What Dreams May Come
W. W. Norton & Company
The legendary novel of
science-fiction
horror: "The author
who influenced me the
most as a writer was
Richard Matheson"
(Stephen King). After
he is exposed to a
radioactive cloud,
Scott Carey finds
himself shrinking,
slowly, day-by-day,
inch-by-inch. Scott
once had a normal,
everyday existence as
a husband and father,
but as time passes, he
becomes a national

spectacle, something
worthy of newspaper
headlines. As Carey
shrinks, smaller and
smaller, his family
become giants, more and
more unreachable, and
even the family cat
becomes a predatory
menace. In this world
of disproportion,
increasingly perilous
with each passing day,
Scott struggles to
survive—and is pushed
to the very limits of
fear and existence . .
. Adapted into the Hugo
Award-winning film *The
Incredible Shrinking
Man*, this is a classic

by the author of *I Am
Legend* and other
renowned works—a master
of imagination whom Ray
Bradbury called "one of
the most important
writers of the
twentieth century." "A
classic of suspense as
poignant as it is
frightening—a mix that
only Richard Matheson
could pull off." —Dean
Koontz

What Dreams May Come
Rosetta Books

'The knives are out for
you, always. But that is
the mission you
accepted, David. So you

have to face the knives, with fortitude. Just as we ask of the great British public...'As Home Secretary in Her Majesty's Government, David Blaylock's daily work involves the control of Britain's borders, the oversight of her police force, and the struggle against domestic terror threats. Some say the job is impossible; Blaylock insists he is tough enough. But around Westminster the gossip-mongers say his fiery temper is a liability. An ex-

soldier from a modest background, Blaylock has a life-story that the public respects. Privately, though, he carries pain and remorse - over some grievous things he saw in the army, and his estrangement from an ex-wife and three children for whom he still cares. A solitary figure in a high-pressure world, with no place to call home, Blaylock is never sure whom he can trust or whether his decisions are the right ones. Constantly in his mind is the danger

of an attack on Britain's streets. But over the course of one fraught autumn Blaylock finds that danger moving menacingly closer to his own person.

Collection discounted ebundle includes: Hell House, Somewhere in Time, What Dreams May Come A collection of three novels by New York Time bestselling author Richard Matheson, who Stephen King called "[t]he author who influenced me the most as a writer." Hell House: Rolf Rudolph Deutsch is going die. But when Deutsch, a wealthy magazine and newspaper publisher, starts thinking seriously about his impending death, he offers to pay a physicist and two mediums, one physical and one mental, \$100,000 each to establish the facts of life after death. Dr. Lionel Barrett, the

physicist, accompanied by the mediums, travel to the Belasco House in Maine, which has been abandoned and sealed since 1949 after a decade of drug addiction, alcoholism, and debauchery. For one night, Barrett and his colleagues investigate the Belasco House and learn exactly why the townfolks refer to it as the Hell House. Somewhere in Time: A powerful story of a love that transcends time and space, written by one of the Grand Masters of modern fantasy. Matheson's classic novel tells the moving, romantic story of a modern man whose love for a woman he has never met draws him back in time to a

luxury hotel in San Diego in 1896, where he finds his soul mate in the form of a celebrated actress of the previous century. Somewhere in Time won the World Fantasy Award for Best Novel, and the 1979 movie version, starring Christopher Reeve and Jane Seymour, remains a cult classic. What Dreams May Come: What happens to us after we die? Chris Nielsen had no idea, until an unexpected accident cut his life short, separating him from his beloved wife, Annie. Now Chris must discover the true nature of life after death. But even Heaven is not complete without Annie, and when tragedy

threatens to divide them forever, Chris risks his very soul to save Annie from an eternity of despair. Matheson's powerful tale of life---and love---after death was the basis for the Oscar-winning film starring Robin Williams. Richard Matheson's

