Born and raised deep in the trenches of Dade County, the Gilmore crew are the epitome of a family who is strong enough to withstand whatever obstacles are thrown their way, challenged with the never-ending lessons of life, and secrets that are strong enough to shatter lifelong bonds. However, it didn't come with the promise of a yellow brick road or a map to make it out alive. The oldest of five, Ezra has 99 problems and his women are ALL of them! He takes pride in being a good role model for the family, especially his younger brothers, but Ezra isn't sure if he can maintain his leader role when life begins to get too chaotic, especially in his personal life. His selfish decisions jeopardize his dreams of being a successful business owner, causing him to

lose complete control. Can the dreams of a determined man come true when drama, death, drugs, and secrets seem to be around every corner he turns? Or will Ezra be able to maintain his big brother and good guy persona through it all? The most irresponsible, Izeyah has a habit of flying by the seat of his pants and painting a façade like everything in life is so sweet until life as he knows it flips and there is nothing he can do about it. Unsettled and carrying a lofty secret, Zey is forced into a position he is nowhere near ready for, requiring him to make immediate and necessary changes in his life. Will the life lessons and newfound responsibility force Izeyah to step up and lose his irresponsible ways? Or will he slip back into his old habits and ultimately lose himself? The sour patch kid, Oliana throws hands first and probably never get around to asking questions later. Her head is deep in the streets with her homie, lover, and bae in crime. When an extremely close family member dies, her secrets are on the brink of being exposed, and she has no problem shooting up the spot without a second of hesitation. Will Oliana be able to remain strong as the world she knows takes an unexpected turn? Or will Oliana stand tall and take the blows until the very end? The most

spoiled and the baby of the Gilmore crew, Amir can't keep a dime to his name. Winging it and living life on the edge, he has no aspirations or real dreams--that is until a box of secrets lands in his lap, changing his life forever. Teetering the lines of what's right and what's wrong, Amir is forced to choose between loyalty for his family and a life where the world would literally be at his fingertips, testing his love and devotion to his family in an unthinkable way. Will greed cause him to throw all caution to the wind and live a life where he has no rules but his own? Or will Amir choose his love and loyalty for his family and remain ten toes down? Marking their first collab debut, best-selling authors Zarkia, Lokia, Shania B., and K. Larry team up together to bring this awesome new series. This first installment of Miami Hood Dreams is a heart gripping, secret filled urban fiction ride that will leave readers anxious for more.

When love leaves nineteen-year-old Loyalty Wallace with nothing but a pair of bruised ribs, she finds herself with \$500,000 in stolen cash from her boyfriend, Whip, and a target on her back. She plans to use that money to escape her toxic relationship, but what she doesn't know is the money she stole wasn't his to keep. It was a loan from the Belmonte family, one of the most dangerous families in the heart of the Big Apple. Most children are taught not to play with their food, but Nevahn "Lourde" Belmonte was taught never to play with his money. He comes from a world of trappers and killers disguised as businessmen, so there are no college savings or 401K's, only street money. As the only son of a street god, he's next in line to inherit the million-dollar family "business"

until his father throws a wrench in his plans. He must create a legacy, and he will not hand him the keys to the kingdom until he has a wife. With the lifestyle he lives, there's no room for monogamy, let alone marriage. When Loyalty's actions land her in Lourde's presence, he's immediately drawn to her fearlessness and beauty. She just may be the girl he needs to get what he wants. When given the chance, he makes her an offer she can't refuse. Over time, what was supposed to be just a "business" deal turns into much more than just six zeros scribbled on a check. In *A Ruthless Love Story*, she will find out what it's like to fall in love with a man whose reputation is almost as ruthless as his smile, and he will learn what it means to love someone unconditionally.

Risking It All for a Rich Thug: an Urban Standalone Penguin

Heiress and Promise Helms are twin sisters who are as stunning as they want to be. However, they are like night and day, more different than they are alike. Heiress "Fall in love with someone who protects your heart, not plays with it." Michael Bliss. This is exactly what Heiress sets out to do. Owning and running her up and coming interior design business, her focus is on her work and making a name for herself. She dates but doesn't have time for the games that men seems to play. However, her focus changes tune when she meets Kace, causing her heart to beat for more than just her business. One of the Atlanta's biggest dopeboys, along with being a successful club owner and other businesses, Kace draws Heiress' attention, not only professionally but personally as well, stirring up desires that has been left dormant for so long. Mixing business and pleasure may not be the right move for them both, especially since the past can't seem to let go. Will Heiress and Kace find the happiness that they both desire? Or

