What Mothers Do: especially when it looks like nothing by Naomi Stadlen is touted as a parenting book, but it ' s not like other parenting books in that it ' s not a how-to

guide. Rather, it looks at behaviours of mothers and breaks them down, describing how much in fact moms do every day with their children, even when it may look like nothing.

What Mothers Do - by Naomi Stadlen

This book does a beautiful job of allowing us to examine what it is mothers--especially stay-at-home mothers--do all day, and, more than that, to name and honor those things. It can be very easy to feel like you're "not getting anything done," when, in fact, you are working hard all day at arguably the most important job there is!
