[the Rivers of London] series as my favorite urban fantasy series. The humor, the world-I ' m a Police building, the action, the magic, the mystery, the procedural—all are top-notch. ' — Ranting Dragon My name is Peter Grant, and I ' m a Police Constable in that mighty army for justice known as the Metropolitan

Police (a.k.a. the Filth). I ' m also an apprentice wizard, the first in fifty years. When your dad is an almost famous jazz trumpeter, you know the classics. And that ' s why, when Dr Walid called me down to the morgue to listen to a corpse, I recognized the tune it was playing as the jazz classic ' Body and Soul. Something violently supernatural had happened to the victim, strong enough to leave its imprint on his corpse as if it were a wax cylinder recording. The former owner of the body, Cyrus Wilkinson, was a part-time jazz saxophonist and full-time accountant who had dropped dead of a heart attack just after finishing a gig. He wasn ' t the first, but no one was going to let me exhume corpses just to see if they were playing my tune. So it was back to old-fashioned police legwork, starting in Soho, the heart of the scene, with the lovely Simone – Cyrus ' s ex-lover, professional jazz kitten and as inviting as a Rubens portrait – as my guide. And it didn ' t take me long to realise there were monsters stalking Soho, creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune. What they take is beauty. What they leave behind is sickness, failure and broken lives. Reviews for Moon Over Soho Mr. Aaronovitch is, in short, writing the best contemporary

occult detective series on the shelf today, and that 's by a substantial margin. ' — Pornokitsch ' Moon Over Soho is a gripping continuation of River of London ' s well executed blend of police-procedural and fantasy with a good splash of horror thrown in. This is urban fantasy done with a loving attention to detail and enlivened by an ever present wit making this series a must-read for anyone who likes their

fantasy with a strong edge of realism. ' — SF Book Reviews *The Weed Gummies Cookbook* Penguin Enter the world of the Others in the first novel in New York Times bestselling author Anne Bishop's thrilling fantasy series: a place where unearthly entities—vampires and shape-shifters among them—rule the Earth and prey on the human race. As a cassandra sanguine, or blood prophet, Meg Corbyn can

see the future when her skin is cut—a gift that feels more like a curse. Meg's Controller keeps her enslaved so he can have full access to her visions. But when she escapes, the only safe place Meg can hide is at the Lakeside Courtyard—a business district operated by the Others. Shape-shifter Simon Wolfgard is reluctant to hire the stranger who inquires about the Human Liaison job. First, he senses she's keeping a

secret, and second, she doesn't smell like human prey. Yet a stronger instinct propels him to give Meg the job. And when he learns the truth about Meg and that she's wanted by the government, he'll have to decide if she's worth the fight between humans and the Others that will surely follow.

Jane Yellowrock is a shapeshifting skinwalker you don't want to cross—especially if you're one of the undead... For a vampire killer like Jane, having Leo

Pellisier as a boss took some getting used to. But now, someone is out to take his place as Master Vampire of the city of New Orleans, and is not afraid to go through Jane to do it. After an attack that's tantamount to a war declaration, Leo knows his rival is both powerful and vicious, but Leo's not about to run scared. After all, he has Jane. But then, a plague strikes, one that takes down vampires and makes their masters easy prey. Now, to uncover the identity of the vamp who wants Leo's territory, and to find the cause of the vamp-plague, Jane will have to go to extremes...and maybe even to war.

Steal the Dragon Jabberwocky Literary Agency,

Inc. The third novel in the Sianim series from the #1 New York Times bestselling author of the Mercy Thompson series and the Alpha and Omega novels... When Rialla was young, slave traders from Darran ambushed her clan, killing all the men and enslaving the women and children. For years, Rialla lived in bondage, serving her master while waiting for a chance to escape. When that chance came, she made the best of it—and fled to the mercenary nation of Sianim... Now she can strike back at her former masters. A lord in Darran seeks to outlaw slavery—but there are plots to kill him before he can. Rialla is chosen by the spymaster of Sianim to prevent the murder—and is plunged into a world of deadly magic, where gods walk in human form. Where her most trusted companions are not what they claim. And where Rialla could be enslaved again... Cry Wolf Penguin Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the #1 New York Times bestselling series. The vampire Wulfe is missing. Since he 's deadly, possibly insane, and his current idea of " fun " is stalking me, some may see it as no great loss. But, warned that his disappearance might bring down the carefully constructed alliances that keep our pack safe, my mate and I must find Wulfe—and hope he 's still alive. As alive as a vampire can be, anyway. But Wulfe isn ' t the only one who has disappeared. And now there are bodies, too. Has the Harvester returned to the Tri-Cities, reaping souls with his cursed sickle? Or is he just a character from a B horror movie and our

enemy is someone else? The farther I follow Wulfe's trail, the more twisted—and darker—the path becomes. I need to figure out what's going on before the next body on the ground is mine.

Mackenzie "Mac" Nighthorse is a highly respected homicide detective

and a career cop. There isn't a dangerous situation that can back him down. However, the personal becomes uncomfortably entangled in the professional when he goes undercover in a high class BDSM club as a male submissive to find a Dominatrix who is winning the trust and then murdering her chosen partners. When his path crosses Violet Siemanski's, he realizes he's found a Mistress willing to be his ally in finding the murderess. But

Violet is also going to shatter Mac's shields and make him question who he is and what he wants, a challenge more disturbing than any case he's ever worked. Aralorn: Masques and Wolfsbane CreateSpace In the astonishing conclusion of Anne Bishop's Black Jewels Trilogy, the Dark Court has been formed and the end—for some—draws exceedingly near... Jaenelle Angelline now reigns as Queen—protector of the Shadow Realm. No longer will the corrupt

Blood slaughter her people and defile her lands. But where one chapter ends, a final, unseen battle remains to be written, and Jaenelle must unleash the terrible power that is Witch to destroy her enemies once and for all. Even so, she cannot stand alone. Somewhere, long lost in madness, is Daemon, her promised Consort. Only his unyielding love can complete her Court and secure her reign. Yet, even together, their strength may not be enough to

hold back the most malevolent of forces. And in the end, under the emergent shadow of evil and unforeseen betrayal, only Jaenelle's greatest sacrifice will save those she loves—and the realm she's bound to protect... The first book in the Alex Craft urban fantasy series about a Grave Witch who can talk to the dead. Perfect for fans of Charlaine Harris and Cassandra Clare. Just because Grave Witch Alex Craft can speak to the dead, doesn't mean she has to like what they have to say . . . As a private investigator and consultant for the police, Alex has seen a lot of dark magic. But even though she's on good terms with Death himself, nothing has prepared her for her latest case. Alex is investigating a high-profile murder when she's attacked by the ghost she is

raising - which should be impossible. Then, someone makes a serious attempt on her life, thwarted only by Death's intervention. You know you're having a bad day when Death is saving your life. To solve this case, Alex will have to team up with tough homicide detective Falin Andrews. Andrews seems to be hiding something, although it's certainly not his dislike of Alex. Despite all that, Alex is going to need his help to navigate the tangled webs of real-world and paranormal politics, and to track down a killer wielding a magic so malevolent, it may cost Alex not just her life, but also her soul . . .
