A whip-smart and illuminating exploration of the world's fascination with witches from podcast host and practicing witch Pam Grossman (*The Witch Wave*), who delves deeply into why witches have intrigued us for centuries and why they're more relevant now than ever. When you think of a witch, what do you picture? Pointy black hat, maybe a broomstick. But witches in various guises have been with us for millennia. In *Waking the Witch*, Pam Grossman explores the cultural and historical impact of the world's most magical icon. From the idea of the femme fatale in league with the devil in early modern Europe and Salem, to the bewitching pop culture archetypes in *Buffy the Vampire Slayer*, *Sabrina the Teenage*

Witch, and *Harry Potter*; from the spooky ladies in fairy tales and horror films to the rise of feminist covens and contemporary witchcraft, witches reflect the power and potential of women. In this fascinating read that is part cultural analysis, part memoir, Pam opens up about her own journey on the path to witchcraft, and how her personal embrace of the witch helped her find strength, self-empowerment, and a deeper purpose. A comprehensive meditation on one of the most mysterious and captivating figures of all time, *Waking the Witch* celebrates witches past, present, and future, and reveals the critical role they have played—and will continue to play—in shaping the world as we know it.

the word "witches," they think of horror films and Halloween, but to the nearly one million Americans who practice Paganism today, witchcraft is a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day magic. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters. This sprawling magical community compels Mar to confront what she believes is possible--or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying every faith: Why do we choose to believe in anything at all?--Adapted from book jacket.

"Un-put-downable!"  
"Another wildly entertaining romp through Wisteria with our new best friends!"

"Lots of laugh out loud moments, but also some scary, nail-biting moments!" "Reading about Zara and her antics keeps me in stitches and the mystery keeps me turning the pages to find out more. I really hate having to put this book down to carry on in the real world." D. Keith "I love this series. Please write faster, Miss Angela. I am anxious to start book 3 of *Wisteria Witches* immediately. At first the *Stormy Day* series was my favorite, but I really enjoy the wacky characters, the magical powers and the story line, along with the slightly oddball humor of this series. Even my husband enjoys them." Sandra DiMaio-Leach "This is my new favorite series. I've already recommended it to so many people! Zara's and Zoey's snarky humor and great relationship are the best part of the books." Wyndi Sanchez "I enjoyed this book very much...it's not your usual cozy mystery. The characters have a lot more depth and personality. The story line keeps you guessing. I'm looking forward to more in this series." Victoria "I love this series! I am still laughing about sleep toasting! The main characters have flaws but the story doesn't become a therapy session, just a good paranormal mystery." Mys Sherry "Loved it! It's light hearted, and a fun, relaxing read. Sometimes that's just what you need -- something entertaining without blood and gore, abusive spouses, etc. I enjoy a variety of books and this is one I would choose to unwind with." Rebecca Carlson "The first *Wisteria Witches*

book was great, but the second was even better. I couldn't put it down." Leo Lady" Another fun and crazy ride through the strange town of Wisteria and all its mysteries, paranormal events, and totally dysfunctional characters. Lots of laughs while the Riddles fall into another crazy and mysterious event! This is once again another "you just can't put it down" and have to just read one more chapter, and one more chapter, aww gee, I have to finish this book now! Loved it and can't wait to get started on the third book in the series. What other crazy things can Zara get herself into?" Merry, Vero Beach, FL "Gilmore Girls / Sabrina / Miss Marple, all rolled into one. Fun read! Part mystery novel, a big scoop of the supernatural with heartwarming mother/daughter bonding makes this a warm fuzzy read. I love the rapid fire, witty dialog. The librarian red headed witch has a much more fun life than I do."

Nascent Witch Simon and Schuster

"Lisa Lister is an uber-goddess of humour, wisdom, fun and cheek. She's just what THIS doctor ordered." – Dr Christiane Northrup, author of Goddesses Never Age and Making Life Easy A witch is a wise woman, a healer. Yet for so long the word "witch" has had negative connotations. In this book, third generation hereditary witch Lisa Lister explains the history behind witchcraft, why identifying as a healer in past centuries led women to be burned at the stake, and why the witch is reawakening in women across the world today. All women are witches, and when they connect to source, trust their intuition, and use their magic, they can make medicine to heal themselves and the world. This book is a re-telling of Herstory, an overview of the different schools of witchcraft and the core principles and practices within them. Discover ancient wisdom made relevant for modern witches:

- The wheel of the year, the sabbats, the cycles of the moon.
- Tools to enhance your intuition,

---

including oracle cards and dowsing, so that you can make decisions quickly and comfortably. • Understanding the ancient use of the word "medicine". • How to work with herbs, crystals, and power animals so that you have support in your spiritual work. • How to build and use a home altar to focus your intentions and align you with seasonal cycles, the moon cycles, and your own intentions for growth.

- Cleanse, purify, and create sacred space.
- Work with the elements to achieve deep connection with the world around you.

In addition, Lisa teaches personal, hands-on rituals and spells from her family lineage of gypsy witch magic to help you heal, manifest, and rediscover your powers. Above all, Lisa shows that we really are "the granddaughters of the witches that they couldn't burn".

But when a spellcasting tournament that her family serves as arbiters for approaches, it

For a twenty-seven-year-old failed artist with heaps of student debt and no career prospects, this is pretty groundbreaking news. As Sable prepares Sela for her Nascent Eve, a witch's ritual initiation, she finds herself dreaming of witches she's never met before. Then, Sela meets what very well might be the man of her dreams, or at least the one to save her from an endless purgatory of dating apps...if only she didn't have to hide her witchy destiny from him. But when Sela's Nascent Eve goes awry, she and Sable learn that unseen magic from her past is starting to wreak havoc on her already chaotic present, putting that witchy destiny of hers in jeopardy. Sela has to figure out how to control her powers before things get worse, but a visit home reveals that fixing the past might be much more complicated than Sela or Sable realize. And when the witches from Sela's dreams begin to appear in real life, questions arise about exactly what kind of witch this frazzled millennial really is. All of this would be a hell of a lot easier to deal with if Sela didn't have a magical stalker interrupting all of her most romantic dates, and if her familiar's ice cream addiction wasn't driving her further into debt. But what's a witch to do?
