The Box Macmillan Originally published in the late nineteenth century, this novel was initially overlooked by critics, but it is now regarded as an early classic in the genre of fantasy fiction. Struck by a dizzying thunderbolt of love at first sight, protagonist Charles Dartmouth falls fast and hard for the Welsh heiress Weir Penrhyn. Before long, he

begins to suspect that there's a supernatural force prompting his affections. Wild Analysis Macmillan The New York Times bestseller A LOVE THAT TRANSCENDS HEAVEN AND HELL What happens to us after we die? Chris Nielsen had no idea, until an unexpected accident cut his life short, separating him from his beloved wife, Annie. Now Chris must discover the true nature of life after death. But even Heaven is not complete without

Annie, and when tragedy threatens to divide them forever, Chris risks his very soul to save Annie from an eternity of despair. Richard Matheson's powerful tale of life---and love---after death was the basis for the Oscar-winning film starring Robin Williams.

Anna's aged mother is dying. Condemned by her children's pity to living, subjected to increasingly desperate medical interventions, she turns her focus to her hospital window, through which she escapes into visions of horror and delight. When Anna's finger vanishes and a few months later her knee disappears, Anna too feels the pull of the window. She begins to see that all around her, others are similarly vanishing, yet no one else notices. All Anna can do is keep her mother alive. But the window keeps opening wider, taking Anna and the reader ever deeper into an eerily beautiful story of grief and possibility, of loss and love and orange-bellied parrots. Hailed on publication in Australia as Richard Flanagan's greatest novel yet, *The Living Sea of Waking Dreams* is a rising ember storm illuminating what remains when the inferno beckons: one part elegy, one part dream, one part hope.

'Psychoanalytic treatment utilised the patient's capacity to love and desire as a means to

an end. The stuff of romance became the stuff of cure. When Freud is writing about technique in psychoanalysis - and these papers [in *Wild Analysis*] represent his most significant contributions to the subject over three decades of work - it is important to remember that he is talking about what a couple, an analyst and a so-called patient, can do in a room together. For better or worse.'

The stylish tale of a

dead poet, a rediscovered pulp novel, and a lovely lady with a story to sell from the author of the Charles Resnick Mysteries. Ex-Metropolitan Police Officer Jack Kiley spent his career discerning fact from fiction. Now a private detective, Kiley has agreed to investigate the provenance of a newly discovered manuscript. Lost for decades, *Dead Dames Don't Sing* is typical pulp fodder: "Hard, fast, and deadly," according to Daniel Pike, the rare book dealer who hires Kiley. What makes it unusual—and potentially valuable—is that the novel appears to have been written by the late poet William Pierce before he made a name for himself.

Pierce's bewitching socialite-cum-model daughter, Alexandra, insists that it's genuine, but Kiley isn't so sure. Something doesn't feel right, but the deeper he digs, the more he wonders if poetry and pulp really are such strange bedfellows. Hailed as "one of our most accomplished writers" by *The Daily Telegraph*, John Harvey brings swinging London—both past and present—to life in this gripping novella. The *Bibliomysteries* are a series of short tales about deadly books, by top mystery authors. **Journal of the Gun Years** Macmillan
