Nikolai Independently Published

An extraordinary, propulsive novel based on the true story of a family of Polish Jews who scatter at the start of the Second World War, determined to survive, and to reunite. It is the spring of 1939, and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows ever closer. Driven by an extraordinary will to survive and by the fear that they may never see each other again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere.

What You Left Me CreateSpace

When All That's Left of Me Is Love is an intensely personal story about one family's determination to enjoy life while anticipating death. Linda Campanella's emotional account of her last year with her mother, Nancy Sachsse, wrote itself on the pages of her mind as she lay awake unable to sleep in the days and weeks following Nan's death one year and one day after a diagnosis of terminal cancer. It is a heartwarming memoir filled with insights and inspirations that will help anyone jolted into confronting the inevitability and sudden imminence of death. Join the author as she reconstructs and relives a year of living while dying and, in the process, comes to terms with the pain and permanence of her loss. When All That's Left of Me Is Love is indeed a sad story born of death, but it is above all an uplifting portrait of living, loving, believing, and letting go. It is a celebration of the special bond between mothers and daughters, a touching love story, a spiritual journey, a poetry lesson, and even a case for happy hour. This story of a daughter's undying love for her dying mother will move and inspire not only those who face or fear death but also those who love and embrace life. 'This book is truly a testament of love, as the title suggests. It is about love refined and deepened by grief and gratitude. It is a tribute to a mother who loved with her last breath and beyond. It is the story of a daughter who gives herself away through the gift of her pen.' -Sharon G. Thornton, Ph.D., Professor of Pastoral Theology at Andover Newton Theological School

Crying in H Mart Harper Collins

In the final installment in the Hybrid Chronicles—bound to captivate fans of Ally Condie, Lauren Oliver, and Scott Westerfeld—Addie and Eva must come to terms with sharing a body as they fight for lasting change and hybrid freedom. Addie and Eva barely survived the explosion at the Powatt institution, but they refuse to sit still as the nation ripples with rebellion. When an ambitious reporter offers Addie and Eva the chance to go undercover and film the wretched conditions of a hybrid

institution, the girls jump at the chance to once again take part in the fight for hybrid freedom. As Eva and Addie walk into danger, they cling to each other and the hope of a better future. But the price they might pay is higher than they ever could have imagined. **Clowns to the Left of Me, Jokers to the Right** Legacy Lit

Fans of Stephenie Meyer's *The Host* will enjoy *What's Left of Me*, Kat Zhang's shocking, thought-provoking, and emotionally charged story of two souls sharing one body. *What's Left of Me*, the first book of the *Hybrid Chronicles*, is set in an alternate reality where everyone is born with two souls. But one soul is naturally dominant, and in early childhood, the other soul fades away. That didn't happen for Addie and Eva. Now fifteen, Eva clings to life inside the body she shares with Addie, although she can no longer speak or even move. Addie does everything she can to hide the presence of her sister soul. Eva's very existence is illegal. If their secret is revealed, it could mean death for both of them.

Someone You Love Remedica

**A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER •** From the indie rockstar of *Japanese Breakfast* fame, one of *TIME*'s Most Influential People of 2022, and author of the viral 2018 *New Yorker* essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the

page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Charly Johnson created a bucket list when cancer left her mother with less than a year to live. They didn't make it all the way through the list before she died, but she made Charly promise to finish it and live her life to the fullest. Spending the summer in a coastal mountain city in Maine is next on her list. The scenic town is perfect for finding adventure, and the quirky inn owner makes her feel right at home in the guest house. Except for the fact that her new living quarters belong to the owner's grump of a grandson. Bryce Holden was an NFL player before sustaining a career-ending spinal injury. The people he thought would stand by his side left him when he was no longer a football star. Now, he prefers to live his life as a recluse, keeping outsiders at arm's length where his heart is safe. The last thing Bryce needs is to fall for a beautiful woman who will leave him like everyone else. But when he sees Charly's incomplete bucket list, and the bruised heart she wears on her sleeve, he resolves to help her on her journey. Even if it means losing her at the end of it. *\*Someone You Love* is a touching forced-proximity summer contemporary romance about a former NFL star who is disabled, and a sweet heroine who's trying to heal after the loss of her mother. This is a standalone novel with several open-door steamy scenes, and a HEA.

