appetising illustrations, *WHEN I GROW UP* is fetchingly engaging and brilliantly stupendous. Perfect for classroom discussions' -- CBCA READING TIME

**When I Grow Up (Shaped Board Book)**

Bloomsbury Publishing USA

“A small child muses about the future as Mom guides the bedtime routine...Winning text and illustrations for bedtime.” —Kirkus Reviews (starred review) “The whimsical pictures fill every page with happiness and variety as Chen presents exuberant ideas for the big dreams and wishes of childhood.” —Booklist “As a mother helps her young son get ready for bed...Mom assures him that the future is wide open, and ‘No matter what, I will always be there for you.’” —Publishers Weekly A little boy shares with his mom his dreams of what he might be when he grows up in this tender picture book from Julie Chen the host of *Big Brother* and formerly the host of *The Talk* and New York Times bestselling artist and Caldecott Honor recipient Diane Goode. One night while getting ready for bed a little boy starts to wonder what will life be like when he grows up. He could be

a painter, a musician, a mountain climber, a mayor... He tells his mother all about his big ideas...and all of the other things he wants to do. But when will he grow up? And why does it take so long?

**Bleaker House Speedy Publishing LLC**

What if you want to be a bumblebee or a cloud when you grow up? A child contemplates his future possibilities in *When I Grow Up*, a picture book that aims to spark the imagination and creativity of children ages 3 to 5. As the child's ideas expand into the whimsical and evolve into realistic careers through the contributions of other children, the story becomes a tapestry of exploration and discovery, with each new possibility seamlessly linking to the last.

When I Grow Up Scribe Publications

“ A gutsy, wise memoir-in-essays from a writer praised as ‘ impossible to put down ’ ” —People From PEN America Literary Award-winning author Michelle Tea comes a moving personal essay collection about the trials and triumphs of shedding your vices in order to find yourself. As an aspiring young writer in San Francisco,

Michelle Tea lived in a scuzzy communal house: she drank; she smoked; she snorted anything she got her hands on; she toiled for the minimum wage; she dated men and women, and sometimes both at once. But between hangovers and dead-end jobs, she scrawled in notebooks and organized dive bar poetry readings, working to make her literary dreams a reality. In *How to Grow Up*, Tea shares her awkward stumble towards the life of a Bona Fide Grown-Up: healthy, responsible, self-aware, and stable. She writes about passion, about her fraught relationship with money, about adoring Barney ’ s while shopping at thrift stores, about breakups and the fertile ground between relationships, about roommates and rent, and about being superstitious ( “ why not, it imbues this harsh world of ours with a bit of magic ” ). At once heartwarming and darkly comic, *How to Grow Up* proves that the road less traveled may be a difficult one, but if you embrace life ’ s uncertainty and dust yourself off after every screw up, slowly but surely, you just might make it to adulthood. “ Wild, wickedly funny, and refreshingly relevant. ” —Elle “ This compulsively readable collection is so damn good, you ’ ll tear

---

through the whole thing (and possibly take notes along the way). ” —Bustle

When I Grow Up WorthyKids

Grow up. Be a man. We've all heard that before, and we often get defensive when we hear it. And as modern men we often live our lives on the defensive - struggling in relationships, on the job and often feeling alone to figure it out ourselves. In the pages of this book, Owen Marcus leads us along an enlightening path toward the authentic self, one that embraces and respects gender and masculinity. Marcus reveals that men aren't immature or broken; they just need clarity, purpose, connection and the support of other men. Grow Up takes you through 9 stages of growing up where you will discover: Why professional success alone does not fulfill What may be missing and how to find it How we inadvertently self-sabotage and how to stop How to honor and attract women as your authentic self How to earn and maintain the respect of your peers How understanding your own Masculine Emotional Intelligence will lead you to a happier, more fulfilling life Owen Marcus has spent years studying and developing effective learning systems for men. Grow Up is the first time the lessons of his group trainings, lectures, seminars, and personal experience have been compiled into a single manuscript. Grow Up is not a "self-help book"; it's a playbook on how to live your own life. Imagine a life where you can dream, love, create and live in the moment with an ease you never thought possible. Take this book home, and watch the unfolding of the remarkable man in you.

Letters to Me, When I Grow Up Harry N. Abrams

Grow Up Scholastic Inc.

Melvin is a pig who wants to become bacon when he grows up. Some might think that's strange, but not Melvin. He understands what that means and he's eager to tell you why. Full of humor and vibrant illustrations, this book is sure to give young and old readers a laugh. This story is great for introducing where food comes from and it's also a fun reading experience. In the end, bacon makes everything better.

When I Grow Up Chronicle Books

What do you want to be when you grow up? In this interactive, sturdy, and photo-friendly shaped board book, readers can try on their dream job!

If I Grow Up Little Brown GBR

When she was twenty-seven, Nell Stevens—a lifelong aspiring novelist—won an all-expenses-paid fellowship to go anywhere in the world to write. Would she choose a glittering metropolis, a romantic village, an

---

exotic paradise? Not exactly. Nell picked Bleaker Island, a snowy, windswept pile of rock in the Falklands. Other than sheep, penguins, paranoia, and the weather, there aren't many distractions, but as Nell soon discovers, total isolation and 1,085 calories a day are far from ideal conditions for literary production. With deft humor, this memoir traces her island days and slowly reveals the life and people she has left behind in pursuit of her writing. It seems that there is nowhere she can run—an island or the pages of her notebook—to escape the big questions of love, art, and, ambition.

### I Want to Be in Sales When I Grow Up!

*When I Grow Up* Mascot Books

Eleanor Roosevelt's book on citizenship for young people now revised and updated for a contemporary audience. In the voice of one of the most iconic and beloved political figures of the twentieth century comes a book on citizenship for the future voters of the twenty-first century. Eleanor Roosevelt published

the original edition of *When You Grow Up to Vote* in 1932, the same year her husband was elected president. The new edition has updated information and back matter as well as fresh, bold art from award-winning artist Grace Lin. Beginning with government workers like firefighters and garbage collectors, and moving up through local government to the national stage, this book explains that the people in government work the voter. Fresh, contemporary, and even fun, *When You Grow Up to Vote* is the book parents and teachers need to talk to children about how our government is designed to work.

*When I Grow Up* Roaring Brook Press

"Ten little toes right from the start Make footprints on your mommy's heart!" The timeless journey of a mother and son is poignantly captured in the story of a boy's growth from childhood to fatherhood. From birth to football games to college graduation, a mother reminds her son that life is filled with possibilities and that God has a plan for him—whatever he grows up to be!
