Rose Publishing Inc
The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave
Why the Jews Rejected Jesus
InterVarsity Press

Compares and contrasts the beliefs of two famous thinkers, Sigmund Freud and C.S. Lewis, on topics ranging from the existence of God and morality to pain and suffering.
Encounters with Jesus
Knopf
Behind the scenes at Patrick Henry College: "A deft and honest narrative of evangelical education . . . historical background, close observation and skeptical wit"
(Publishers Weekly). One of

the Christian Science Monitor's annual "Books We Liked Best" Take a walk down the halls and into the dorms and hearts of tiny Patrick Henry College, a Christian school just outside the nation's capital, where ambitious young evangelicals are groomed to become tomorrow's conservative elite. The future front lines of politics, entertainment, and science will be commanded by these

idealistic graduates, who plan to lead the battle in reclaiming a godless nation. God's Harvard reveals the evangelical movement at a moment of crisis and climax, its future leaders struggling to resist the temptations of modern life even as they try to remake the world in their image. This is a vibrant, insightful look at kids who may very well be in charge of our country one day. "A rare accomplishment

for many reasons richly detailed —perhaps most of all because Rosin is a journalist who not only reports but also observes deeply." —San Francisco Chronicle "Rosin is at her best when chronicling sympathetically the lives of these young evangelicals, as ambitious as their secular peers but single-minded in their focus on politics." —Chicago Tribune "Nuanced and highly readable . . . With her feisty,

prose." —The Washington Post

 Cliffe Knechtle offers clear, reasoned and compassionate responses to the tough questions skeptics ask.
 The Mormon Jesus
 Harvard University Press
 We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it 's easy to wonder: Why should anyone believe in Christianity? What role can faith and

religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, *Making Sense of*

God shines a light on the profound value and importance of Christianity in our lives. Veritas Harvard University Press The authoritative new account of the Bible's origins, illuminating the 1,600-year tradition that shaped the Christian and Jewish holy books as millions know them today. The Bible as we know it today is best understood as a process, one that begins in the tenth century BCE. In this revelatory account, a world-renowned scholar

of Hebrew scripture joins a foremost authority on the New Testament to write a new biography of the Book of Books, reconstructing Jewish and Christian scriptural histories, as well as the underappreciated contest between them, from which the Bible arose. Recent scholarship has overturned popular assumptions about Israel's past, suggesting, for instance, that the five books of the Torah were written not by Moses but during the reign of Josiah centuries

later. The sources of Schröter argue that preserved in a fifth-century Coptic miniature codex. It presents a remarkable translation of this new text. My book is also a project about religious praxis and authority, as I situate the manuscript within the context of practices of and debates around divination in the ancient Mediterranean world."--Preface, p. [vii].

the Gospels are also Judaism may not have survived had it been reshaped in competition with the first critical edition and remarkable synthesis of the latest Old and New Testament scholarship, *The Making of the Bible* is the most comprehensive history yet told of the world's best-known literature, revealing its buried lessons and secrets. [The Search for God at Harvard](#) Harvard University Press

Konrad Schmid and Jens Schröter reveal the long, transformative journeys of these and other texts en route to inclusion in the holy books. The New Testament, the authors show, did not develop in the wake of an Old Testament set in stone. Rather the two evolved in parallel, in conversation with each other, ensuring a continuing mutual influence of Jewish and Christian traditions. Indeed, Schmid and Schröter argue that preserved in a fifth-century Coptic miniature codex. It presents a remarkable translation of this new text. My book is also a project about religious praxis and authority, as I situate the manuscript within the context of practices of and debates around divination in the ancient Mediterranean world."--Preface, p. [vii].

"This book centers on The Gospel of the Lots of Mary, a previously unknown text

Harvard Square is at the center of
Cambridge,
Massachusetts, and

is the business district around Harvard University. It ' s a place of history, culture, and some of the most momentous events of the nation. But it ' s also a gathering place for some of the city ' s homeless. What is life like for the homeless in Harvard Square? Do they have anything to tell people about life? And God? That ' s what Harvard student John Frame discovered and shares in *Homeless at Harvard*. While taking his final course at Harvard, John Frame stepped outside the walls of academia and onto the streets, pursuing a different kind of education with his

homeless friends. What he found—in the way of community and how people understand themselves---may surprise you. In this unique book, each of these urban pioneers shares his own story, providing insider perspectives of life as homeless people see it. This heartwarming page-turner shows how John learned with, from, and about his homeless friends—who together tell an unforgettable story—helping readers ' better understand problems outside themselves and that they ' re more similar to those on the streets than they may have believed.