[Speak](#) Penguin

"Fascists," "Brownshirts," "jackbooted stormtroopers"—such are the insults typically hurled at conservatives by their liberal opponents. Calling someone a fascist is the fastest way to shut them up, defining their views as beyond the political pale. But who are the real fascists in our midst? *Liberal Fascism* offers a startling new perspective on the theories and practices that define fascist politics. Replacing conveniently manufactured myths with surprising and enlightening research, Jonah Goldberg reminds us that the original fascists were really on the left, and that liberals from Woodrow Wilson to FDR to Hillary Clinton have advocated policies and principles remarkably similar to those of Hitler's National Socialism and Mussolini's Fascism. Contrary to what most people think, the Nazis were ardent socialists (hence the term "National socialism"). They believed in free health care and guaranteed jobs. They confiscated inherited wealth and spent vast sums on public education. They purged the church from public policy, promoted a new form of pagan spirituality, and inserted the authority of the state into every nook and cranny of daily life. The Nazis declared war on smoking, supported abortion, euthanasia, and gun control. They loathed the free market, provided generous pensions for the elderly, and maintained a strict racial quota system in their universities—where campus speech codes were all the rage. The Nazis led the world in organic farming and alternative medicine. Hitler was a strict vegetarian, and Himmler was an animal rights activist. Do these striking parallels mean that today's liberals are genocidal maniacs, intent on conquering the world and imposing a new racial order? Not at all. Yet it is hard to deny that modern progressivism and classical fascism shared the same intellectual roots. We often forget, for example, that Mussolini and Hitler had many admirers in the United States. W.E.B. Du Bois was inspired by Hitler's Germany, and Irving Berlin praised Mussolini in song. Many fascist tenets were espoused by

American progressives like John Dewey and Woodrow Wilson, and FDR incorporated fascist policies in the New Deal. Fascism was an international movement that appeared in different forms in different countries, depending on the vagaries of national culture and temperament. In Germany, fascism appeared as genocidal racist nationalism. In America, it took a "friendlier," more liberal form. The modern heirs of this "friendly fascist" tradition include the New York Times, the Democratic Party, the Ivy League professoriate, and the liberals of Hollywood. The quintessential Liberal Fascist isn't an SS storm trooper; it is a female grade school teacher with an education degree from Brown or Swarthmore. These assertions may sound strange to modern ears, but that is because we have forgotten what fascism is. In this angry, funny, smart, contentious book, Jonah Goldberg turns our preconceptions inside out and shows us the true meaning of Liberal Fascism.

[What's Left of My World](#) Vintage

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

[All That's Left of Me](#) Harper Collins

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The *Leader in Me* that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught *The 7 Habits of Highly Effective People* to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O:

The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

#### Once We Were HarperCollins

What do we know about ordinary people in our towns and cities, about what really matters to them and how they organize their lives today? This book visits an ordinary street and looks into thirty households. It reveals the aspirations and frustrations, the tragedies and accomplishments that are played out behind the doors. It focuses on the things that matter to these people, which quite often turn out to be material things – their house, the dog, their music, the Christmas decorations. These are the means by which they express who they have become, and relationships to objects turn out to be central to their relationships with other people – children, lovers, brothers and friends. If this is a typical street in a modern city like London, then what kind of society is this? It's not a community, nor a neighbourhood, nor is it a collection of isolated individuals. It isn't dominated by the family. We assume that social life is corrupted by materialism, made superficial and individualistic by a surfeit of consumer goods, but this is misleading. If the street isn't any of these things, then what is it? This brilliant and revealing portrayal of a street in modern London, written by one of the most prominent anthropologists, shows how much is to be gained when we stop lamenting what we think we used to be and focus instead on what we are now becoming. It reveals the forms by which ordinary people make sense of their lives, and the ways in which objects become our companions in the daily struggle to make life meaningful.