will their budding relationship ends before it has a chance to really get started? Promise "Who we want can't always be what we need." J.B. [toxic] For Promise, she knows this wholeheartedly, especially since her first boyfriend and child's father, Jordan, is the very definition of toxic for her. Being the total opposite of her twin, Promise's mind is always on partying and getting high with no ambition or wanting to do better in sight. After returning from his bid in prison, Jordan pops back up into her life, claiming to want the very thing she always wanted with him... to be a family with their daughter Kobi. Resisting at first, she finds herself falling back into the trap that she fought hard to get out of. With warnings from her family and friends, Promise is determined to live life on her terms, consequences be damned. But is it too late for her to change her tune? Has Jordan truly changed his philandering ways? Or is he still more of the same? Love is constantly tested and is not easily reciprocated. Trust is hard to accept but is easily broken. Lives are shuffled and hearts are shaken. Denver finds herself fighting what seems to be a never-ending battle. The moment she's taken away from everything she knows and placed into the broken system, she faces problem after problem. She meets Justine and finds a friend she never thought she would have nor lose. Their friendship, however, still didn't stop Denver from feeling like she was surrounded by darkness. When Denver's Grandma comes to her rescue, she opens up a brand new world to her and a life she never dreamed of having. Zamir

(Za) is one of the best young hustlers on the west side of Philly. Knowing he's barely making ends meet, he's determined to make and save as much money as possible and do whatever to get it. Trust wasn't something he normally gave, and neither was his heart. However, when he crosses paths with Denver and is drawn to her the first time, he lays eyes on her. Zamir isn't familiar with love, yet Denver makes him question that. Justine was left to figure life out by herself at a young age. Love had become a foreign language to her. Loneliness was a feeling she had become accustomed to. All she knew was that she would do whatever it takes to get money and be willing to hurt whoever's feelings to get it. Yet, when a guy makes an appearance in her life, everything changes. She soon realizes the saying, "what's done in the dark will come to light," is very much true. Will he stick around when all her skeletons come out? Or will she end up just like she was in her past, alone and broken? Emmanuel (Manny) finds out about his younger sister Denver and is excited. While he's not knee-deep in the streets, he's around it; his best friend Zamir is, though, and being the solid dude Manny is, he's down for whatever when it comes to his family. When Manny finds the girl he thinks is worth giving his all to, he soon discovers that his life revolves around secrets, and he may not be willing to face them. In this story, betrayal seems normal to some, while loyalty is most important to others. Will mindsets be changed? Or will they all miss the biggest opportunity at love and upgrading their life?

Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social

commentary, *Such a Fun Age* explores the stickiness of transactional relationships, what it means to make someone "family," and the complicated reality of being a grown up. It is a searing debut for our times.

Set in the untamed wilds of nineteenth-century colonial India, this dazzling historical thriller introduces Blake and Avery—an unforgettable investigative pair. India, 1837: William Avery is a young soldier with few prospects except rotting away in campaigns in India; Jeremiah Blake is a secret political agent gone native, a genius at languages and disguises, disenchanted with the whole ethos of British rule, but who cannot resist the challenge of an unresolved mystery. What starts as a wild goose chase for this unlikely pair—trying to track down a missing writer who lifts the lid on Calcutta society—becomes very much more sinister as Blake and Avery get sucked into the mysterious Thuggee cult and its even more ominous suppression. There are shades of *Heart of Darkness*, sly references to Conan Doyle, that bring brilliantly to life the India of the 1830s with its urban squalor, glamorous princely courts and bazaars, and the ambiguous presence of the British overlords—the officers of the East India Company—who have their own predatory ambitions beyond London's oversight. A savage, funny, and mysteriously poignant saga by a renowned author at the height of his powers. Lionel Asbo, a terrifying yet weirdly loyal thug (self-named after England's notorious Anti-Social Behaviour Order), has always looked out for his ward and nephew, the orphaned Desmond Pepperdine . . . He provides him with fatherly career advice (always carry a knife, for example) and is determined they should share the joys of pit bulls (fed with lots of Tabasco sauce), Internet porn, and all manner of more serious criminality. Des, on the other hand, desires

nothing more than books to read and a girl to love (and to protect a family secret that could be the death of him). But just as he begins to lead a gentler, healthier life, his uncle—once again in a London prison—wins £ 140 million in the lottery and upon his release hires a public relations firm and begins dating a cannily ambitious topless model and “ poet. ” Strangely, however, Lionel's true nature remains uncompromised while his problems, and therefore also Desmond's, seem only to multiply.

In this poignant, perceptive, witty novel, Gary D. Schmidt brings authenticity and emotion to multiple plot strands, weaving in themes of grief, loss, redemption, achievement, and love.

Following the death of her closest friend in summer 1968, Meryl Lee Kowalski goes off to St. Elene's Preparatory Academy for Girls, where she struggles to navigate the venerable boarding school's traditions and a social structure heavily weighted toward students from wealthy backgrounds. In a parallel story, Matt Coffin has wound up on the Maine coast near St. Elene's with a pillowcase full of money lifted from the leader of a criminal gang, fearing the gang's relentless, destructive pursuit. Both young people gradually dispel their loneliness, finding a way to be hopeful and also finding each other.
