Quotes by John D. Caputo

In this lively and provocative analysis, he argues that in his own way Jesus himself was a deconstructionist and that applying deconstruction to the church can be a positive move toward renewal. Deconstruction is not destruction but rather a breaking down of the object in question so as to open it up to its own future and make it more loyal to itself.

What Would Jesus Deconstruct?

What Would Jesus Deconstruct by philosopher John Caputo is an excellent example of deconstruction of self-absorbed and self-affirming

religious systems.

The book is highly readable and will stir the reader's mind.

So, if we ask, "What would Jesus deconstruct?"

the answer is first and foremost: the church! For the idea behind the church is to give way to the kingdom, to proclaim and enact and finally disappear into the kingdom that Jesus

called for, all the while resisting the temptation of confusing itself with the kingdom.
