What If . . . Everyone Knew Your Name
Notion Press

When Nora Banks goes to answer the doorbell very early one November 1st, she thinks it must be a group of teen pranksters still out trick-or-treating. But it's no prank—it's the Feds, who have come to arrest her husband Evan for a white collar crime. Nora's enviable, privileged life in the eighteenth-century house she'd quit her job to renovate to museum-quality perfection, is upended in an instant. The Bedford wives close ranks against Nora and her children. Nora's only support comes from her children's nanny Beatriz. The two women bond to raise the boys as smoothly as possible while Nora goes back to work. Baking has always been her biggest passion, so she launches a business of her own, the Summer Kitchen. Tempted by the offer of an affair with one of

the local husbands and thwarted by an alpha wife who actively tries to shut down her business, Nora has to reach into reserves she didn't know she had to support her family and change her way of thinking about life, family, money, and romance.

The 3Rd Rise Author House

Billionaire and retired Senator "Colonel" Alan Powers has hired the world's best scientist, Dr. Carver Benton, to create a transporter.

However, Benton's unknown, noble intention was far greater. His is to bring a few of our nation's forefathers to the year 2025 so they can

see first-hand how their American experiment has turned out. Five of the Constitutional signers, Hamilton, Madison, Morris, Dickinson, and Sherman are amazed at the technological advancements and cultural changes 238 years later! However, they are appalled at the onset of perpetual governmental welfare, trillions in national debt, a lack of respect for citizenship, and dismayed with the socialist values living within the White House. In their views, the republic they penned into existence has eroded. Returning to their own time in 1787, and taking their new experiences with them, they are faced with a decision to answer Benton's charge, 'Clarify and improve the U.S. Constitution'. If they succeed, what will America look like in the year 2025? What if they fail?

A Boxset collection of the

first 3 books in the Chronicles of Kerrigan Prequel Series! Christmas Before the Magic - Book #1 Learn how it all began ... before the magic of tatùs. When Argyle invites his best friend, Simon Kerrigan, home for the Christmas holidays, he wants to save Simon from staying at Guilder Boarding School on his own. Simon comes along and doesn't expect to find much more excitement in the tiny Scottish town where Argyle's family lives. Until he meets Beth, Argyle's older sister. She's beautiful, brash and clearly interested in him. When her father warns him to stay away

from her, Simon tries, but sometimes destiny has a hope of its own. Question the Darkness - Book #2 Learn how it all began ... before Rae Kerrigan. The sins of the father are the sins of the son. What did Rae's father do that put fear in people's eyes at the name Kerrigan? Simon Kerrigan is a bright kid. He likes to ask questions and push adults in their way of thinking. He's falling for a girl he's been warned to stay away from. Tempted by forbidden love, he also must face the biggest challenge of his life: receive a tattoo on his sixteenth birthday. This ink is going to give him a supernatural ability unlike anyone before him. When secrets of the past begin to reveal themselves, he questions everything he's ever known. Pressure from Guilder Boarding School and the Privy Council only confuse Simon more as he struggles to find himself. How hard will he have to shake the family tree to find the truth about the past? The Chronicles of Kerrigan Prequel is the beginning of the story before Rae Kerrigan. Christmas Before the Magic is just the beginning (but not the end...) Into the Darkness - Book #3 What did Rae's father do that put fear in

people's eyes at the name Kerrigan? After a mysterious attempt is made on his life, Simon Kerrigan has more questions than ever, and this time, he's not the only one. The beginnings of a secret society are formed at Guilder. A society of other like-minded students all unsatisfied with the status quo. All searching for the truth. But things aren't always as they seem. When Simon gets an unexpected visitor, his entire world is turned upside-down. Suddenly, the rules that were made to keep him safe, are the only things standing in his way. Who can he trust? Can he learn

to master his tatù? Most importantly, can he do it in time to protect those things that are most precious to him?

Love of the Beast B&H Publishing Group Compostela (Tesseract Twenty) is an anthology of hard and soft science fiction stories that best represent a futuristic view of the sciences and how humanity might be affected (for better or worse) by a reliance in all things technological. The stories contained within the pages of Compostela are a reflection of the world we live in today; where science produces both wonders and horrors; and will leave us with a future that undoubtedly will contain both. Journeys to the stars may be exhilarating and mind-expanding, but they can also be dangerous or

even tragic. SF has always reflected that wide range of possibilities. Compostela (Tesseract's Twenty) features works by Canadian visionaries: Alan Bao, John Bell, Chantal Boudreau, Leslie Brown, Tanya Bryan, J. R. Campbell, Eric Choi, David Clink, Paulo da Costa, Miki Dare, Robert Dawson, Linda DeMeulemeester, Steve Fahnstalk, Jacob Fletcher, Catherine Girczyc, R. Gregory, Mary-Jean Harris, Geoffrey Hart, Michaela Hiebert, Matthew Hughes, Guy Immega, Garnet Johnson-Koehn, Michael Johnstone, Cate McBride, Lisa Ann McLean, Rati Mehrotra, Derryl Murphy, Brent Nichols, Susan Pieters, Alexandra Renwick, Rhea Rose, Robert J. Sawyer, Thea van Diepen, Nancy S. M. Waldman. About the title of this anthology: For more than 1,000 years, Santiago de

