THE INSTANT NEW YORK TIMES BESTSELLER* *CURRENTLY BEING DEVELOPED FOR TELEVISION BY TOMORROW STUDIOS A dazzling biography of three of the most glamorous women of the 20th Century: Jacqueline Bouvier Kennedy Onassis, her mother Janet Lee Auchincloss, and her sister, Princess Lee Radziwill. "Do you know what the secret to happily-ever-after is?" Janet Bouvier Auchincloss would ask her daughters Jackie and Lee during their tea time.

"Money and Power," she would say. It was a lesson neither would ever forget. They followed in their mother's footsteps after her marriages to the philandering socialite "Black Jack" Bouvier and the fabulously rich Standard Oil heir Hugh D. Auchincloss. Jacqueline Bouvier would marry John F. Kennedy and the story of their marriage is legendary, as is the story of her second marriage to Greek shipping magnate Aristotle Onassis. Less well known is the story of her love affair with a world renowned architect and a British peer. Her sister, Lee, had liaisons with one and possibly both of Jackie's husbands, in addition to her own three marriages—to an illegitimate royal, a Polish prince and a Hollywood director. If the Bouvier women personified beauty, style and fashion, it was their lust for money and status that drove them to seek out powerful men, no matter what the cost to themselves or to those they stepped on in their ruthless climb to the top. Based on hundreds of new interviews with friends and family of the Bouviers, among them their own half-brother, as well as letters and journals, J. Randy Taraborrelli's book paints an extraordinary psychological portrait of two famous sisters and their ferociously ambitious mother.

A poignant, evocative, and wonderfully gossipy account of the two sisters who represented style and class above all else—Jackie Kennedy Onassis and Lee Radziwill—from the authors of *Furious*

Love. When sixty-four-year-old Jackie Kennedy Onassis died in her Fifth Avenue apartment, her younger sister Lee wept inconsolably. Then Jackie's thirty-eight-page will was read. Lee discovered that substantial cash bequests were left to family members, friends, and employees—but nothing to her. "I have made no provision in this my Will for my sister, Lee B. Radziwill, for whom I have great affection, because I have already done so during my lifetime," read Jackie's final testament. Drawing on the authors' candid interviews with Lee Radziwill, *The Fabulous Bouvier Sisters* explores their complicated relationship, placing them at the center of twentieth-century fashion, design, and style. In life, Jackie and Lee were alike in so many ways. Both women had a keen eye for beauty—in fashion, design, painting, music, dance, sculpture, poetry—and both were talented artists. Both loved pre-revolutionary Russian culture, and the blinding sunlight, calm seas, and ancient olive groves of Greece. Both loved the siren call of the Atlantic, sharing sweet, early memories of swimming with the rakish father they adored, Jack Vernou Bouvier, at his East Hampton retreat. But Jackie was her father's favorite, and Lee, her mother's. One would grow to become the most iconic woman of her time, while the other lived in her shadow. As they grew up, the two sisters developed an extremely close relationship threaded with rivalry, jealousy, and competition. Yet it was probably the most important relationship of their lives. For the first time, Vanity Fair contributing editor Sam Kashner and acclaimed biographer Nancy Schoenberger tell the complete story of these larger-than-life sisters. Drawing on new information and extensive interviews with Lee, now eighty-four, this dual biography sheds light on the public and private lives of two extraordinary women who lived through immense tragedy in enormous glamour.

"ABSOLUTELY IRRESISTIBLE." —People In 1951, former debutante Jacqueline Bouvier is hard at work as the Inquiring Camera Girl for a Washington newspaper. Her mission in life is "not to be a housewife," but when she meets the charismatic congressman Jack Kennedy at a Georgetown party, her resolution begins to falter. Soon the two are flirting over secret phone calls, cocktails, and dinner dates, and as Jackie is drawn deeper into the Kennedy orbit, and as Jack himself grows increasingly elusive and absent, she begins to question what life at his side would mean. For answers, she turns to his best friend and confidant, Lem Billings, a closeted gay man who has made the Kennedy family his own, and who has been instructed by them to seal the deal with Jack's new girl. But as he gets to know her, a deep and touching friendship emerges, leaving him with painfully divided alliances and a troubling dilemma: Is this the marriage she deserves? Narrated by an older Lem as he looks back at his own role in a complicated alliance, this is a courtship story full of longing and of suspense, of what-ifs and possible wrong turns. It is a surprising look at Jackie before she was that Jackie. And in best-selling author Louis Bayard's witty and deeply empathetic telling, *Jackie & Me* is a page-turning story of friendship, love, sacrifice, and betrayal—and a fresh take on two iconic American figures.
