Profit First for Real Estate Investing Biggerpockets Publishing, LLC

From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

What Every Real Estate Investor Needs to Know About Cash Flow... And 36 Other Key Financial Measures, Updated Edition McGraw Hill Professional

It's time to stop living deal to deal. Real estate investors have systems for almost everything-to make the phone ring, to find deals, and to fix, rent, and sell their properties. What they don't have is a system for their finances that ensures positive cash flow and profitability. This is why many investors end up scrambling to cover payroll, taxes, and even their own bills. In Profit First for Real Estate Investing, real estate finance expert, David Richter, reveals his simple cash flow system that not only makes "pay yourself first" possible; it makes it easy. Built on the proven Profit First method created by Mike Michalowicz, this system is tailored to the unique realities for real estate investors. Designed to help you reduce stress and build a healthy and profitable real estate company, this step-by-step guide will even show you how to get more deals using the Profit First System. Starting today.

The Unofficial Guide to Real Estate Investing John Wiley & Sons

Live where you want, and invest anywhere it makes sense. "It is a common misperception in real estate investing that you should buy only where you live. David Greene has put that myth to rest... This is a must-read for investors who want to expand their real estate empire nationwide." --David Osborn, bestselling author of *Wealth Can't Wait* Are you interested in real estate investing, but you live in a hot market that is not suited for buy and hold investing? Do you want to take advantage of wealth-building opportunities, but that seems impossible until the next market crash? Real estate investing is one of the greatest vehicles to build wealth, but it doesn't make sense in every market. Some locations provide incredible returns, while others make it almost impossible to find a single property that profits. Traditionally, investing out of state has been considered risky and unwise. But the rules, technology, and markets have changed: No longer are you forced to invest only in your backyard! In his book, real estate investor and police officer David Greene shows you exactly how he's built a multi-million dollar portfolio through buying, managing, and flipping out-of-state properties, often without ever even seeing the properties in person. David shares every tip, trick, and system he has put in place for over twenty rental properties, so you can avoid making mistakes and shorten your learning curve immensely! What's inside: How to assemble an all-star team to handle each aspect of a deal from A-Z. How to find great deals in any state, regardless of where you live. How to rehab a project from thousands of miles away without worry or complication. How to speak the language of the agents, contractors, lenders, and property managers you will use. How to quickly and easily know which neighborhoods to buy, and which to pass in. How to choose the best materials for your rehab projects and pay the least amount of money. ...And more! Don't let your location dictate your financial freedom. Get the inside scoop to invest--and succeed--anywhere!

The Insider's Guide to Real Estate Investing Loopholes Biggerpockets Publishing, LLC

Over the many years that we've been serving real estate investors, one of the most asked questions on our site has been, "How Do I Get Started in Real Estate Investing?" New investors will love the fundamentals and even experienced investors will appreciate the high-level view of strategies they may have never even considered. FULLY UPDATED 3rd EDITION OF THIS BEST SELLERIncluding: How to get the banks to say "e;YES"e; in the current tighter lending environmentThis book is an expert guide to financial freedom that reveals how some people work less, earn more, pay less tax and are more financially secure than others.Buy this book now as it is a must read for all Australian property investors because it explains how it's not how much money you make that matters, it's how hard that money works and how much you keep that counts.So now you can learn from Australia's leading property, finance, tax and legal experts with decades of experience & knowledge you just won't get anywhere else.This book has been written for both beginning and experienced investors. Together with Michael Yardney, who is Australia's leading expert in wealth creation through property, property tax

accountant and structuring specialist Ken Raiss and property lawyer and educator Rob Balanda, share their decades of experience and explain how sophisticated investors know how to use "e;the system"e; to their advantage. This is a "e;Plain English"e; guide to financial freedom that reveals how some people work less, earn more, pay less in taxes and are more financially secure than others. Most property investors never achieve financial independence, because they don't understand how to use "e;the system."e; This book is designed to help you treat your property investments as a business and take advantage of "e;the system"e; rather than having it work against you. Readers will be shown "e;What Every Property Investor needs to know about Finance, Tax and the Law"e;. This book is written for: - people who want to work less, earn more, pay less tax and become financially secure - beginning investors who want to set things up correctly from the start - experienced investors who want to get to the next level by developing a property investment business - property investors who want to move to the next level by getting the right finance & the right structures to protect their assets from lawsuits, taxes & creditors

[The Book on Tax Strategies for the Savvy Real Estate Investor](#) RealData Inc

Did you know that 90% of the world's millionaires have built their fortunes by investing in real estate? It's true! And it gets better. Investing in real estate rentals the right way is a great way to make easy money! This is the kind of money that gives you the financial freedom to retire early or spend your time the way you want to instead of the way your boss wants you to. This is the much sought-after passive income that destroys the time=money equation. If you are new to investing and haven't decided yet if rentals are for you, the investing guide makes a solid case for investing in real estate rentals. It also gives you a mile-high view of real estate rental types by presenting the pros and cons of 7 different types of rental income producing properties. This includes no live-in tenant storage facilities all the way up to multi-tenant apartment complexes. If you already have a property generating rental income, this book offers you a detailed discussion on the fundamental concepts behind real estate investing, with tips on scaling and increasing cash flow. This book will help you with your investment strategy by helping you understand how much money you need to retire. Most people struggle with this calculation, but the author simplifies an approach to determine it and provides the tools you need to evaluate your own situation. Of particular value is a chapter on what makes a bad, good and great investment. For bad investments, there are a series of tips for how to make it good, or even great. You'll get the low-down on retirement horizon, risk, the benefits of positive cash flow, using leverage to your advantage, the benefits of paying off a loan early, rental property expenses (spreadsheet calculator provided) and how clever banks get their money back sooner rather than later. The real estate rental guide even presents knowledge taught to REALTORS® (they are the experts) for an investor to take advantage of when undertaking a real estate transaction. It is often said that an investor makes money when the investment is purchased, not when it is sold. It's another way of emphasizing the importance of getting a great deal. To help you make a smart purchase, you will learn three analysis methods used to determine a property's market value. This includes evaluating properties like single-family detached homes and how to evaluate a rental investment using its income. In the real estate guide, you'll find vital tips for negotiating a deal. This includes which information to gather when preparing for a negotiation and negotiation tactics that will put you in the strongest position possible. Also, to help with your purchase, 7 types of financing are explained, in addition to the fees that lenders typically charge. Determining market value, understanding rental property expenses, and negotiating a great deal will help you move directly towards financial freedom. The rental property investing book is an easy read filled with priceless information from an expert. Whether you are a novice or longtime real estate investor, this book will help you on your journey to becoming a better investor who plays the real estate investing game like a pro. Who knows, maybe you will become the next millionaire real estate investor who finds financial freedom through rentals.

[The Millionaire Real Estate Investor](#) Atlantic Publishing Company

Dolf de Roos's Commercial Real Estate Investing reveals all the differences between residential and commercial investing and shows you how to make a bundle. De Roos explores the different sectors—retail, office space, industrial, hospitality, or specialist—to help you discover which is right for you. He shares key insights on finding tenants and avoiding vacancies, financing large investments, managing property, setting a tax-smart corporate structure, and take full advantage of tax breaks.

[What Every Real Estate Investor Needs to Know About Cash Flow... And 36 Other Key Financial Measures](#) AMACOM

Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of Common Sense Investing "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!
