woman is dying, fatally wounded by an unknown assailant. Miranda's next decision propels her life in a new direction--and nothing can prepare her for how she, and the world, will change.

#### **In the Land of Magic Soldiers** HarperCollins

Never before had Daniel Bergner seen a spectacle as bizarre as the one he had come to watch that Sunday in October. Murderers, rapists, and armed robbers were competing in the annual rodeo at Angola, the grim maximum-security penitentiary in Louisiana. The convicts, sentenced to life without parole, were thrown, trampled, and gored by

bucking bulls and broncos before thousands of cheering spectators. But amid the brutality of this gladiatorial spectacle Bergner caught surprising glimpses of exaltation, hints of triumphant skill. The incongruity of seeing hope where one would expect only hopelessness, self-control in men who were there because they'd had none, sparked an urgent quest in him. Having gained unlimited and unmonitored access, Bergner spent an unflinching year inside the harsh world of Angola. He forged relationships with seven prisoners who left an indelible impression on him. There's Johnny Brooks, seemingly a latter-day Stepin Fetchit, who, while washing the warden's car, longs to be a cowboy and to marry a woman he meets on the rodeo grounds. Then there's Danny Fabre, locked up for viciously beating a woman to death, now struggling to bring his reading skills up to a sixth-grade level. And Terry Hawkins, haunted nightly by the ghost of his victim, a ghost he tries in vain to exorcise in a prison church that echoes with the cries of convicts talking in tongues. Looming front and center is Warden Burl Cain, the larger-than-life ruler of Angola who quotes both Jesus and Attila the Hun, declares himself a prophet, and declaims that redemption is possible for even the most depraved criminal. Cain welcomes Bergner in, and so begins a journey that takes the author deep into a forgotten world and forces him to question his most closely held beliefs. The climax of his story is as unexpected as it is wrenching. Rendered in luminous prose, *God of the Rodeo* is an exploration of the human spirit, yielding in the process a searing portrait of a place that will be impossible to forget and a group of men, guilty of unimaginable crimes, desperately seeking a moment of grace.

#### **The Glass Elevator** Harper Collins

Do you have what it takes to succeed in your career? The secret of success is not what they taught you in school. What matters most is not IQ, not a business school degree, not even technical know-how or years of expertise. The single most important factor in job performance and advancement is emotional intelligence. Emotional intelligence is actually a set of skills that anyone can acquire, and in this practical guide, Daniel Goleman identifies them, explains their importance, and shows how they can be fostered. For leaders, emotional intelligence is almost 90 percent of what sets stars apart from the mediocre. As Goleman documents, it's the essential ingredient for reaching and staying at the top in any field, even in high-tech careers. And organizations that learn to operate in emotionally intelligent ways are the companies that will remain vital and dynamic in the competitive marketplace of today--and the future.

#### Harlequin Books

Morgan offers an authentic and deliciously humorous account of the prostitutes and other "disreputable" women who were the earliest female pioneers of the Far North.

#### The Red Woman Ballantine Books

Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science--as well as religious and cultural institutions--has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethá. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethá's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethá show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and

---

family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

Lessons Mama Never Taught Me Createspace Independent Publishing Platform

When ambitious, young, handsome former college football star Michael Brown goes to work for a giant business empire, he get interviewed by the exceptionally beautiful, young and elegant female CEO, Maya Shadow. Though Maya Shadow pays little or no attention to Mike's academic achievements during the interview, he doesn't have any reason to think that Maya Shadow has a crush on him since the moment she saw him. A mysterious weekend encounter in strange circumstances turn Mike's life upside down and changes course for ever. Maya Shadow's immense beauty, enormous wealth, mastery of controlling and strange approach to amatory, overwhelms Michael Brown's will power, resistance power and convictions of moral principles he held dearly for all his life. He not only loses his virginity but also accumulates much more than he could handle. Even though unintentional, Michael Brown learns a lot about Maya Shadow's sexual fantasies for which he becomes a virtual slave overnight. The Fifth Shadow is a very entertaining, unconventionally romantic, hot and steamy erotic trilogy, which will conquer the minds of the readers and stay with you for a life time.
