If I Knew Then, What I Know Now
Delacorte Books for Young Readers

This is a unique collection of writings where every piece is a crafted form of art, in its own right. Penned by a young author, Raissa, 'It's Better If You Don't Know' offers a compelling journey into the depths of the human experience. Through the medium of short stories, Raissa navigates the intricate landscapes of loneliness, heartbreak, loss, and grief, unravelling the raw and tender emotions that make us human. But amidst the shadows is a glimmer of hope and redemption, a catharsis that promises to relate deeply with anyone who turns these pages. With an acute sense of the abstract, Raissa's writing resonates with readers, inviting them to explore the vivid tapestry of her innermost thoughts.

Hearings, Nov. 15, 1945-May 31, 1946 American Foundation for AIDS Alternatives

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve

Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. **START WITH WHY** shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

If the Whole World Could Know You Xlibris Corporation

The Irish civil war was heating up again. It had Carol sending her brother Paddy and her daughter Fiona to America. Fiona was very grateful Uncle Paddy had made a hefty down payment for the flower shop she wanted to open. She was afraid he was walking both sides of the law again in order to come up with the money. Most of Fiona's supplies were being delivered by Antonelli's Deliveries. It didn't take long for Giovanni Antonelli and Fiona McTavish to strike sparks off each other. Though he had gone straight, his family had Mafia ties. Giovanni's prejudiced twin didn't like his brother dating an Irish girl and tried to warn him off. This was supposed to be his neighborhood. The Irish had no business being here. He tried unsuccessfully to drive Fiona away. So one evening, when Fiona was closing, he grabbed her off the street, dragged her into his van, and beat her soundly. He threw her back out on the sidewalk and took off. Uncle Paddy was in a rage. He was going to handle things just as he would back home: hunt down who did this and kill them. He headed into Little Ireland to round up troops. Then they would storm Little Italy and wreak as much havoc

as possible until the perpetrator was found and punished. Street justice was achieved, but the Mafia dons weren't about to take this lying down. It wasn't long before they were hitting Little Ireland in retaliation. Though he'd fallen hard, Giovanni couldn't help but think if he took himself out of the equation, maybe the fighting would stop. It seemed it was dating Fiona that was the initial cause of all the battles. The street wars continued. Guido, Giovanni's youngest brother, was now making deliveries to Fiona's shop. It killed him to see his favorite customer and his brother so miserable. So Guido enlisted Paddy's help in trying to stop the street fighting. If they could get both sides to stand down, maybe they could end the bloody war. If there was no longer any fighting, Giovanni could go back to Fiona.

If You Knew My Sister Compendium Publishing & Communications

Designer clothes. Gorgeous boys. Family secrets. Major drama. The Duke twins and their fabulous Atlanta lives are back...proving why they don't call it Hotlanta for nothing! Twins Sydney and Lauren Duke are the privileged princesses of the Atlanta social scene. But an unsolved murder mystery keeps drawing them back to the wrong side of town. There, wild child Lauren has to risk everything to protect the boy who's stolen her heart. And prim-and-proper Sydney discovers details about their family's past that no one—least of all the girls' fiercely guarded mother—wants to face. When the twins realize what they're up against, can they deal with the dark, dangerous truth

If You Only Knew My Story Scholastic Inc.

What if you knew all the moments of my past that I am not proud of? What if you really knew me, the messy parts that I've hoped to forget and worked hard to

conceal? For so long, my greatest fear was what you might think of me if you only knew the whole story. It's exhausting, this guarding of our stories and struggles. Fear of being found out had caused me to hide—but I wasn't just covering my flaws, I was unintentionally blocking the beauty of God's grace. My journey to real freedom began when I quit running from my mess and started trusting Jesus to make something beautiful of it. This book is that story. It's stepping out of shame and insecurity into gospel freedom. It's letting God turn our failures and frailties into testimonies of His faithfulness. I've discovered that when we quit hiding, God gets the glory and we are able to fully embrace not only our relationship with Him, but also with one another.

Transparency brings freedom, and in every moment, we'll find that God can absolutely be trusted.

