Description Take a simple approach to understanding the fundamentals with Wheater's Functional Histology. Offering concise text accompanied by hundreds of captions and images of histology slides, this best-selling textbook will equip you with all the must-know histology information you need to complete your courses and ace your exams.

The fourth edition of Wheater's Functional Histology: A Text and Colour Atlas is a well-written and well-illustrated documentation of the basic aspects of histology. The photomicrographs included in the chapters are excellent. Both the electron micrographs and the light micrographs are very clear and well labeled.
