REVIEW “ A spirited, independent heroine meets a smoking-hot fireman in Center ’ s smart romance... If you enjoyed ‘ The Kiss Quotient, ’ by Helen Hoang, read Things You Save in a Fire ” ’ — **THE WASHINGTON POST** From the New York Times bestselling author of How to Walk Away comes a stunning new novel about courage, hope, and learning to love against all odds. Cassie Hanwell was born for emergencies. As one of the only female firefighters in her Texas firehouse, she's seen her fair share of them, and she's a total pro at other people's tragedies. But when her estranged and ailing mother asks her to give up her whole life and move to Boston, Cassie suddenly has an emergency of her own. The tough, old-school Boston firehouse is as different from Cassie's old job as it could possibly be. Hazing, a lack of funding, and poor facilities mean that the firemen aren't exactly thrilled to have a "lady" on the crew—even one as competent and smart as Cassie. Except for the infatuation-inspiring rookie, who doesn't seem to mind having Cassie around. But she can't think about that. Because love is girly, and it ’ s not her thing. And don ’ t

forget the advice her old captain gave her: Never date firefighters. Cassie can feel her resolve slipping...and it means risking it all—the only job she ’ s ever loved, and the hero she ’ s worked like hell to become. Katherine Center's *Things You Save in a Fire* is a heartfelt and healing tour-de-force about the strength of vulnerability, the nourishing magic of forgiveness, and the life-changing power of defining courage, at last, for yourself.

"The story's message, that people should choose joy even (and especially) in difficult and painful times, seems tailor-made for this moment. A timely, uplifting read about finding joy in the midst of tragedy, filled with quirky characters and comforting warmth."—Kirkus (starred review) From the New York Times bestselling author of *How to Walk Away* comes a stunning new novel full of heart and hope. Samantha Casey is a school librarian who loves her job, the kids, and her school family with passion and joy for living. But she wasn't always that way. Duncan Carpenter is the new school principal who lives by rules and regulations, guided by the knowledge that bad things can happen. But he wasn't always that way. And Sam knows it. Because she knew him before—at another school, in a different life. Back then, she loved him—but she was invisible. To him. To everyone. Even to herself. She escaped to a new school, a new job, a new chance at living. But when Duncan, of all people, gets hired as the new principal there, it feels like the best thing that could possibly happen to the school—and the worst thing that could possibly happen to Sam. Until the opposite turns out to be true. The lovable Duncan she'd known is now a suit-and-tie wearing, rule-enforcing tough guy so hell-bent on protecting the school that he's willing to destroy it. As the school community spirals into chaos, and danger from all corners looms large, Sam and Duncan must find their way to who they really are, what it means to be brave, and how to take a chance on

love—which is the riskiest move of all. With Katherine Center’s sparkling dialogue, unforgettable characters, heart, hope, and humanity, *What You Wish For* is the author at her most compelling best.

Meanwhile, Madison receives anonymous notes warning that she could be next. Desperate to solve the mystery before anyone else disappears, Madison turns to Tyler, but can she trust him when it becomes clear that he knows more than he’s sharing? The clock is ticking. #1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which

she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?
