Is God on America's Side? Moody Publishers

"One minute after you die you will either be elated or terrified. And it will be too late to reroute your travel plans." Death comes to all, and yet death is not the end. For some, death is the beginning of unending bliss, for others, unending despair. In this latest edition of the bestselling book *One Minute After You Die*, Pastor Erwin W. Lutzer weighs the Bible's words on life after death. He considers: Channeling, reincarnation, and near-death experiences What heaven and hell will be like The justice of eternal punishment Trusting in God's providence Preparing for your own final moment Though the afterlife is shrouded in mystery, the Bible does peel back the curtain. Dr. Lutzer will help you understand what is on the other side. May the reality of eternity quicken and comfort you today.

Jovinianus, about whom little more is known than what is to be found in Jerome's treatise, published a Latin treatise outlining several opinions: That a virgin is no better, as such, than a wife in the sight of God. Abstinence from food is no better than a thankful partaking of food. A person baptized with the Spirit as well as with water cannot sin. All sins are equal. There is but one grade of punishment and one of reward in the future state. In addition to this, he held the birth of Jesus Christ to have been by a "true parturition," and was thus refuting the orthodoxy of the time, according to which, the infant Jesus passed through the walls of the womb as his Resurrection body afterwards did, out of the tomb or through closed doors.

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shrimek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Preaching in Hitler's Shadow Moody Publishers

"Welcome to our peaceful protest." In the spring of 2020, government mandates forced churches across North America to close their doors in response to the COVID-19 pandemic. As societal fear and unrest increased, Christians were forced to grapple with how God wanted them to respond to these state-imposed restrictions. After all, didn't the closure of churches pose a serious threat in a time when people needed spiritual direction more than ever? God vs. Government follows two churches' courageous decisions to reopen despite orders to remain closed. Guided by the command in Hebrews 10:25 that churches not forsake meeting together, pastors John MacArthur and James Coates led their congregations to return to in-person meetings—and were swiftly met by unsympathetic governing

authorities ready to shut them down again. The ensuing legal battles raised important questions about religious freedom, and more importantly, illuminated what it looks like to take a stand when Christ and compliance collide. How do we react with wisdom and discernment when the state encroaches upon the church? God vs. Government tells two incredible accounts that affirm our need to be faithful to the Lord's commands no matter the circumstances. *Pandemics, Plagues, and Natural Disasters* Harvest House Publishers

Life-Changing Bible Verses You Should Know Moody Publishers

What did German preachers opposed to Hitler say in their Sunday sermons? When the truth of Christ could cost a pastor his life, what words encouraged and challenged him and his congregation? This book answers those questions. Preaching in Hitler's Shadow begins with a fascinating look at Christian life inside the Third Reich, giving readers a real sense of the danger that pastors faced every time they went into the pulpit. Dean Stroud pays special attention to the role that language played in the battle over the German soul, pointing out the use of Christian language in opposition to Nazi rhetoric. The second part of the book presents thirteen well-translated sermons by various select preachers, including Dietrich Bonhoeffer, Karl Barth, Rudolf Bultmann, and others not as well known but no less courageous. A running commentary offers cultural and historical insights, and each sermon is preceded by a short biography of the preacher.

The Cross in the Shadow of the Crescent Grupo Nelson

Lutzer examines various controversies that exist within the broad spectrum of Christianity, presenting the issue and the biblical understanding of the doctrine.

The Goodness of God Moody Publishers

HEADLINE: Bread Over Freedom? The people of Germany weren't any more barbaric, uncivilized, or depraved than any other Western nation of the early Twentieth Century, yet the Nazi regime will forever serve as an example of brutality and extreme racism run amok. What led so many people to such extreme ends? According to Dr. Lutzer, the German people's progression from civility to barbarity was not extraordinary, and more than a few benchmarks from their transition can be

observed in present day American society: the Church is silenced, the economy is king, the lawmakers determine behaviors, the media controls beliefs, the Gospel and nationalism become inextricably tied to each other, and yet, heroes still have power. This is not to suggest the United States is marching toward authoritarian oblivion, but that we — especially we Believers — must be vigilant in our stand for truth, justice, and righteousness. We must take note of these lessons from history. The parallels are real, but the conclusion is not a foregone one.

Against Jovinianus Harvest House Publishers

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

The author argues that Christians must get out of their complacency and exercise their responsibility to distinguish biblical Christianity from the counterfeit spirituality and values of today's world, and make wise judgments in this nonjudgmental, politically correct climate.