Compostela (Compostela means "field of stars") has attracted pilgrims to walk to the cathedral that holds St. James the apostle's relics. The stories in this anthology in their own way tell the tale of futuristic travelers who journey into the dark outer (or inner) reaches of space, searching for their own connections to the past, present and future relics of their time.

What If They Knew Funstory

The demon Saul has broken the seal that had held his army trapped inside. The God of War has returned to lead the heroes of the past and the men of the future against the Army that threatens to sweep across the world. But before they can do anything else they must fight the dead.

I Could Do Anything If I Only Knew What It Was
University of Hawaii Press

Rocky was the reigning superstar of Hindi cinema in the 80s. The world was at his feet. Money followed, success followed and so did fame. But happiness eluded him. Emptiness manifested his behaviour into an unpleasant experience for others. The media called him the ' bad boy ' ! Producers called him irresponsible! Gossip mongers called him Casanova! But medical professionals termed it ' Depression ' ! Depression is a black dog that besets and pushes you from peak to nadir. In this troubled journey of ups

and downs, meeting dead-end is almost a certainty. Many even fail to recover after hitting rock bottom. Did the protagonist meet the same fate? Or did he catch a straw?

The Lizard Queen Yearling

With Japanese Philosophy: A Sourcebook, readers of English can now access in a single volume the richness and diversity of Japanese philosophy as it has developed throughout history. Leading scholars in the field have translated selections from the writings of more than a hundred philosophical thinkers from all eras and schools of thought, many of them available in English for the first time. The Sourcebook editors have set out to represent the entire Japanese philosophical tradition—not only the broad spectrum of academic philosophy dating from the introduction of Western philosophy in the latter part of the nineteenth century, but also the philosophical ideas of major Japanese traditions of Buddhism, Confucianism, and Shinto. The philosophical significance of each tradition is laid out in an

extensive overview, and each selection is accompanied by a brief biographical sketch of its author and helpful information on placing the work in its proper context. The bulk of the supporting material, which comprises nearly a quarter of the volume, is given to original interpretive essays on topics not explicitly covered in other chapters: cultural identity, samurai thought, women philosophers, aesthetics, bioethics. An introductory chapter provides a historical overview of Japanese philosophy and a discussion of the Japanese debate over defining the idea of philosophy, both of which help explain the rationale behind the design of the Sourcebook. An exhaustive glossary of technical terminology, a chronology of authors, and a thematic index are appended. Specialists will find information related to original sources and sinographs for Japanese names and terms in a comprehensive bibliography and general index. Handsomely presented and clearly organized for ease of use, Japanese Philosophy: A Sourcebook will be a cornerstone in Japanese studies for decades to come. It will be an essential reference for anyone interested in traditional or contemporary Japanese culture and the way it has shaped and been shaped by its great thinkers over the centuries.

[If Your Girl Only Knew](#) Dark Shadow Publishing

What if you knew all the moments of my past that I am not proud of? What if you really knew me, the messy parts that I 've hoped to forget and worked hard to conceal? For so long, my greatest fear was what you might think of me if you only knew the whole story. It 's exhausting, this guarding of our stories and struggles. Fear of being found out had caused me to hide—but I wasn 't just covering my flaws, I was unintentionally blocking the beauty of God 's grace. My journey to real freedom began when I quit running from my mess and started trusting Jesus to make something beautiful of it. This book is that story. It 's stepping out of shame and insecurity into gospel freedom. It 's letting

God turn our failures and frailties into testimonies of His faithfulness. I ' ve discovered that when we quit hiding, God gets the glory and we are able to fully embrace not only our relationship with Him, but also with one another. Transparency brings freedom, and in every moment, we'll find that God can absolutely be trusted.

The Boy Who Skipped EDGE-Lite

Her husband had gotten Xiao San pregnant, so she went back to her parents' home in anger. She later found out that it wasn't Xiao San who ruined her marriage, but her closest family. it's a myth until their friends disappear.

Decker's Daughter Harlequin

MISTRESS TO A MONARCH...?

Breathless, Dr. Kate Milner couldn't help but stare at the King of Doriana and remember the electricity they'd shared in college. Years later, she was working in his clinic and found herself wanting to strip Marc of his regal robes and rediscover the man she'd once known. Newly crowned king, Marc DeLoria had a dilemma that compounded daily. Did he give in to his primal feelings for Kate—and become tabloid gossip—or show himself as a strong, saintly ruler? The more time he spent with Kate, the more he realized that not only was the crown in jeopardy...his heart was in the greatest danger of all!