What If . . . Everyone Knew Your Name

Berkley Trade

My life was perfect - until a shocking tragedy pulled the rug out from underneath me. My children were left without a father. I was without a husband and a provider. Instead of wallowing in my grief, I buried myself in my work at Dovetail Enterprises. Landing the promotion as the CEO's right hand was exactly what I needed. Getting saddled with Milo Huxley as an assistant is exactly the opposite. I can't stand him. He's arrogant, irresponsible, and out for my job. As if that's not bad enough, he has to be devastatingly sexy, and have a posh English accent that makes me squirm on top of it all. I've had enough unpredictability for one lifetime, thank you. But soon enough, we're fighting less and laughing more. He's there for me when no one else is. And those good looks aren't the only panty-dropping thing about him. If I only knew what to do about it . . .

Hum If You Don't Know the Words HQN Books

The reader's choices control the course of Haley's sophomore year at a new high school as she navigates the social scene, deciding whether she wants to become a queen bee, a wannabee, a freak, or a geek. Simultaneous. It's Better If You Don't Know Swoon Reads When Sarah was a little girl, she talked to me about the things she went through as a child and how she came through with the grace of God and family, how she grew up on the farm, and the hurt and pain of sexual abuses she experienced. Sarah lived and suffered through domestic violence as a young adult and through her married life. Sarah even had a death experience. Sarah even talked about the prayer that her sister prayed to God for a miracle to take place in their lives due to hunger. She talked about how hard it was raising three children and how the abuse affected her life. She told me how God released her from domestic-violence abuse. She talked about the infidelity, lies,

and deception in her marriages. Sarah talked about the success she had in life and the success of her children. She often told how God called her into the ministry. Sarah shared about domestic violence, abuse, deliverance, healing, hope, finding your peace in the midst of a storm, loving yourself, reaching out and conquering fear, and loving one another. Sarah said to me what her favorite scripture is, "I can do all things through Christ who strengthens me" (Phil. 4:13).

If You Knew Her HarperCollins

The perfect life? Or the perfect lie . . . When Cassie Jensen arrives on the intensive care ward in St Catherine's hospital, Alice Marlowe the chief nurse, is fascinated by this young, beautiful woman who strikes her as familiar and yet she doesn't know why. But then Alice is astonished to discover something about Cassie that she has been keeping secret from everyone, including her devoted husband and family; a secret that changes everything. Frank is a patient on the same ward who has locked-in-syndrome, so can hear and see everything around him but cannot communicate. Soon he comes to understand that Cassie's life is still in danger and as the police continue to investigate what really happened to Cassie, only Frank holds the truth, which no one can know and he cannot tell . . .

What If Everybody Did That? HarperCollins

"What would you do if you know you could not fail?" These words, attributed to First Lady Eleanor Roosevelt, have inspired tens of millions to face their fears and dare to follow their hearts. This can-do compendium is a veritable tool kit for transforming readers from reticent to role model. From the authors of *Living Life as a Thank You*, this volume presents true stories of ordinary people with extraordinary fortitude. Authors Mary Beth Sammons and Nina Lesowitz have gone to the front lines of adversity and fear to surface the brave hearts who took action before they were forced to, confronting and overcoming their fears in inspirational ways. From world-class athletes, to spiritual teachers, to cancer patients, to ordinary people who took extraordinary action to transform their lives, these courage warriors teach readers to turn apprehension into action. Enriched with motivational quotes and power practices, this courage guidebook advises how to live life with guts and gusto. Readers learn to face and transform their fear, apply the art of tenacity when times are tough, embrace the lessons and gifts of a crisis that lead to personal growth, and simple, effective, and proven methods for confidence and courage.

If I Knew Then Christian Faith Publishing, Inc.

A writer for the local newspaper for tiny Haines, Alaska, provides a series of colorful portraits of the inhabitants, festivals, and activities of this close-knit but remote village, offering reflections on the life and death of local eccentric Speedy Joe who never took off his hat, the Chilkat Bald Eagle Festival, and neighbors, both human and animal.

If the Earl Only Knew Random House Canada

A simple and authoritative challenge to the conventional wisdom about AIDS, this newly revised book probes widely held

assumptions about the risks, tests, and treatments associated with this controversial disease. The ideas of the general public—that everyone is at risk, that AIDS is widespread, that HIV is proven to cause AIDS, and that drug treatments or vaccines offer the only hope to resolve health problems associated with AIDS—are refuted, and new information is presented on AIDS in Africa and recent research on the effects of AZT, protease inhibitors, and combo cocktails. A recommended reading list and website directory supply tools for further study, and first-person accounts from naturally healthy HIV-positive men, women, and children give the facts a human face.

