David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long , and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage todecide for themselves what normal really means.

Looking for Me HarperCollins UK

Suppose your country began to change. Suppose that without your noticing, it became dangerous for some people to live in Germany any longer. Suppose you found, to your complete surprise, that your own father was one of those people. That is what happened to Anna in 1933. She was nine years old when it began, too busy with her schoolwork and tobogganning to take much notice of political posters, but out of them glared the face of Adolf Hitler, the man who would soon change the whole of Europe - starting with her own small life. Anna suddenly found things moving too fast for her to understand. One day, her father was unaccountably missing. Then she herself and her brother Max were being rushed by their mother, in alarming secrecy, away from everything they knew - home and schoolmates and well-loved toys - right out of Germany...
