Frank Vertosick - Wikipedia

Well-told tales from the operating room by a thoughtful, almost humble neurosurgeon. Rule one of neurosurgery, "You ain't never the same when the air hits your brain," appears to have a corollary: You ain't never the same once you've held a human life in your hands. Vertosick describes his evolution from apprehensive third-year medical student on a six-week neurosurgery rotation to competent ...

When the Air Hits Your Brain (??)

When The Air Hits Your

When the Air Hits Your Brain (Audiobook) by Frank T ...

"When the air hits your brain you ain't never the same". How did I get through medical training without hearing this gem? Slightly reminiscent of "The House of God" (his Rules are just as funny as those in that book) but actually true, Vertosick describes incidents and episodes from his neurosurgical training which helped to shape him.

WHEN THE AIR HITS YOUR BRAIN | Kirkus Reviews

The first of these provides the title of the book: "You ain't never the same when the air hits your brain." A worrying proposition to those with no background knowledge, nevertheless this maxim pithily sums up the subtle, intangible change that often occurs after cranial surgery, but which cannot be neatly recorded on a chart.

When the air hits your brain: decreased arterial

...

When the Air Hits Your Brain is interesting mix of medicine, the people who practice it, and the people they treat. The narrator does a good job. Except - early in the book he repeatedly narrates, "C fifty-six". How did no one catch this?! There are only seven cervical vertebrae. The ...
