Discover everything you ever wanted to know about how the government really works with this accessible, highly designed and illustrated handbook from Marjory Stoneman Douglas AP government teacher Jeff Foster. Now more than ever, it's so important for everyone to understand our government: where it came from, how it works, and how we can bring about change. And, after all, in the words of author and government teacher Jeff Foster, "If you don't participate, you can't complain." This book is a comprehensive and entertaining guide that answers questions like: What is the Constitution? What are the branches of the government? What is the Electoral College? What are the political parties? What are the different responsibilities of the city, state, and federal governments? Plus, discover the complete backstory on some of our government's most important moments, like why we wrote the Declaration of Independence, and how people since then have worked with and protested against the government to improve the lives of all Americans. Each spread features a mix of black-and-white and full-color art, including infographics, charts, maps, political caricatures, and other engaging visual elements that will be fun and easy for kids to understand. Includes a foreword from Yolanda Renee King, an activist and the granddaughter of Martin Luther King, Jr. and Coretta Scott King, plus lots of amazing back matter about how kids can participate and get involved.

When Hitler Stole Pink Rabbit When Hitler Stole Pink Rabbit High praise for Oslo, Maine! "Wildly plotted, astutely observed, and

brimming with wit."—Adrienne Brodeur "I raced through this novel in one breathless sitting!"—Karen Dionne "Marcia Butler is a master dramatist, a sorceress, and extraordinary novelist."—E.J. Levy "Oslo, Maine is richly satisfying."—Bill Roorbach A moose walks into a rural Maine town called Oslo. Pierre Roy, a brilliant twelve-year-old, loses his memory in an accident. Three families are changed for worse and better as they grapple with trauma, marriage, ambition, and their fraught relationship with the natural world. Meet Claude Roy, Pierre's blustery and proud fourth-generation Maine father who cannot, or will not, acknowledge the too real and frightening fact of his son's injury. And his wife, Celine, a once-upon-a-time traditional housewife and mother who descends into pills as a way of coping. Enter Sandra and Jim Kimbrough, musicians and recent Maine transplants who scrape together a meager living as performers while shoring up the loose ends by attempting to live off the grid. Finally, the wealthy widow from away, Edna Sibley, whose dependent adult grandson is addicted to 1980's Family Feud episodes. Their disparate backgrounds and views on life make for, at times, uneasy neighbors. But when Sandra begins to teach Pierre the violin, forces beyond their control converge. The boy discovers that through sound he can enter a world without pain from the past nor worry for the future. He becomes a pre-adolescent existentialist and invents an unconventional method to come to terms with his memory loss, all the while attempting to protect, and then forgive, those who've failed him. *Oslo, Maine* is a character driven novel exploring class and economic disparity. It inspects the strengths and limitations of seven average yet extraordinary people as they reckon with their considerable collective failure around Pierre's accident. Alliances unravel. Long held secrets are exposed. And throughout, the ever-present moose is the linchpin that drives this richly drawn story, filled with heartbreak and hope, to its unexpected conclusion.

The Other Way Round Collins

Suppose your country began to change. Suppose that without your noticing, it became dangerous for some people to live in Germany any longer. Suppose you found, to your complete surprise, that your own father was one of those people. That is what happened to Anna in 1933. She was nine years old when it began, too busy with her schoolwork and tobogganing to take much notice of political posters, but out of them glared the face of Adolf Hitler, the man who would soon change the whole of Europe - starting with her own small life. Anna suddenly found things moving too fast for her to understand. One day, her father was unaccountably missing. Then she herself and her brother Max were being rushed by their mother, in alarming secrecy, away from everything they knew - home and schoolmates and well-loved toys - right out of Germany...
