With the occurrence of the
US crisis, international focus
has shifted from finance to
financial stability. This book
offers analyses of financial
stability risk assessment at
three main levels – namely

international financial markets, banks and international trade – with the research being innovative, timely and much needed in terms of policy implications. New approaches to policy-making are also suggested to deal with the three crises that presently buffet the world: the debt crisis, an ageing population and climate change.

The classic, single-volume introductory Latin textbook, introduced in 1956 and still the bestselling and most highly regarded textbook of its kind. Wheelock's Latin, sixth edition, revised, has all the features that have made it the best-selling single-volume beginning Latin textbook, many of them revised and expanded:

- o 40 chapters with

- grammatical explanations and readings based on ancient Roman authors
- o Self-tutorial exercises with an answer key for independent study
- o An extensive English-Latin/Latin-English vocabulary section
- o A rich selection of original Latin readings — unlike other textbooks which contain primarily made-up Latin texts
- o Etymological aids
- o Also includes maps of the Mediterranean, Italy and the Aegean area, as well as numerous photographs illustrating aspects of classical culture, mythology, and historical and literary figures presented in the chapter readings.
- o The leading self-tutorial Latin program. Also great for college and accelerated high school courses.
- o Wheelock's Latin is the top-selling Latin reference in the US.
- o

Interest and enrolments in Latin have been steadily rising in the U.S. for the past 20 years. One-half million people are currently enrolled in Latin classes, and at least 10,000 teachers, professors and graduate assistants are teaching the language in America.

WHEELOCK'S LATIN: AUDIO

FILES When Professor

Frederic M. Wheelock's Latin

first appeared in 1956, the

reviews extolled its

thoroughness, organization,

and conciseness; at least one

reviewer predicted that the

book "might well become the

standard text" for introducing

students to elementary Latin.

Now, five decades later, that

prediction has certainly

proved accurate. Workbook

for Wheelock's Latin is an

essential companion to the

classic introductory textbook.

Designed to supplement the

course of study in Wheelock's

Latin, 6th Edition, Revised,

each of the forty chapters in

this newly updated edition

features: Transformation

chats and more. In

boyhood, Louis Zamperini

was an incorrigible

delinquent. As a teenager,

he channeled his defiance

into running, discovering a

prodigious talent that had

carried him to the Berlin

Olympics. But when World

War II began, the athlete

became an airman,

embarking on a journey that

led to a doomed flight on a

May afternoon in 1943.

When his Army Air Forces

bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the

top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurbly adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The

Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks* *Broadcasting, Telecasting* Routledge Cumulative vocabulary lists for the 40 chapters of Wheelock's Latin. The list for each chapter contains all the words for that chapter as well as for all chapters preceding; e.g., the chapter 10 list includes all the words introduced in chapters 1-10, usefully sorted by part of speech; nouns and adjectives are further sorted by declension, and verbs by conjugation; all English meanings are included, as are macrons and accents. Unbroken Bolchazy-

Carducci Publishers
Johannes Vermeer, one of the greatest Dutch painters and for some the single greatest painter of all, produced a remarkably small corpus of work. In *Vermeer's Family Secrets*, Benjamin Binstock revolutionizes how we think about Vermeer's work and life. *The Sphinx of Delft*, is famously a mystery in art: despite the common claim that little is known of his biography, there is actually an abundance of fascinating information about Vermeer's life that Binstock brings to bear on Vermeer's art for the first time; he also offers new interpretations of several key documents pertaining to Vermeer that have been misunderstood. Lavishly illustrated with more than 180 black and white images and more than sixty color plates, the book also

includes a remarkable color two-page spread that presents the entirety of Vermeer's oeuvre arranged in chronological order in 1/20 scale, demonstrating his gradual formal and conceptual development. No book on Vermeer has ever done this kind of visual comparison of his complete output. Like Poe's purloined letter, Vermeer's secrets are sometimes out in the open where everyone can see them. Benjamin Binstock shows us where to look. Piecing together evidence, the tools of art history, and his own intuitive skills, he gives us for the first time a history of Vermeer's work in light of Vermeer's life. On almost every page of *Vermeer's Family Secrets*, there is a perception or an adjustment that rethinks what we know about Vermeer, his oeuvre, Dutch painting, and Western Art.

Perhaps the most arresting revelation of Vermeer's *Family Secrets* is the final one: in response to inconsistencies in technique, materials, and artistic level, Binstock posits that several of the paintings accepted as canonical works by Vermeer, are in fact not by Vermeer at all but by his eldest daughter, Maria. How he argues this is one of the book's many pleasures.

