It is very easy to define informal writing. It is

---

the style you use when you talk to your friends or with people in an informal setting. It is the style you use on instant messaging systems, for example. You are free to include broken syntax, slang, figures of speech, contractions, and asides.

The informal essay is written mainly for enjoyment. This is not to say that it cannot be informative or persuasive; however, it is less a formal statement than a relaxed expression of opinion, observation, humor or pleasure. A good informal essay has a relaxed style but retains a strong structure, though that structure may be less rigid than in a formal paper.