#### What's Left of Me Pocket Books

PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable

girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths." —Ayad Akhtar, author of *Homeland* **ONE OF THE TEN BEST BOOKS OF THE YEAR:** The New York Times • **ONE OF THE BEST BOOKS OF THE YEAR:** The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

A contemporary romance about courage, loss, and moving on. Callie Kingston's life as an Orange County housewife isn't as perfect as it seems. Her husband isn't the same man she fell in love with nine years ago, and her home is no longer her safe haven. But she's determined to keep up appearances, especially when it comes to concealing the bruises her husband's temper leaves behind. Until Cole Luciano moves into her best friend's house across the street. He's abrasive and rude, but his steel-blue eyes tell a different story—one with dark secrets that has Callie curious. After suffering through an unspeakable tragedy, Cole settles into his sister's pool house

until he can get back on his feet. He's convinced that he deserves to live with the guilt he harbors from his past, and wants nothing more than to be left alone. Yet he can't seem to stay away from his beautiful neighbor. He sees right through Callie's carefully orchestrated lies and is desperate to help her. Callie discovers more than an angry and bitter man underneath Cole's hard exterior. But when Callie finally finds the courage to create a new life for herself, Cole isn't sure if there's enough of his heart left to give in order to be the man she deserves. Can two broken souls heal each other, or are some just too damaged to be put back together? This book contains some graphic scenes and very sensitive subject matter.

Alice in wonderland Soho Press

"Blunt and honest. . .A stunning piece of work." --T.J. English "Deeply moving. . .What's Left of Us is a rush of blood to the head and heart, the kind only true art can deliver." --Andre Dubus "An amazing story not just of survival, but redemption." --Mary McGarry Morris  
Richie Farrell grew up in a working-class Irish neighborhood in Massachusetts. To overcome a birth defect, his father pushed him to become a star athlete, grooming him for Notre Dame. Sometimes, he would use a belt as a learning tool. Once, he used an electric carving knife. . . The headline read Crippled at Birth: Farrell Now Grid Star. A month later, I tore up my knee and fell in love with pain medication. By time he was thirty, Richie was a heroin addict, stealing from friends, shooting up during visits to his children, living in abandoned mill buildings, running from the shameful secrets of his family. Hopeless and in pain, he attempted suicide. When that failed, he was ordered to detox. He looked at me. "Be honest," he said, "or you'll be on the street in 15 minutes. Jail, death, or honesty. You choose." In this harrowing, astounding memoir, Richard Farrell chronicles a life of desperation, violence, lies--and the pure oblivion of heroin. A gritty, hauntingly written tale of a descent into hell and a slow, uncertain climb out of it, What's Left Of Us is a true story of redemption: of how low a man can get, and how hard he must fight to escape a shattered life. . . "[Farrell] carries you on this rollercoaster ride of ugliness and beauty. Don't miss it." --Phyllis Karas  
Richard Farrell is an author, filmmaker, teacher, journalist, and adjunct professor of English at the University of Massachusetts in Lowell. His documentary, High on Crack Street, was aired on HBO and received Columbia University's duPont Award. He is the co-author of A Criminal and an Irishman: The Inside Story of the Mob-IRA Connection. He is the screenwriter for the upcoming film The Fighter, and makes his home in Milford, New Hampshire.

What's Left of Me Is Yours One World

When Jana returns from a missions trip, she discovers that her pastor husband has left with his secretary...along with their bank account. Humiliated, penniless, pregnant, and very much alone, Jana reluctantly turns to her mother, Eleanor, in desperation. Eleanor is haunted by her own guilt and pain, and the arrival of her daughter only serves as a daily reminder of the memories she has long kept hidden away. Will a delightfully eccentric aunt become a catalyst between these two women? Will they allow God's spirit--and God's people--to bring true

healing...and a future filled with love?

What She Left for Me Kensington Publishing Corp.

Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.