Finding God at Harvard Simon and Schuster
A NEW YORK TIMES NOTABLE BOOK OF THE YEAR In 1985 Ari L. Goldman took a year ' s leave from his job as a religion reporter for The New York Times and enrolled in the Harvard Divinity School. What began as a project to deepen his knowledge of the world ' s sacred beliefs turned out to be an extraordinary journey of spiritual illumination, one in which Goldman reexamined his own faith as an Orthodox Jew and opened his mind to the great religions of the world. In his year at Harvard, Goldman found to his surprise that his fellow students were not straitlaced, somber

clerics, but a diverse, vibrant, and sometimes embattled group from every major religion, united by their deep spiritual commitment. Even more surprising was the spiritual climate of the Divinity School itself: Far from being an ivory tower or a bastion of old-time Christian piety, the school was a forum for passionate debate on the relationships between religion and politics, social mores and sexuality. Written with warmth, humor, and penetrating clarity, *The Search for God at Harvard* is a book for anyone who has wrestled with the question of what it means to take religion seriously today. Praise for *The Search for God at Harvard*: “ Personal yet informative, warm and humorous, beautifully written. In a

word, superb. ” – Elie Wiesel “ Is it possible to honor the truth of one ’ s own religion while being genuinely open to others? In *The Search for God at Harvard*, Ari Goldman tells his story in so fine a manner that he helps us to understand why the answer must be yes. ” – The New York Times Book Review “ Excellent: intelligent, informative, infused with humor. ” – Cleveland Plain Dealer “ Enriching . . . well-written, absorbing. ” – The Boston Globe “ A valuable and unique contribution. ” – The Washington Post Book World
Jesus, Jobs, and Justice

A new history explores the commercial heart of evangelical

Christianity. American evangelicalism is big business. For decades, the world ’ s largest media conglomerates have sought out evangelical consumers, and evangelical books have regularly become international best sellers. In the early 2000s, Rick Warren ’ s *The Purpose Driven Life* spent ninety weeks on the New York Times Best Sellers list and sold more than thirty million copies. But why have evangelicals achieved such

remarkable commercial success? According to Daniel Vaca, evangelicalism depends upon commercialism. Tracing the once-humble evangelical book industry 's emergence as a lucrative center of the US book trade, Vaca argues that evangelical Christianity became religiously and politically prominent through business activity. Through areas of commerce such as branding, retailing, marketing, and finance, for-profit media companies have capitalized on the expansive

potential of evangelicalism for more than a century. Rather than treat evangelicalism as a type of conservative Protestantism that market forces have commodified and corrupted, Vaca argues that evangelicalism is an expressly commercial religion. Although religious traditions seem to incorporate people who embrace distinct theological ideas and beliefs, Vaca shows, members of contemporary consumer society often participate in religious cultures by engaging

commercial products and corporations. By examining the history of companies and corporate conglomerates that have produced and distributed best-selling religious books, bibles, and more, Vaca not only illustrates how evangelical ideas, identities, and alliances have developed through commercial activity but also reveals how the production of evangelical identity became a component of modern capitalism. When Jesus Came To Harvard Rose Publishing

The Rise and Fall of Belief and the Coming Age of the Spirit There is an essential change taking place in what it means to be “religious” today. As religious people shift their focus to ethical guidelines and spiritual disciplines—not doctrine—we are seeing a universal trend away from hierarchical, regional, patriarchal, and institutional religion. Now, legendary Harvard scholar Harvey Cox offers a new interpretation of the history and future of religion, revealing how doctrines and dogma are giving way to new grassroots movements based in community, social justice, and spiritual experience. *The Future of Faith* is a major statement and a hopeful vision from

one of the most revered theologians today. Mary Magdalene, the First Apostle Ballantine Books In this urgently relevant, wholly enlightening discussion of modern moral decisions, the Harvard theology professor Harvey Cox considers Jesus's contemporary significance. Moving far beyond the simple question "What Would Jesus Do?" Cox shows how we can extrapolate moral guidance from the parables of Jesus. As he did in his undergraduate class "Jesus and the Moral Life"-a course that grew so popular that the lectures were held in a theater often used for rock concerts-Cox holds contemporary dilemmas in the light of lessons gleaned

from the Gospels. Delving into centuries of theological exploration, he "pulls off a near miracle as he gathers disparate scholarly and religious views of Jesus, while demonstrating respectful, deep knowledge of Jewish, Muslim, and Buddhist traditions, and various Christian teachings" (Seattle Times). Invigorating and incisive, this book encourages an intellectual approach to faith and inspires a clear way of thinking about moral choices for all readers. [From Enemy to Brother](#) Harvard University Press Kelly Monroe presents forty-two compelling testimonies from faculty members, former students, and

orators at Harvard University whose reflections explode the myth that Christian faith cannot survive a rigorous intellectual environment. Questioning Your Doubts Simon and Schuster
Two young Harvard MBAs on the fast track to wealth and success tell their story of God's transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research, and practical strategies, *God and Money* offers an honest look at what the Bible says about generous giving. No matter what your

salary may be, *God and Money* shows you how you can reap the rewards of radical generosity in your own life.--from publisher description. *When Jesus Came to Harvard* Anchor
In the first comprehensive history of American evangelicalism to appear in a generation, Matthew Sutton shows how charismatic Protestant preachers, anticipating the end of the world, paradoxically transformed it. Narrating the story from the perspective of the faithful, he shows how apocalyptic thinking influences the American mainstream today. *The Muslim Jesus*

