## The Girl Who Could Fly Penguin

As multicultural education is becoming integral to the core curriculum, teachers often implement this aspect into their courses through literature. However, standards and criteria to teach and promote active discussion about this literature are sparse. Cultural Journeys provides these guidelines through the age-appropriate fiction and non-fiction works embedded in the book. With the example unit plans and extensive annotated bibliography, this book is a valuable resource that pre-service and in-service teachers will utilize throughout their careers.

## The Young Idea Penguin Random House South Africa

Africa south of the Sahara is a land of wide-ranging traditions and varying cultures. Despite the diversity and the lack of early written records, the continent possesses a rich body of folk tales and legends that have been passed down through the strong custom of storytelling and which often share similar elements, characters and ideas between peoples. So this collection offers a hefty selection of legends and tales – stories of the gods, creation and origins, trickster exploits, animal fables and stories which entertain and edify – from ‘Obatala Creates Mankind’, from the Yoruba people of west Africa, to ‘The Girl Of The Early Race, Who Made Stars’, from the San people of southern Africa, all collected in a gorgeous gold-foiled and embossed hardback to treasure.

## and other Animal Tales from Africa Penguin

A compilation of animal tales from African folklore with facts about animals native to Africa's grasslands and rainforests. Suggested level: primary, intermediate, junior secondary.

## And Other Tales from Africa University of Wisconsin Pres

Thanatos contains two books in one volume. Lilly's Project: Will you conquer Thanatos? Join biologist Lilly Summer as she searches for the cure to the worst

disease man has ever encountered. During her quest, she uncovers two pills. Choose wisely. One pill leads to perpetual bliss, the other permanent blistering. The Void: Discover meaning for your life by answering the four great questions. Who am I? Where did I come from? Why am I here? Where am I going when I die? The Void contains the full Gospel of John interspersed with pictures, reflection questions, and assorted quotes from classic literature and religious texts.

## A History of the Soviet Circus Penguin Random House South Africa

Combining tales from African folklore with fascinating facts about animals native to Africa's grasslands and rainforests.

Supplementing each story is a table of statistics about the tale's leading animal. A map of the African continent shows where the animals live and migrate. Handsomely illustrated.

## The Itch To Fly And Other Stories Good Press

Author Nick Greaves continues the ancient tradition of storytelling in this renamed and freshly jacketed edition by recounting the myths and legends of southern African tribes. Aimed at 7 – 12 year olds, the 19 stories in this volume introduce a magical cast of characters, from a feisty buck, greedy vultures and a bewitched crocodile to an arrogant bat and the perpetually crafty hare. The collection of tales is a delightful addition to the successful series by the author, including When Hippo was Hairy, When Lion Could Fly, When Elephant was King, and When Bat was a Bird.

## American Black Folktales Barrons Juveniles

Offers suggestions for utilizing cultural materials and multicultural programming within schools and libraries, including African, Caribbean, Korean, and Native American perspectives.

## And Other Animal Tales from Africa Millbrook Press

You just can't keep a good girl down . . . unless you use the proper methods. Piper McCloud can fly. Just like that. Easy as pie. Sure, she hasn't mastered reverse propulsion and her turns are kind of sloppy, but she's real good at loop-the-

loops. Problem is, the good folk of Lowland County are afraid of Piper. And her ma's at her wit's end. So it seems only fitting that she leave her parents' farm to attend a top-secret, maximum-security school for kids with exceptional abilities. School is great at first with a bunch of new friends whose skills range from super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But Piper is special, even among the special. And there are consequences. Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore. At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as "the oddest/sweetest mix of Little House on the Prairie and X-Men...Prepare to have your heart warmed." The Girl Who Could Fly is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly. This title has Common Core connections. Praise for Victoria Forester and The Girl Who Could Fly: "It's the oddest/sweetest mix of Little House on the Prairie and X-Men. I was smiling the whole time (except for the part where I cried). I gave it to my mom, and I'm reading it to my kids—it's absolutely multigenerational. Prepare to have your heart warmed." Stephenie Meyer, author of the Twilight saga "In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the book's strong, lightly wrapped messages about friendship and authenticity and the difference between doing well and doing good."--Booklist, Starred Review "Forester's disparate settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take strength from Piper's fight to be herself against the tide of family, church, and society."--The Horn Book Review The Girl Who Could Fly is a 2009 Bank Street - Best Children's Book of the Year. Venture Into Cultures Trafford Publishing The ASPCA Award-winning creators of And Tango Makes Three present the true story of a domesticated lion cub whose devoted owners return him to the wilds of Kenya. 35,000 first printing.

For more than seven decades the circuses enjoyed tremendous popularity in the Soviet Union. How did the circus—an institution that dethroned figures of authority and refused any orderly narrative structure—become such a cultural mainstay in a state known for blunt and didactic messages? Miriam Neirick argues that the variety, flexibility, and indeterminacy of the modern circus accounted for its appeal not only to diverse viewers but also to the Soviet state. In a society where government-legitimizing myths underwent periodic revision, the circus proved a supple medium of communication. Between 1919 and 1991, it variously displayed the triumph of the Bolshevik revolution, the beauty of the new Soviet man and woman, the vulnerability of the enemy during World War II, the prosperity of the postwar Soviet household, and the Soviet mission of international peace—all while entertaining the public with the acrobats, elephants, and clowns. With its unique ability to meet and reconcile the demands of both state and society, the Soviet circus became the unlikely darling of Soviet culture and an entertainment whose usefulness and popularity stemmed from its ambiguity. And Other Tales from Africa Knopf Books for Young Readers

Sassy and not always classy, meet the lionesses who know what they want and go after it. They're ready to dig in their claws to find happiness and love. Includes previously release titles: · When a Lioness Snarls - Stalking is only a crime

Being chosen as a griffin's companion has allowed Arren Cardockson to gain a place of status within the land of Cymria. But Arren can never escape the prejudice that comes with his Northerner slave origins. For chained within the Arena where rogue griffins battle to entertain the crowds, there lies another soul crying out to be freed—a kindred spirit that will allow Arren to fulfill his destiny and release the darkness in his heart.

The People Could Fly iUniverse

On these pages are random thoughts about life, love, and despair, and some happy thoughts, dedicated to all of those unknown poets, who can rhyme moon with June, but can never get their lives to rhyme.

When Lion Could Fly Routledge

When Lion Could Fly And Other Tales from Africa Quatrains Simon and Schuster

Lion images are everywhere. In literature, in religion, in statues, emblems and heraldry. Symbols of them are found in all larger European cities -- particularly London. Many are also in Vancouver, British Columbia. A lion image is visually stimulating and should become part of our life.