What You Don't Know About Charlie Outlaw

Scholastic Inc.

After escaping an abusive ex and business partner, Kaitlin Grant is broken and bruised, but determined to find a safe haven in the small Iowa hometown of her childhood and forge a new future—alone. Katie doesn't anticipate the potent electricity still sizzling between her and her first love, Sky Whitefeather. Following his return from Iraq with a daughter and an unforgivable secret, Sky tries to bury the past until Katie, the woman who once crushed him, reappears and threatens to rekindle his reckless desire—and his foolish heart. But a love that's meant to be cannot be denied, and Fate intervenes to throw Katie and Sky into each other's arms, where the flame burns hotter than ever. Then danger emerges from the shadows. Suddenly, Katie is in jeopardy...and only Sky can save her. Forced together under one roof, they grapple with their tragic past and confront their uncertain future. Can they survive long enough to mend their hearts and admit their love...or will death and betrayal destroy their dreams forever?

Expecting the Sheikh's Baby Volume 1 from Harlequin AMACOM Div American Mgmt Assn

Welcome to the thrilling and unnervingly prescient world of the slow horses. This team of MI5 agents is united by one common bond: They've screwed up royally and will do anything to redeem themselves. This special tenth-anniversary deluxe edition of a modern classic includes a foreword by the author, discussion questions for book clubs, and an exclusive short story featuring the slow horses. London, England: Slough House is where washed-up MI5 spies go to while away what's left of their failed careers. The “slow horses,” as they're called, have all disgraced themselves in some way to get relegated there. Maybe they botched an Op so

badly they can't be trusted anymore. Maybe they got in the way of an ambitious colleague and had the rug yanked out from under them. Maybe they just got too dependent on the bottle—not unusual in this line of work. One thing they have in common, though, is they want to be back in the action. And most of them would do anything to get there—even if it means having to collaborate with one another. When a young man is abducted and his kidnappers threaten to broadcast his beheading live on the Internet, the slow horses see an opportunity to redeem themselves. But is the victim really who he appears to be?

If I Only Knew Nelson Thornes

My life was perfect - until a shocking tragedy pulled the rug out from underneath me. My children were left without a father. I was without a

husband and a provider. Instead of wallowing in my grief, I buried myself in my work at Dovetail Enterprises. Landing the promotion as the CEO's right hand was exactly what I needed. Getting saddled with Milo Huxley as an assistant is exactly the opposite. I can't stand him. He's arrogant, irresponsible, and out for my job. As if that's not bad enough, he has to be devastatingly sexy, and have a posh English accent that makes me squirm on top of it all. I've had enough unpredictability for one lifetime, thank you. But soon enough, we're fighting less and laughing more. He's there for me when no one else is. And those good looks aren't the only panty-dropping thing about him. If I only knew what to do about it . . .

Never Live Up to Your Love Delacorte Press
If You Knew Me You Would Care represents a journey taken to find the stories of women who have survived wars, violence and

poverty. The accounts within go beyond tears and victimhood to reveal joy, love and forgiveness, in a project brought to life by Women for Women International, an organisation providing female survivors of war, civil strife and other conflicts with the tools and resources to move from crisis and poverty to stability and self-sufficiency. This work is a collaboration between women's rights activist Zainab Salbi and photographer Rennio Maifredi.

Slow Horses (Deluxe Edition) Dell

Decker Cauldron's life is going pretty well: he's got a good job, he loves living on his family's ancestral ranch, and he's surrounded by enough brothers and cousins to support and tease. But under his quiet nature hides a secret: He's always wanted kids...lots of kids. Kids to teach, kids to worry about, kids to spoil and raise into being respected adults. When Pops

starts pressuring him to marry, his yearning for all those kids becomes even stronger. He's going to have to find a wife, isn't he? Bobbi Rae Diamon is struggling. Though her nursing salary covers rent and groceries for her and her six-year-old daughter, CJ, there's not a lot left over for much else. So when CJ is offered a chance to learn to ride at a local ranch for free, Bobbi jumps at the chance...only to discover the lesson is being offered by the most drop-dead gorgeous man she's ever met: Decker Cauldron. Bobbi learned a lesson of her own long ago: Falling in love with Decker, no matter how sweet and caring the strong-but-silent cowboy might be, would lead to disaster with heartbreaking consequences. And in no way can she allow CJ to fall in love with him, because the little girl's heart was even more fragile than Bobbi's own. But CJ has plans of her own. If her mother is too stubborn to see reason, then it's up to the determined six-year-old to bring Bobbi and Decker together herself!

Compostela (Tesseract Twenty) Funstory