HMH
Why did some early Christians consider Mary Magdalene an apostle while others did not? This book examines how the conferral, or withholding, of apostolic status operated as a tool of persuasion in the politics of early Christian literature. *The Future of Faith* Harvard University Press
This work presents in English translation the largest collection ever assembled of the sayings and stories of Jesus in Arabic Islamic literature. In doing so, it traces a tradition of love and reverence for Jesus that has characterized Islamic thought for more than a thousand years. An invaluable resource for

the history of religions, the collection documents how one culture, that of Islam, assimilated the towering religious figure of another, that of Christianity. As such, it is a work of great significance for the understanding of both, and of profound implications for modern-day intersectorian relations and ecumenical dialogue. Tarif Khalidi 's introduction and commentaries place the sayings and stories in their historical context, showing how and why this "gospel" arose and the function it served within Muslim devotion. The Jesus that emerges here is a compelling figure of deep and life-giving spirituality. The sayings and stories, some 300

in number and arranged in chronological order, show us how the image of this Jesus evolved throughout a millennium of Islamic history.

Packed with compelling case

studies, research, and practical strategies, *God and Money* offers an honest look at what the Bible says about generous giving. No matter what your salary may be, *God and Money* shows you how you can reap the rewards of radical generosity in your own life. *100% of the author royalties goes toward Christian ministries focused on spreading the Gospel and providing for those in need* "John and Greg realize what everyone should know—that middle-class Americans are

among the richest people in world history. It's time for Christ-followers to understand that God has bigger purposes than increasing our standard of living—He wants us to increase our standard of giving." —Randy Alcorn, from the Foreword of *God and Money*

John Cortines and Gregory Baumer met as Harvard MBA candidates in a men's Bible study and stopped asking "How much should I give?" and started asking "How much do I need to keep?" With their top-notch education and rising careers,

Cortines and Baumer were guaranteed comfort and security for the rest of their lives. However, when their plans for saving and spending collided with God's purposes for extravagant generosity, they were each compelled to make a life-changing decision that challenges the values held by mainstream America and many Christian commentators. Cortines and Baumer show not only how to radically give, but explain how to do

so responsibly. Dive into the story and get equipped with the practical tools to—

- Easily set budgets for spending
- Wisely steward your money
- Prepare and save for your future—home ownership, retirement, higher education, etc...
- Know what the Bible says about money, tithing, and faith
- Discern when to give and when not to give

Featuring lessons from the Bible, modern day case studies, and practical ways to apply biblical principles no matter what

situation you're in, God and Money provides an incredible look into what the Bible says about— • Tithing and Christian giving • Wealth and stewardship • Faith and generosity • Love of money • And so much more! From the parables of the Rich Young Ruler to the Widow's Mite, the Bible shows us that how we manage our money is critical to our relationship with God. God and Money uses these parables and more to teach you to save, spend, and steward your

money in a biblical way by planting God's purposes at the heart of your practices. Discover the 7 Core Principles of Wealth and Giving Authors Cortines and Baumer pack 2,350 verses on money into 7 practical principles that can be applied to your life and finances on a daily basis. From shopping for groceries to your first down payment on a home, apply these reliable guidelines with ease and clarity— • Everything we "own" actually belongs to God • Giving should be

voluntary, generous, cheerful, and needs-based • Giving generously breaks down the power of money over us • And more! Gain Tools to Manage Your Money Wisely Packed with tables, charts, graphs, and a quiz, the applications in God and Money are backed with scripture, data, research, and clear illustrations to help you discover what it means to honor God with your wealth. God and Money will teach you— • How to set budgets for spending • How to wisely steward your money •

How to save for your future—home ownership, retirement, higher education, etc... Don't wait another day to live a life of generosity that honors God with your life and money! What Others are Saying About God and Money "This is one of the most thoughtful and well researched books on giving that I have had the pleasure of reading. The frameworks presented in the book can be used by people at all stages of experiencing the joy of generosity." —Waters Davis, President of National Christian Foundation Houston. "With uncommon transparency, John and Greg provide a Gospel-centered and practical

perspective on wealth. Through a leveling critique of comfortable Christianity, they challenge us to wholeheartedly pursue the joy of generosity. Read this book and you will be inspired, convicted and thinking differently about using what God has given you for Kingdom impact." —Peter Greer, President & CEO of HOPE International and coauthor of Mission Drift "In God and Money, Baumer and Cortines challenge Christian readers to consider afresh what generosity

looks like in light of the Scripture's radical teaching and the day of affluence in which we live. Whether or not you agree with all their conclusions or personal practices, you will be challenged and inspired." —Robert L. Plummer, Ph.D., Professor of New Testament Interpretation, The Southern Baptist Theological Seminary "I greatly enjoyed reading God and Money! God used the framework Greg and John described to challenge my perspective and practice of generosity. I

realized in reading their book that my personal bias is more saver and spender than servant. What I truly desire to be is a fully surrendered servant of Jesus. This book gave me practical frameworks to move in that direction." —Todd Harper, President, Generous Giving "The mission of Harvard Business School is "to educate leaders who make a difference in the world," and in John and Greg that mission has been fulfilled abundantly. It has been my privilege to be their
