Goes Back in the Box:

"Game over" is a message in  
video games which signals to  
the player that the game has  
ended. It is usually received  
negatively in a situation where  
continued play is disallowed,  
such as losing all of one's lives  
or failing a critical objective.  
However, it sometimes also  
appears after the successful  
completion of a game. The  
phrase has since been turned  
into quasi-slang, usually

describing an event that will  
cause significant harm, injury,  
bad luck, or even death to a  
person.

You know the answer: It all  
goes back in the box. You  
don't get to keep one token,  
one chip, one game card. In  
the end, the spoils of the  
game add up to nothing.  
Using popular games as a  
metaphor for our temporal  
lives, When the Game Is  
Over, It All Goes Back in  
the Box neatly sorts out  
what's fleeting and what's  
permanent in God's  
kingdom.

Some view life as a game, with  
winners and losers. The winner  
gains increasing rewards. The  
loser languishes out of sight, a  
victim of his own imperfections  
or lack of motivation. Winners  
and Losers? In Luke 16, Jesus  
told the story of a winner and a  
loser. A rich man enjoyed every