What Would You Do If You Knew You Could Not Fail? Sphere

If You Lived Here, I'd Know Your Name Tressie Lockwood

The Internationally Bestselling Debut Thriller Also Available as a Paperback Original "Emotionally charged and tautly plotted, Emily Elgar's debut is a stunning example of psychological suspense." —Clare Mackintosh, international bestselling author of *I Let You Go* and *I See You From* a terrific new voice in psychological suspense comes a gripping thriller in the vein of *What She Knew* and *I Let You Go*. A woman in a coma. The man who could save her life—if only he could speak. When young, beautiful Cassie Jensen arrives unconscious to the intensive care ward

at St. Catherine's hospital after being struck in a hit-and-run while out walking her dog, chief nurse Alice Marlowe thinks she looks familiar. She starts digging deeper into Cassie's relationships, only to discover something about her patient that she'd been keeping secret from everyone, including her devoted husband and family. Soon Alice finds herself obsessed with her patient's past and future, even willing to put her own career on the line in her single-minded search for answers. Frank, a patient on the same ward who has locked-in syndrome, can hear and see everything around him but cannot speak. Soon he comes to understand that Cassie's life is still in danger. While the police continue to look for clues, only Frank holds the truth, but he's unable to communicate it. As the novel flashes between points of view, the reader will get closer and closer to the truth of who Cassie Jensen was, and why she was out on the road that fateful night . . .

The only autobiography of „ the greatest violinist of his generation “ (Yehudi Menuhin)
The road to the pinnacle of violin-playing has not been an easy one for David Garrett. His childhood revolved around discipline and working daily with his father, who fostered his talent and supported him, while also being an ambitious driving force. From the tender age of ten, he was already performing on stage with the world's greatest orchestras, later playing all the classical works as a teenager, before freeing himself from the shackles of his wunderkind existence in his early twenties and moving to New York to study. It was in that city that he laid the foundations for a new genre of classical music in the form of „ crossover “ , combining virtuoso violin music with the latest pop, which made him more famous than ever before. David is the perfect embodiment of a young man's onerous quest to carve out his own path and live authentically, finding his very own solution to this problem by fully committing to something that could just as easily have destroyed him as a person – music. In this autobiography, we witness his world through his own eyes; the dazzling highs, along with the sweat and tears – a dramatic, inspiring and touching book for all fans and music-lovers.

INSTANT NEW YORK TIMES
BESTSELLER - The Read With Jenna Today Show Book Club Pick! "A story of love and hope as interweaving characters display: how all moments, big and small, can measure a life. If you want joy, love, romance, and hope—read with us." —Jenna Bush Hager A luminous, spirit-lifting blockbuster for readers of *The Midnight Library*. Eight ordinary people. One extraordinary choice. It seems like any other day. You wake up, pour a cup of coffee, and head out. But today, when you open your front door, waiting for you is a small

wooden box. This box holds your fate inside: the answer to the exact number of years you will live. From suburban doorsteps to desert tents, every person on every continent receives the same box. In an instant, the world is thrust into a collective frenzy. Where did these boxes come from? What do they mean? Is there truth to what they promise? As society comes together and pulls apart, everyone faces the same shocking choice: Do they wish to know how long they'll live? And, if so, what will they do with that knowledge? The Measure charts the dawn of this new world through an unforgettable cast of characters whose decisions and fates interweave with one another: best friends whose dreams are forever entwined, pen pals finding refuge in the unknown, a couple who thought they didn't have to rush, a doctor who cannot save himself, and a politician whose box becomes the powder keg that ultimately changes everything. Enchanting and deeply uplifting, *The Measure* is a sweeping, ambitious, and invigorating story about family, friendship, hope, and destiny that encourages us to live life to the fullest.

[If I Knew Then What I Know Now](#) Sourcebooks, Inc.
In *What If . . . You Broke All the Rules*, Haley will turn 16 on Valentine's Day. But there won't be any big parties or celebrations to mark the occasion—her parents are so distracted by their own lives that they forget her birthday. Haley's dad is absorbed in finishing his documentary, and Haley's mom is spending waaaay too much time with a former coworker from San Francisco. With Perry and Joan preoccupied, Haley will suddenly find herself in a world without rules. Will Haley turn into a wild child or do the responsible thing? And how will Haley choose to spend her spring break—with a trip to Paris with Sasha, to Sebastian's hometown of Seville, making a movie in New Jersey with Irene, or in the Hamptons with Coco, Whitney, and their crew? It's up to you to choose Haley's destiny!