Keep Your Dream Alive Harvest House Publishers

This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall from grace and the beginning of our own fall. - Eric Metaxas, author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy* In *When A Nation Forgets God*, Erwin Lutzer studies seven similarities between Nazi Germany and America today—some of them chilling—and cautions us to respond accordingly. Engaging, well-researched, and easy to understand, Lutzer's writing is that of a realist, one alarmed but unafraid. Amidst describing the messes of our nation's government, economy, legal pitfalls, propaganda, and more, Lutzer points to the God who always has a plan. At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. When a Nation Forgets God uses history to warn us of a future that none of us wants to see. It urges us to be ordinary heroes who speak up and take action.

One Minute After You Die Our Daily Bread Publishing

The New York Times bestselling author of *The Benedict Option* draws on the wisdom of Christian survivors of Soviet persecution to warn American Christians of approaching dangers. For years, émigrés from the former Soviet bloc have been telling Rod Dreher they see telltale signs of "soft" totalitarianism cropping up in America--something more Brave New World than Nineteen Eighty-Four. Identity politics are

beginning to encroach on every aspect of life. Civil liberties are increasingly seen as a threat to "safety". Progressives marginalize conservative, traditional Christians, and other dissenters. Technology and consumerism hasten the possibility of a corporate surveillance state. And the pandemic, having put millions out of work, leaves our country especially vulnerable to demagogic manipulation. In *Live Not By Lies*, Dreher amplifies the alarm sounded by the brave men and women who fought totalitarianism. He explains how the totalitarianism facing us today is based less on overt violence and more on psychological manipulation. He tells the stories of modern-day dissidents--clergy, laity, martyrs, and confessors from the Soviet Union and the captive nations of Europe--who offer practical advice for how to identify and resist totalitarianism in our time. Following the model offered by a prophetic World War II-era pastor who prepared believers in his Eastern European to endure the coming of communism, *Live Not By Lies* teaches American Christians a method for resistance:

- SEE: Acknowledge the reality of the situation.
- JUDGE: Assess reality in the light of what we as Christians know to be true.
- ACT: Take action to protect truth.

Aleksandr Solzhenitsyn famously said that one of the biggest mistakes people make is assuming totalitarianism can't happen in their country. Many American Christians are making that mistake today, sleepwalking through the erosion of our freedoms. *Live Not By Lies* will wake them and equip them for the long resistance.

Putting Your Past Behind You Moody Publishers

Though most of the Protestant world can trace its roots back to the Reformation, many people today have only a vague knowledge of Martin Luther's writings. "Didn't he write the Ninety-Five Theses?" Jack Kilcrease and Erwin Lutzer step into this vacuum with a carefully selected collection of Luther's works. Centered around the five solas of the Reformation (sola Scriptura, sola fide, sola gratia, sola Christus, soli Deo gloria), the selections offer readers an accessible primer on works that are foundational to the theology of Protestantism in all its forms. Introductions to each writing include an explanation of the historical context and the theological significance of the piece. Students of the Bible, pastors, teachers, and seminary students will find this collection an enlightening introduction to Luther in his own words and a useful addition to their libraries.

Who Are You to Judge? Schocken

When we reflect on how we lived for Christ, we might weep on the other side of the celestial gates. To their own detriment, many Christians have emptied the judgment seat of Christ of its meaning,

living like they will never meet His knowing gaze. For this they may have tears in heaven. In this provocative book, Dr. Erwin Lutzer argues that remorse in heaven awaits those who don't live fully for God on earth. Exploring the often-overlooked Scriptures about reward and judgment for Christians, Dr. Lutzer answers questions like: How will believers be judged? Do rewards for faithfulness vary? If heaven is perfect, why do rewards even matter? His answers are immensely practical. Your Eternal Reward will prompt you to live more faithfully, whether in your conduct, your speech, or even your use of money, that you might enjoy heaven all the more. What is sown on earth is reaped in heaven, and Dr. Lutzer will have you taking this truth to heart.

Rescuing the Gospel Moody Publishers

Building on her signature message of using the mind to master difficult emotions, Joyce Meyer focuses on the most destructive, insidious one of all: anger. It is responsible for broken relationships, sleepless nights, high blood pressure and ulcers. It destroys friendships, marriages and families, not to mention peace of mind. Anger is especially hard to handle for many Christians who have learned from childhood that "good Christians don't get angry." Meyer argues that properly handled, anger is an alert system that something is wrong and needs to be resolved. In her latest book, she delves into the important process of forgiving, explaining its positive impact on the roots, the forms and the results of anger. Why forgive? Joyce explains that forgiving is the only thing that can free one from the terrible turmoil that anger causes to spill over into every part of life. Meyer understands that life will never be fair, but that is not a reason to let anger destroy our well-being and health. This is her guide to navigating that thorny territory and finding true peace.