Monsters Macmillan

Richard Matheson was one of the leading writers of science fiction, fantasy, and horror in the twentieth century. Matheson's most famous early works, the novels *I Am Legend* (1954) and *The Shrinking Man* (1956), both depict traditionally masculine figures thrust into extraordinary situations. Other thought-provoking novels, including *Hell House* (1971), *Bid Time Return* (1975), and *What Dreams May Come* (1978)—as well as short stories and

screenplays—convey the ambiguous status of masculinity: how men should behave vis-à-vis women and what role they should occupy in the family dynamic and in society at large. In Richard Matheson's *Monsters: Gender in the Stories, Scripts, Novels and Twilight Zone Episodes*, June M. Pulliam and Anthony J. Fonseca examine how this groundbreaking author's writings shed light on society's ever-shifting attitudes on masculinity and domesticity. In this first full-

length critical study of Matheson's entire literary output, the authors discuss how *I Am Legend*, *The Shrinking Man*, and other works question traditional male roles. The authors examine how Matheson's scripts for *The Twilight Zone* represented changing expectations in male behavior with the onset of the sexual and feminist revolutions, industrialization and globalization, and other issues. In a society where gender roles are questioned every day, Matheson's work is more relevant than ever.

Richard Matheson's *Monsters* will be of interest to scholars of literature, film, and television, as well those interested in gender and masculinity studies. *What Dreams May Come* Positronic Publishing Back East, they told tall tales about Marshall Clay Halser, the fearless Civil War veteran who became known as the "Hero of the Plains" for his daring exploits in the Wild West. But the truth, as revealed in his private journals, is even more compelling. A callow youth in search of

excitement, Halser travels to the raucous cow towns of the frontier, where his steady nerve and ready trigger finger soon mark him as a gunfighter to be reckoned with. As both an outlaw and a lawman, he carves out a legendary career. But fame proves to be the one enemy he can never outdraw—and a curse that haunts him to the bitter end At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **The Legend of Hell House** Harvest Moon Books

Perhaps Frank and April
Wheeler married too young
and started a family too early.
Maybe Frank's job is dull. And
April never saw herself as a
housewife. Yet they have

always lived on the assumption
that greatness is only just
around the corner. But now
that certainty is about to
unravel. With heartbreaking
compassion and remorseless

Richard Matheson's bestselling novel, *What Dreams May Come*, the basis for the hit movie starring Robin Williams, touched numerous readers with its convincing portrait of life after death, based on years of research and personal reflection. Like that earlier book, *The Path* is a work of inspirational fiction that comes straight from Matheson's own deeply

held beliefs about spirituality and true nature of existence. The story of one man's encounter with an enigmatic stranger who imparts to him ten lessons about the true reality of the soul; *The Path* is not so much a novel as a philosophical dialogue about life and the afterlife. Everyone who read *What Dreams May Come* and wants to know more about Matheson's personal philosophy should take a walk along . . . *The Path*. At the Publisher's request,

Third from the Sun
Macmillan

This special omnibus edition collects two of contemporary fiction's best-loved novels of Love & Fantasy, both long out of print. The text has been reset & corrected, & features a new author's introduction. Originally published as *BID IN TIME* (Viking, 1975), Richard Matheson's evocative tale of one man's love literally transcending the boundaries of time was hailed by *Publisher's Weekly* as "Intriguing...tantalizing...marvelous...as romantic a setting as two lovers could find"; & it won that year's World

Fantasy Award for best novel. (Matheson has also been awarded the World Fantasy Lifetime Achievement award). *SOMEWHERE IN TIME* is currently one of the most requested OP titles on the collector's market, having legions of dedicated fans thanks to the continuing home video success of the 1980 film version starring Christopher Reeve & Jane Seymour. *WHAT DREAMS MAY COME* is a novel of Love after Death; a unique journey into the Afterlife (based on the startling

scientific discoveries of Kubler-Ross & Raymond Moody) which the Los Angeles Times called "Splendid, strange, & compelling." Both novels are time-tested classics of modern fantasy, each with strong followings that this handsome edition (acid-free, Smythe-sewn) is sure to satisfy. STOP orders welcome.
