This is General Journal Book (The general journal is one of the books of accounts which records every business transaction relating to all the accounting items) / There are space for Date, Description, Account#, Debit(-), Credit(+), Page / Come with Chart of accounts (is a list of account names with corresponding account numbers) / Checking Account Ledger, Accounting Ledger, Daily Records Every Business Transaction Before It Flows To The Classification of Transactions In Accountancy (First Accounting Book Before General Ledger) / Size 8.5 x11 / NOTE: Differences Between GENERAL JOURNAL vs GENERAL LEDGER: The general journal is a catch-all book of accounts where initial entry of the business transaction is recorded for the first time, in chronological order, making general journal an excellent place to review accounting transactions. The general ledger is more of a summary at the account level of every business transaction which comes from various journals containing chronological accounting entries. This information entered into the journal and summarised into the ledger is then aggregated further into a trial balance, which is used to generate the financial statements of the business entity. // GENERAL JOURNAL vs GENERAL LEDGER (Comparison Table)1. MeaningJournal is the first entry of financial transaction that is rightly summarized and recorded as

per the double entry system.Ledger is recorded from the journal in a "T" format and is the source of trial balance, income statement, and balance sheet.2. Which is more important?Journal is more important than ledger because if it is done wrong, ledger can't be done right.Ledger is dependent upon the correctness of a journal because if the journal is recorded right, the ledger will follow along.3. FormatThe format of a journal is simple and we include date, particulars, ledger folio, debit amount and credit amount.The format of the ledger is "T" format where we use date, particulars, and amount in each side.4. LabelJournal is called "book of original entry".Ledger is called "book of second entry".5. An act of recordingThe act of journaling is called journalizing.The act of ledgering is called posting.6. How is the entry recorded?In a journal, the entry is recorded as per the date of the transaction.In ledger, the entry is recorded account-wise.7. NarrationIn a journal, the narration is must to understand the nature of entry.In ledger, the narration is optional.8. Necessity of balancingBalancing is not required in journal.Balancing is mandatory in ledger.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging

accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.