Vermeer's Family Secrets
Harper Collins

Named a 2022 finalist for the Pauli Murray Book Prize in Black Intellectual History from the African American Intellectual History Society
Maria W. Stewart and the Roots of Black Political Thought tells a crucial, almost-forgotten story of African Americans of early nineteenth-century America. In 1833, Maria W. Stewart (1803–1879) told a gathering at the African Masonic Hall on

Boston's Beacon Hill: "African rights and liberty is a subject that ought to fire the breast of every free man of color in these United States." She exhorted her audience to embrace the idea that the founding principles of the nation must extend to people of color. Otherwise, those truths are merely the hypocritical expression of an ungodly white power, a travesty of original democratic ideals. Like her mentor, David Walker, Stewart illustrated the practical inconsistencies of classical liberalism as enacted in the US and delivered a call to action for ending racism and addressing gender discrimination. Between 1831 and 1833, Stewart's intellectual productions, as she called them, ranged across topics from true emancipation for African Americans, the Black convention movement, the hypocrisy of white Christianity, Black liberation theology, and gender inequity. Along with Walker's *Appeal to the Coloured Citizens of the*

World, her body of work constitutes a significant foundation for a moral and political theory that is finding new resonance today—insurrectionist ethics. In this work of recovery, author Kristin Waters examines the roots of Black political activism in the petition movement; Prince Hall and the creation of the first Black masonic lodges; the Black Baptist movement spearheaded by the brothers Thomas, Benjamin, and Nathaniel Paul; writings; sermons; and the practices of festival days, through the story of this remarkable but largely unheralded woman and pioneering public intellectual. *Power* Harper Collins

For nearly sixty years, Wheelock's Latin has remained the opitmus liber of beginning Latin textbooks. When Professor Frederic M. Wheelock's Latin first appeared in 1956, the reviews extolled its thoroughness, organization, and conciseness; one reviewer predicted that the book "might

well become the standard text" for introducing students to elementary Latin. Now, nearly six decades later, that prediction has certainly proved inaccurate. This new edition of Wheelock's Latin has all of the features, many of them improved and expanded, that have made it the bestselling single-volume beginning Latin textbook: 40 chapters with grammatical explanations and readings drawn from the works of Rome's major prose and verse writers; Self-tutorial exercises, each with an answer key, for independent study; An extensive English–Latin/Latin–English vocabulary section; A rich selection of original Latin readings—unlike other Latin textbooks, which contain primarily made-up texts; Etymological aids, maps, and dozens of images illustrating aspects of the classical culture and mythology presented in the chapter readings. Also included are expanded notes on the literary passages, comments on vocabulary, and

translation tips; new comprehension and discussion questions; and new authentic classical Latin readings, including Roman graffiti, in every chapter.

Few people who cross the Great Plains today recollect that for centuries the land was a battleground where Indian nations fought one another for their own survival and then stood bravely against the irrepressible forces of white civilization. Even among those aware of the history, Plains Indian conflicts have been seen largely in terms of American conquest. In this readable narrative history, well-known Indian historian Stan Hoig tells how the native peoples of the southern plains have struggled continually to retain their homelands and

their way of life. Tribal Wars of the Southern Plains is a comprehensive account of Indian conflicts in the area between the Platte River and the Rio Grande, from the first written reports of the Spaniards in the sixteenth century through the United States-Cheyenne Battle of the Sand Hills in 1875. The reader follows the exploits and defeats of such chiefs as Lone Wolf, Satanta, Black Kettle, and Dull Knife as they signed treaties, led attacks, battled for land, and defended their villages in the huge region that was home to the Wichitas, Comanches, Cheyennes, Arapahos, Kiowas, Osages, Pawnees, and other Indian nations. Unlike many previous studies of the Plains Indian wars, this one-volume synthesis chronicles not only the Indian-white wars but also the Indian-Indian

conflicts. Of central importance are the intertribal wars that preceded the arrival of the Spaniards and continued during the next three centuries, particularly as white incursions on the north and east forced tribes from those regions onto the Great Plains. Stan Hoig details the numerous battles and the major treaties. He also explains the warrior ethic, which persists even among Plains Indian veterans today; the dual societal structure of peace and war chiefs within the tribes, in which both sometimes acted at cross-purposes, much the same as the U.S. government and frontier whites; techniques and tactics of Plains Indian warfare; and the role of medicine men, the Sun Dance, and spirituality in Plains warfare. This is a perfect introduction to an

important era in the Indian history of North America by an acknowledged expert.
